0:15

there is a lot of people around the world ladies and gentlemen need to hear this message you're
you're talking about archbishops

0:22

i don't know what archbishop is but it sounds important

0:28

and she's told me so many stories of pastors after pastor after bishop after bishop even one of the
the top orthodox

0:35

bishops in russia is now traveling around the world and he's bringing this message to people that
he talks to

0:42

just because you don't hear about it it's not in your language it's not on your grid it's not in your
face

0:48

i'm here to tell you you do not realize the fire that has been started

0:53

you do not realize the revival that's beginning to happen you do not realize the tsunami that is

1:00

is hundreds of miles out right now but how quickly it will hit

1:06

these shores you do not realize how much the father is asking anyone that will

1:11

listen to his voice would you please submit to what i'm doing because you won't be able to
submit afterwards it

1:18

will be too late let me say that again because some of you need to hear this

1:24

you need to submit to what yahweh is doing and get your life cleaned up and totally be fully
engaged because you

1:30

don't realize that the age of grace that all of our christian pastors have been telling us for 2 000
years and they've

1:37

been right we've been in the age of grace but the age of grace is coming to a

1:43

close where yahweh is going to the battle is going to begin you see the age of grace

1:48

is only to get you to a place where you know who you are and you know what your mission is so
that you can grab your

1:55

sword and it's sharp and you're ready for war once you the war begins there's no more

2:00

soldiers added the lines have been drawn it is the greatest honor in the world

2:08

to be on the front lines it is difficult it's the hardest thing

2:13

i've ever done in my life it's painful i was praying the other day and travail harder than i've ever prayed in my life

2:20

probably in my truck and i and i literally had to stop

2:25

because the pain in my back was so great i was sobbing from the pain

2:32

that's that's travail but i it's worth the pain you know why

2:38

because the holy spirit was so thick in in that little cabin of my truck that

2:43

i didn't want to leave it's worth the pain it's worth the change

2:50

the father says that that we are to love him with all of our heart mind soul

2:55

and strength let me ask a question that's so simple

3:00

do we really do that what does it mean to love the lord with all your heart mind soul and strength

3:07

what does your day look like what does your day look like

3:14

this is not me right now i don't have a message the father said be quiet jim is shabbat

3:20

i don't want you studying today i don't want you to prepare i already have everything prepared

3:28

and the father says what does your day look like

3:34

do you see yahweh all day in everything

3:40

do you think him how many remember back in the 80s there was a

3:46

a movie with george burns in it called oh god you devil

3:51

remember that okay what started the revival in that movie

3:58

two words does anybody remember what they were

4:03

two words that were written on a sign and everyone passed it around and passed it around

4:09

and passed it around pretty soon it was unbelievable how this kind of revival was going around and the bad george

4:14

burns the devil george burns was trying to stop this from happening it was two simple words

4:22

think god

4:28

so let me bring that to the 21st century to where we're at today where yahweh is

4:33

asking us to go back into covenant you know what he's really asking us think yahweh

4:41

think me thank me i am

4:46

so let me ask you a question in your daily life in your music do you think yahweh

4:53

in your thoughts do you think yahweh in your speech do you think yahweh do

4:59

you speak yahweh everything in your being should burn

5:05

nothing but light through you you should be the burning bush

5:12

the problem is is that we're too burning in some areas of our life with things that we want

5:18

how many of you seriously not to put you guys on a pedestal but how many people

5:24

would be and do what they did and move 2 400 miles took them five days to drive

5:33

here with nothing but the suitcases and closes on their back giving up everything that they had because yahweh

5:40

called them here and they didn't even know that they would be taken care of they didn't know that they had a job

5:46

they didn't know anything but yahweh said this is where we're supposed to go

5:52

they didn't know do you know why you were healed because of your faith

5:59

you know why you're blessed because of your faith but you know what where your faith

6:04

started in your obedience 14 hours a day in obedience brought

6:11

forth her blessing and her destiny that 20 something years ago however long it was as someone

6:17

prophesied over you that you would be doing a ministry that you couldn't even comprehend that it would touch the world

6:24

and you are now walking in your destiny because of your obedience

6:29

your submission to those who love you and your faith

6:35

that was more than just a testimony ladies and gentlemen that was the entire bible from genesis

6:41

to revelation right before you today the message that you just got was far

6:47

beyond if you truly thank god you would have seen every message that i

6:53

saw because what you saw is you saw humility you saw faith unprecedented faith you

7:00

saw someone who got out of the boat and decided to walk on the water knowing that if she's drowned the father would

7:06

just have to raise her back the dead because there's 30 000 russians every month depending on her

7:15

you saw courage boldness

7:20

and then you saw the entire message

7:26

of love what more do we what can i say

7:31

how can how can i follow that message of hope

7:37

some of you yahweh is calling you right now you know for a fact what he's telling you to do

7:44

but your stubborn pride and your fear is destroying you

7:49

it's keeping you from your destiny did you know let me give you a a write

7:54

this down put this on your forehead in the mirror backwards so you can read it

8:00

because what i'm getting ready to say is the number one strategy that the enemy uses to keep you from your destiny and

8:08

if you know this it is one of the greatest ways to make decisions by the way

8:13

i used to write things down i used to draw a line down a page write down all the positives write down

8:20

all the negatives right okay that seems logical right and a greco-roman mindset we write down the

8:26

positives write down the negatives because what's a greek record what's the greco-roman symbol a scale

8:33

so you you find out which side is heavier than you make the decisions based on which side is better what if she would have done that

8:41

what if they would have wrote down all the positives of coming to passion for truth and all the negatives for leaving their home and their veh

8:48

their house and their their belongings and their family and show that pat that piece of paper to anybody and say what do you think i should do they'd go you're crazy nobody leaves a career

9:02

a retirement nobody leaves anything to do what you're doing to go somewhere that you're not sure if you're going to

9:08

have any income at the stage of life that you're in you can't start over

9:13

so you're pretty much shooting yourself in the foot most of

9:20

the logical people would sin because we don't make decisions ladies and gentlemen when you come into your

9:25

hebrew root that's not how you make decisions anymore is it still a good thing to do just so

9:31

you can see it absolutely because yahweh will sometimes illuminate with side to

9:36

move on but this one single thing what i'm getting ready to tell you will radically impact the way that you make

9:41

decisions in your life because the enemy only has one goal thwart you from your destiny

9:48

that's what he wants to do do you know why because several weeks ago what did i tell you about how many people the

9:53

average person impacts the average person so the person that in this room that nobody knows you don't nobody knows

9:59

your name maybe you're brand new maybe you're a visitor here you don't have a platform you're not a speaker you don't

10:04

have a big company or big ministry or whatever you're just an average person that person radically changes 200 people

10:12

in their lifetime most of them do not know most of them you will never know the impact that you

10:19

make on their life so if that statistic is true

10:25

that the average person will infect and affect 200 people in their lifetime then

10:30

what do you think the enemy's goal is it's to get you to radically impact 200

10:37

people in your lifetime for him and the only way to do that is to thwart

10:42

you from going in the direction that the father has called you to go with the guard rails of his word and somehow

10:47

convince you to take the apple that's hanging right over the side of the guard rail not knowing there's a cliff there

10:53

where you go down the down and down and down in a direction that you were never meant to go

10:58

and you affect 200 people because you're holding one person's hand who's holding

11:04

another person's hand who's holding another person's hand and you pull 200 people down the cliff with you and you

11:10

don't even know it so this number one rule that i'm going

11:16

to tell you is how to make sure that you make good decisions godly

11:22

decisions and to figure out whether or not it's yahweh speaking to you or the enemy because how many know

11:28

the enemy's number one trick i've said it all i've said it many times before he's invisible

11:36

if he was you know why he's invisible i'm convinced that yahweh doesn't he gives him a choice

11:45

but he's invisible you know why because he's a chicken he's a coward

11:51

he knows that if you truly saw him for who he was you would never listen to him

12:01

so here's the problem the number one tactic before i tell you the the the absolute

12:08

formula for making sure when you have a decision to make that you know it's from yahweh

12:16

you have to know what his first strategy is his first strategy is to get you to

12:22

believe that you're not even hearing from him and for some people it goes as far as to

12:29

convincing them that they don't even he doesn't even exist

12:34

once he does that then he can plant thoughts manipulate things in your mind

12:41

just like the father can don't think that they can't those rogue thoughts that come and you

12:47

go where did that come from did it come from you if it did you wouldn't have just asked where did it come from

12:55

because there are two listen this is such a simple message but this this message will begin to to radically

13:00

impact you if you understand the depth of what i'm saying

13:05

there are two individual forces that are out to hijack your destiny

13:12

this has everything to do with torah because one person

13:19

one single entity ultimately held accountable for thwarting torah away

13:25

from yahweh's people was a king was an emperor

13:31

constantine who took many of god's precepts hijacked

13:36

them stole them put them in the vault the later

13:42

might be called the vatican and today we are stuck as red headed

13:47

step children of a catholic movement doing and saying the same things

13:54

worshiping on the same days using the same excuses why we don't keep the the law of god

14:01

but if he does not have the the ability or victory to to train you or teach you

14:07

that he doesn't exist then he has one other trick and he uses this every single time when

14:15

people come to me for counseling what do you think about this what do you think about this i don't have to tell them whether it's

14:21

of the lord or not it's so obvious when it's of the lord and when it's not because of this one single thing so are

14:26

you ready to hear this belaboring this because i want you to remember this

14:35

when you are making a decision or you need to make a decision in your life

14:41

if there one of the answers is dependent on

14:47

fear it's not from yahweh

14:54

most of the reasons why we make decisions is out of fear

15:02

do you hear what i'm saying we seriously choose when someone gives you an option a

15:08

or option b for instance i deal with conflict all the time i

15:13

don't know how i find my way into it but people come to me when they're in conflict it's my job

15:20

as an elder of this congregation one of the elders uh and in the nazi when we have a bait den and a gathering of the

15:26

elders it's my job to delineate this from a from b

15:31

so person a has a problem with person b person a says i want to work it out

15:38

person b says i want to work it out so person a says okay let's do what we

15:43

promised to do let's call the elders let's have a meeting let's work it out person b says i don't want to do that

15:52

why does person b not want to do that person b says i don't like one of the

15:58

elders i think they'll be unbiased i think they'll be biased

16:03

they won't judge rightly what do you hear

16:10

fear anxiety what they don't know is they are

16:15

mimicking the snake the snake is what speaks into the ears

16:22

what's the right thing and the biblical thing to do according to torah a b have to get

16:28

together and work this out they don't have a choice it doesn't matter what they feel amen

16:34

because we do not serve a god based on what we feel

16:40

we do we shama we hear and we do we do not

16:47

hear and think and do

16:52

because if you hear and think in the process of thinking is where the

16:57

enemy gets in it's his only chance

17:04

my wife says hey and we moved in this new house and uh i i we

17:09

i'm out of rhythm it's my job to take the trash out well first of all i'm so out of shape i

17:16

have to stop halfway down the driveway just to catch my breath in my last house

17:21

this one the driveway is three times as long and i ca i keep forgetting which day to

17:27

take the trash out [Music] so when my wife says jim you need to take the trash out if i think

17:35

i will make every excuse of why i can't do it

17:40

come on i'm just being honest and a silly example how many are the same way let me just make it real if you have

17:46

kids you know exactly what i'm talking about you tell them i need you to do this and

17:51

if you if you see them look up they're going to be caught by the enemy because they're thinking a way out of

17:57

this yahweh says hear and obey

18:02

so back to our example mr a mr b mr b

18:07

chooses not to come to work things out with mr a his brother in the lord

18:13

because the enemy spoken to his ear and said that elder is going to rule against

18:18

me so the elder that was put in in charge by yahweh himself

18:23

which is what the scripture says doesn't matter if you like them or not right

18:28

decides that he's going to play god and he's going to sounds familiar what did the snake do in

18:35

the garden played god and out of fear

18:41

he chooses not to make right the scriptures fear

18:47

fear is what is causing people to lose their destiny

18:53

fear is what causes people to be defrauded of their inheritance

19:00

people do not like to keep the law of god when you talk about the law of god or the torah

19:06

an average christian it scares them what is that called fear they don't even know what it is i didn't

19:13

know what it was natalia admitted the first time she heard it she said no it's been done away

19:18

with are you crazy that's bondage [Music] why would the enemy try to tell us that

19:24

it's bondage why would the enemy tell you that it's legalism to follow the most high god the

19:31

way that he said because the fear of how it will change

19:37

your life take shabbat for instance

19:43

how many believe in shabbat good chance to raise your hand in front of the most

19:50

high but how many know that when you first learned it you went wait a minute

19:56

i can't go out to eat on shabbat i can't go to the store on shabbat i can't buy something on shabbat that's

20:03

when i go buy everything and the lord says

20:09

i don't care

20:14

i don't care how long you've been doing things the way that you do it i've been doing it longer

20:22

and before i gave the law of god when i wrote it down i wrote it down an example

20:27

when i king of the universe who doesn't need to rest rested on the seventh day just so high as papa could show you

20:34

children how to do it you didn't see me surfing the internet

20:40

and buying stuff on shabbat did you i rested

20:48

yahweh desires his people to just do it but we have a difficult time because

20:54

it's our lifestyle oh i need to go get my hair cut and saturday is a good day to do it

21:01

oh jim you're just being legalistic no i'm being legal it's what the bible says but see the fear

21:08

comes into our life that our lifestyle is going to have to change well how am i going to do that and you start thinking

21:13

and then the spirit of anxiety comes which is attached to fear everything that the enemy wants to do is prevents

21:20

you from your destiny and the only thing that prevents you from your destiny is when you break the scriptures you are

21:27

under a curse according to every scripture genesis to revelation

21:32

and if you break the scriptures you are under a curse if you break the

21:38

scriptures and you're under a curse and you do not have a redeemer you end up not written in the lamb's book of life

21:47

hallelujah that we have a messiah named yeshua hamashiach

21:54

praise the father that he's given us a way out of the curse

21:59

but most of us don't understand that we've been taught jesus and him crucified

22:06

paul listen to me this one will get quoted on facebook paul would have rebuked the church today

22:13

for preaching jesus only crucified

22:18

how do i know that hebrews chapter 6. why don't i just read it

22:26

say oh jim that's crazy no it's just god

22:33

hang around with him long enough and you'll believe the same

22:40

i don't want you to believe me i'm going to read it whoever the author of hebrews is

22:46

if it's paul this is what he would have said therefore anytime you hear therefore you need to find out what it's there for

22:54

leaving the principles of the doctrine of christ wait a minute what if i walked in the back of every church and said we

23:00

need to leave the principles of the doctrine of christ every head would be bowed

23:08

my funeral it says therefore leaving the principles

23:14

of the doctrine of christ let us go on to perfection not laying again the foundations of

23:20

repentance from dead works and of faith toward god of the doctrine of baptisms we need to

23:25

leave the doctrine the laying on of hands and the resurrection of the dead and of eternal judgment and this we will

23:31

do if god permits what's he saying there you guys keep

23:36

preaching the same thing over and over and over again jesus and him crucified

23:42

paul says or the writer of hebrews says okay they get it now they need to be fed

23:47

me meet they need to go deeper they can't just come into the gate of
23:53
the tabernacle and stand at the threshold of the gate they need to walk through the gate
23:59
they need to go through the courts they need to come to the threshold of the tent of meeting and
then they need to go
24:04
through the threshold and they need to come to the holy place and they need to come to the veil
and then they need to open the veil and either sit in my
24:11
presence [Music] [Applause] you don't want to be that close to the
24:17
enemy why do you think that 70 some odd percent of our are a christian teenagers
24:24
at the end of their first year in college denounce the messiah
24:29
a friend of mine that just called me today from the east coast met with one of the largest churches
on the east coast
24:36
i won't speak of the name multiple services in multiple languages and cultures
24:43
they invited him to come in because they wanted to ask him questions
24:48
because they're seen significant this is large stuff here significant changes in the
24:55
dynamics of the direction of their congregation
25:00
and i'll call him john they said john we know that you're you follow the
25:06
scriptures we you're a godly man we know that you're into this hebrew stuff we want your
opinion you are an elder
25:13
you've been around for a while you're part of a large ministry tell us what you think the problem
is
25:19
he said well what's the problem he said the problem is in every one of our cultures and
generations the
25:27
in languages and services the next generation is not following what we
25:32
teach the young people are falling away from christ left and right we're losing them and we
25:40
don't know what to do we're doing everything that we know what to do
25:46
and john said and explained to him oh yes i can solve this problem
25:53

you have shown them what the bible says you're telling them what to do

26:01

but you're not making them a one new man

26:07

you're not bringing to them the idea that solves all of the scriptures the young people are smart they're seeing

26:14

the holes in the religion they're seeing the holes in the theology and they're seeing the hypo the hypocritical natures

26:19

of their parents when they walk back into their home they see and hear what their parents are

26:25

watching and listening to they see how they treat one another at home they don't want to have any part of it

26:31

because they don't care about what you say they care about what you do

26:38

and he said you know what you need to do you need to teach them what the one new man is and the pastor said well what is

26:43

the one new man and he just said well i'm glad you asked what you really need to do is you need

26:50

to understand the first century you need to understand that jew and gentile doesn't mean what you think it means

26:57

that the one new man in the first century was all about the northern kingdom of israel and the southern kingdom of israel and when they split

27:03

into two they became two men and ezekiel 37 is all about yahweh

27:09

calling his people back grafting them back into the vine back into the olive tree with the root of yeshua and making

27:16

them one new man you are citizens of the most high god and you are subject to her

27:23

covenants according to the scriptures and when you are a citizen of the most high god and you are subject to the her

27:30

her covenants then you need to find out what those covenants are and when you discover what those

27:36

covenants are and you absorb those covenants in your life pastor and you teach your children

27:41

that there is a way that they should go and this is the way not our denomination not that denomination not that church

27:47

across the street but the one that links every single denomination in the world is the word of god
genesis to revelation

27:55

it's called torah the instructions of god and when you go by the instructions of

28:01

god you're by default putting down the instructions of man and they will not depart from it when
they get older

28:07

because they will know and walk in the way

28:14

but what keeps people from the way what keeps people from walking in his ways

28:20

is one single word fear

28:28

some people will say it's pride i say no it's a faux strong man

28:35

you see the enemy's brilliant how many have seen wars on tv where the

28:41

king dresses up like a regular guy and they put a regular guy in the king's robes

28:49

and they send the regular guy in the king's robes out on a horse in war what a lucky guy he is

28:55

here i am come get me

29:01

the enemy works the same way the enemy is a strategic war planner

29:07

he knows the word of god better than any of us in this room and anybody in the world

29:13

memorized i'm sure letter by letter even was there at the paleo hebrew and knows

29:19

the pictures i'm sure and could teach it far better than i

29:25

and so he knows what the war is all about and he knows the legal laws of how to win and how to
lose

29:32

and so he wants people in deliverance to believe that the strong man is pride

29:39

why because that's what comes out you see the first thing that you see in pride is

29:45

a puffed up chest i'm gonna do this i'm gonna do that

29:51

i i i and it's foe it's a fake it's a it's a decoy it's a trojan horse

29:59

so that we say he's got a spirit of pride and he does but the enemy's most powerful weapon

30:06

what did i say it is he's invisible

30:12

so whatever you see is never

30:18

the strong man the strong man is smart

30:25

the strong man never shows his face this strong man

30:31

is the weakest man because he hides in the shadows and the corners

30:39

he has demons attached to him that show their face because he makes them show their face

30:44

so that when they get found out and they get cast out he remains

30:52

so you can cast down the spirit of pride you can cast down this you can cast out that but the strongest man of all strong

30:59

man is the spirit of fear if it was not then the lord god

31:06

yahweh savaot the lord of hosts would not say that the beginning

31:13

of wisdom is fearing me

31:25

if fear was not the strong man the antithesis of that god would not

31:30

have said fear me o children of israel

31:35

when you bow the knee to me o israel you will be set free

31:42

fear me o israel why do you think he showed up on mount

31:48

sinai and didn't use hello kitty

31:56

didn't show up in a rainbow it wasn't one of those uh what was that

32:02

cartoon when i was a kid with the bears with the heart on them so the care bears

32:09

yahweh is not a big teddy bear with a heart on us on the front

32:14

he showed up ladies and gentlemen as a grizzly he wanted to know and i'm going to bring

32:20

a suggestion that i'm feeling in my spirit it was not to scare

32:26

the children of israel it was not because that doesn't make logical sense does it

32:31

i'm going to be your dad so i'm going to come out and just start yelling at everybody that's a terrible father

32:40

i'm going to suggest that my god is so smart so unbelievable so incredible and

32:46

so powerful and such a loving graceful sovereign god that he wasn't yelling at you he was yelling at what you couldn't

32:53

see standing behind you which is the spiritual realm of the spirit of fear and he wanted to cast down the spirit of

33:00

fear in his people and bring fear into the enemy

33:05

he spoke thunder and lightning ladies and gentlemen so that we would not have

33:11

to be afraid we could go that guy he's on my side

33:21

so when yahweh calls you when yahweh puts a difficulty in your in

33:26

your midst how many know you cannot grow without tribulation or trial

33:31

why aren't you praying for trials

33:37

if you know this james 1 2 says what consider it pure joy my brothers when you face trials of many

33:42

kinds because the testing of your faith produces endurance

33:52

let endurance finish its course so that you may be mature tamim and complete

33:58

and if anyone asks of god for wisdom do not let them ask

34:04

with a doubtful heart for he who doubts is like a wave of the sea blown and

34:10

tossed by the wind what is the foundation of doubt

34:18

it's fear you cannot receive from god

34:24

with fear you cannot receive your inheritance with doubt

34:30

when peter got out of the boat and he's walking on water hello would that be an amazing

34:36

time for a cnn camera right there

34:41

his inheritance was embracing the messiah on water

34:49

what happened the scriptures say that peter looked

34:54

down and began to doubt i don't know about you but peter i
35:01
relate to one of the stubbornest people on the face of the earth that ever lived sorry
35:07
because how do you live with the messiah how can you be feet away from him on the
35:13
water and remotely have fear i'm going to suggest to you that he
35:19
didn't there was another entity at play
35:29
because fear didn't come from peter because my bible tells me that fear
35:34
comes from another source yahweh did not create you with fear
35:42
he created you with boldness like a lion because if you saw the nine-foot angel
35:49
behind you you would never fear ever
35:56
you just say sycam
36:02
but ladies and gentlemen we walk like peter and what happens is right before peter
36:09
was about to hit his destiny a spirit a real spirit of fear
36:15
came into him attacked peter constantly attacking leadership
36:22
peter did not recognize the voice of the enemy so he began to sink because he absorbed
36:29
the lie that he couldn't walk on water
36:36
it wasn't so much time and what happened to peter again
36:43
yeshua said my time has come i will be leaving you and peter said may it never be my lord
36:50
and yeshua said what get behind me hasitan
36:55
do you think he was speaking to peter or do you think that he could see into
37:01
the spiritual realm because he had eyes to see the spirits
37:08
how many times did he heal someone by just casting out the devil you have to see it first
37:14
to know it's there where the rest of us would say here's some ibuprofen
37:20
yeshua saw the tormenting spirit and said come out what was the first rule that i told you
37:26

25 minutes ago 30 minutes ago you must believe that hasitant exists and that he wants to thwart your destiny

37:33

if you don't believe it and you don't know his voice you will miss it when he deceives you and you will always know

37:39

when he deceives you because you can analytically track it down diagram it if you're old enough to remember

37:45

diagramming sentences i told him when i was in school diagramming doesn't work it's ridiculous

37:52

they finally listened to me and took it out of the schools but you could diagram it

38:00

and you can always find out every single mistake when someone sits in my office or an office of one of my elders in

38:06

counseling we can diagram it and tell you where you made your mistake because it has a four-letter word f-e-a-r

38:14

fear written in the diagram on the timeline where your major mistake

38:21

fear destroys your destiny fear keeps you from walking on water

38:30

fear will you we love ladies and gentlemen with no return

38:36

it is our commandment when your enemies mount up against you and stick their

38:42

chest out it is not pride it's a spirit of fear on them

38:48

they're scared to death

38:54

what do people do that are prideful why do they why do they come across so prideful my friend when you're in the

39:01

when you're in the ring what happens they have to get themselves pumped up

39:08

they have to beat their chest when they're a boxer they have to come on come on why because they're scared to

39:13

death they're going to get knocked out so they have to create something bigger

39:19

than they are the have you heard this finish this statement the bigger they are

39:26

the harder they fall

39:33

it's the same in the spiritual realm this message i've never preached i've

39:39

never heard it preached i lived most of my life

39:45

in what most people thought was pride let me give you a clue of most of the

39:51

people that are in leadership we are scared to death

39:59

so what you interpret is pride is fear

40:04

in most people if not all

40:11

i wake up every day and i say father i don't understand why you chose me and i'm waiting ladies and gentlemen

40:17

for the angel that is the cpa of heaven to come up and hand the note to yahweh and say oops we got the wrong guy

40:32

but until that happens i have a job to do and so do you

40:39

because my god let me quote another scripture it says this yahweh has not given you a spirit of

40:47

fear but a spirit of power

40:52

love and sound mind some translations say self-discipline

41:00

a sound mind a sound mind what's a sound mind

41:09

a mind that only hears one sound

41:22

think yah and you will never

41:29

be the same when you are afraid and you say i don't

41:34

want to go in this direction go in that direction that's the right

41:40

direction to go into do the opposite of the spirit of fear

41:46

because god has not given you a spirit of fear

41:51

it's the dead giveaway been one of the most difficult weeks

41:58

in years for me travailing over my life

42:05

i've had i have i have the father has commissioned me to pull down in the spiritual realm

42:13

a strong man on a particular family that i i've never met

42:21

and i've had physical physical attacks my wife can attest to it

42:27

that i will mention the name of this person and the strong man and something

42:32

i don't want to freak you out but something will take its claws and it will dig it into my flesh and it makes

42:38

me almost cry in pain wrenching pain like you took a vice grip and grabbed

42:44

your muscle and turned it until i can't hardly breathe and then i

42:51

rebuke it in yeshua's name and it instantly leaves

42:56

what is it trying to do what is it trying to do

43:03

bring fear that it can hurt me

43:08

it is a lie it cannot touch me without the permission of the most high

43:16

so i cast the question father why did you give it permission to pinch me

43:22

[Applause]

43:29

you think i'm joking i asked that question

43:34

and his answer was this

43:39

to build your resistance

43:45

you see if i don't let him touch you you have no opportunity to reject or

43:52

resist him

43:58

if you have no opportunity to reject or resist him you remain with the same level of faith and power that you had

44:04

yesterday and the father says this

44:11

i love you more today than i did yesterday

44:17

and so because i love you more today than i did yesterday i want you to love me more today than yesterday and that

44:24

means that you cannot do the things that you did yesterday today or you'll receive the same destiny

44:30

tomorrow [Applause] you should give the lord a clap offering

44:37

because his power his word is great and he's greatly to be praised

44:44

some of you have a calling on your life that's so off the charts

44:56

you my friend have a calling on your life that you don't know even you're going to meet him next week

45:03

yahweh has shown me a vision of what your calling is he's shown me where you're going to be

45:08

he show me what you're going to do do not

45:14

mess it up says the lord

45:19

you are going to touch more lives than you can possibly count

45:25

all over the world you will be featured

45:31

on so many christian television stations you will not even believe it

45:38

god has gone is called you to speak to the nation of islam

45:44

and there will be thousands of people that will be converted because of your ministry

45:59

and yes yah has called you here for a reason

46:08

work on your spiritual uppercut

46:13

there's no defense in this realm let me finish by saying this

46:21

the next time the enemy comes up to you and here's where you've got this is what will save you my friends

46:27

you must think yah all the time

46:34

every moment of your day every moment you are awake you must be

46:40

in what i call the prophetic realm the spiritual realm where you are

46:46

feeling out the spiritual forces around you all the time i didn't say looking

46:51

for demons i said sp feeling out the spiritual forces around you all the time

46:58

sensing the voice of yah abba do you want me to go this way do you want me to go that way i am praying

47:05

i'm not lifting myself up i am lifting you to a place where you need to be that when you go out to eat you scan the area

47:11

you say father who do you want me to minister to who do you want me to pay for their meal who can i talk to today

47:17

and give you give them your wisdom that's living in the prophetic in the

47:22

spirits living by the spirit you don't get answers ladies and gentlemen people ask me all the time jim

47:27

how do you hear from god i was one of those dumb guys that asked a lot of questions

47:32

and he entertains me and answers what does james say you have not cuz you

47:40

so start asking questions you might start getting answers but you better ask with the right motive

47:49

and you better get in alignment with his word in every way

47:55

every way you have a talent how come i don't know about it

48:00

are you using it in ministry are you keeping the feast days are you

48:05

following shabbat are you tithing oops i got on someone's shoes sorry

48:12

christian church amazingly doesn't believe in the law but they believe in tithing

48:18

yes it is in the law did you know that tithing is the only

48:23

source that god uses to further his kingdom

48:29

i don't care if it hurts your feelings i don't care if you agree you might say it only goes to the levites okay great

48:35

let's just stop giving completely and let the kingdom of god fall apart

48:40

let's turn off the cameras right now we don't need a ministry to you because there's no modern-day levites there are

48:45

people that will say this as if there's no principles found in

48:51

god's word there's no law they live their life as if there is no law but they'll say there is a law

48:58

those are the people that are constantly trying not to get out get out of giving no matter what it is
49:04
they bought a brand new car it's a big suv and a family only needs need it needs it for a week and
49:10
their car broke down and they don't want to give it to that other family because it's their brand
new car it might get scratched so what that's why we pay a
49:16
million dollars a year for insurance
49:21
the people of god are bankrupt the assembly of god is bankrupt
49:27
because god's people do not know how to keep his law they don't live it out they don't know
49:32
how to give natalia and her husband gave everything away to get here and god gave them a
hundred
49:40
times more than what they ever left do you think that's by accident [Applause]
49:47
so let me challenge you do you know why you don't tithe you know why you don't give
49:52
the spirit of fear there's only one single thing in the
49:58
entire bible where god says test me on this one
50:05
you know why because he knows that you keep your pocketbook right here
50:15
real close and he says if you keep your pocketbook
50:20
here i can write in it i can fill it i can bless you
50:27
i can give you your inheritance but as long as you keep your hand back here i can't get in it
50:38
yahweh has given you an inheritance the biggest mistake the prosperity
50:44
teachers teachers give me a thousand dollars i heard this in christ give me a thousand dollars and
if you if you give
50:49
a thousand god will give you 10 000 in 90 days somebody heard that hogwash
50:58
someone said once they never even heard that phrase until i said that i don't know if it's kosher to
say that
51:09
it's sheep wash whatever then it doesn't work when i say that
51:17
but the father says this test me in this
51:22

give me your tithes when you do so see if i don't open the doors
51:30
and the windows and if you were today he'd say and the garage doors and the skylights
51:38
i will open every door you know why because he has every key
51:44
and i'll contradict every prosperity teacher out there it doesn't mean you'll be rich it means you'll
be rich
51:53
some of you that just went way over the your head
51:58
it means you will be so satisfied and full of shalom
52:04
that's real prosperity real prosperity is the richness of knowing that you are in the panim
52:11
you are in the face of god and lived you are in the presence of god
52:20
so i will say test yahweh in everything
52:25
and see if he doesn't do his part
52:31
destroy the spirit of fear be natalia give it away
52:37
if yahweh tells you to we don't do it if he doesn't there's been plenty of homeless people he
always said don't you dare slow down on the side of the road
52:44
when i'm going but the guy's homeless the guy says nope yahweh says nope he's not
52:53
ladies and gentlemen we must not live by a spirit of fear
53:00
i want to live in the power of god the only way to live in the power of god do you
53:07
believe when he says that yahweh is not giving you a spirit of fear amazingly the first thing out
of his mouth
53:13
is i've given you power which means the only way to get into the
53:20
power of god is to destroy recognize and destroy the spirit of fear
53:28
so to end i would say this for the second ending
53:35
the next time you sit before yahweh in a trial which you will have soon
53:41
i pray you'll be as blessed as i am to live in trials
53:48
and you're not sure which way to go choose the path

53:54

you're afraid of that's

54:00

going to be almost in every case the right road

54:06

and in the rare rare chances in times where it's the wrong

54:13

road because you chose faith

54:20

he changes the direction of the road

54:27

by default you will walk down the road and there will be a roadblock and you won't know where it came from

54:33

it will make you go left go right yahweh is so awesome

54:40

when he says that he ordains the steps of the righteous my friend he means it

54:46

you can't make a mistake when you're following the most high god

54:53

yes i said that when you are following him there is no such thing as accidents or coincidences

55:02

when you step in a pothole he put it there because maybe you're running too fast

55:09

when you find yourself in the bottom of a well he put you there because you needed a timeout

55:16

and maybe he's about to make you second in command over all of egypt

55:22

bless the most high in the valley and bless the most high on the mountain

55:28

but when in doubt think yah

55:34

let's pray father we come before you

55:39

let's stand before our king

55:48

father you say in in romans

55:54

that we need to renew our mind

56:00

by your word

56:07

father i ask in yeshua's name that you would teach us how to renew our minds to where we think of you all the time

56:14

that's all we do is think of you

56:23
there's so many frequencies and so many sounds that are vying for our attention
56:30
the television radio people's voices chaos everywhere
56:38
it produces inside of his father an unsound mind
56:44
a heart that's divided
56:51
would you teach us father how to walk in your ways but more importantly to love your ways
56:59
and to love your people whether they're following your ways or not
57:05
father help us to hear your voice so clear because we're constantly thinking about your voice
57:13
when we come to a stoplight we're thinking what are you saying where are you at what are you
doing
57:20
let us constantly ask questions so they were constantly engaged in
57:27
dialogue to receive answers [Music]
57:33
and father when we come to difficult choices and difficult roads
57:39
and we don't know which way to go let us recognize the enemy's number one
57:45
strategy is to send the strong man the spirit of fear
57:53
let us reject it it goes against our nature because father we don't like pain we
58:00
don't like fear it scares us we always go in the opposite direction of fear and that's what the
enemy's banking on
58:08
let us go against our flesh our natural inclination
58:14
and let us push aside the paper tiger
58:21
and let us walk and run the race to win
58:27
let us get our destiny obtain our inheritance grab the hand of yeshua and walk on
58:33
water let us begin ministry when we don't know how
58:38
there are people called into full-time ministry and they don't know how to begin let them begin
by beginning
58:47

let them walk by standing let them swim

58:54

by getting in the water father yah

58:59

you are good you are holy you are mighty god

59:05

and i stand before your throne right now with all of these witnesses

59:12

and i say spirit of fear you're defeated you have been found out and your

59:17

strategies have been foiled you have banked on the deaf ear of god's

59:23

people you have played on our emotions you have destroyed relationships and

59:31

families

59:36

you will be held accountable for the change that you have put on all of yahweh's people

59:43

you have held people back from their destiny

59:50

you have swallowed their inheritance and i say cough it up now

59:56

it is not yours abba i ask that you are judge in this

1:00:02

courtroom right now and that you demand according to your word that the enemy the locust leader give back what he has

1:00:09

stolen and what he has eaten and let your people walk in

1:00:15

freedom in life and in unity

1:00:20

and in love and most of all let them

1:00:26

walk in faith head held high chest out

1:00:32

that we serve a god that's bigger than the god of this world and we will not walk in fear any longer

1:00:40

i declare father that anyone in the sound of my voice that have walked in fear

1:00:45

have made decisions by fear and they know deep down if they'd ask themselves would we have done this if we

1:00:52

were not afraid i declare them set free right now in the

1:00:58

name of the son of the living god jesus the messiah yeshua hamashiach

1:01:03
they will those chains will be broken they will be set free and you are free
1:01:09
to move about the country now father
1:01:14
send your malchem your great mighty angels surround those that have just been set
1:01:21
free wing tip to wingtip with flaming swords
1:01:26
and create the pause in their life if this is you right now i'm going to ask you to come down to the
front
1:01:33
and bow before your king and admit without fear that you've been living in a spirit of fear
1:01:39
in some way shape or form just do it right now just get out of
1:01:45
your chair if you're at home get on your knees before your god and declare before him
1:01:50
i will not live in a spirit of fear father forgive me forgive me for living in a spirit of
1:01:56
fear forgive me for for being deceived and being so gullible
1:02:03
to make decisions off of fear instead of your word
1:02:08
instead of trusting the system [Music] father i pray right now in yeshua's name
1:02:15
for everyone that has had the courage to follow you
1:02:21
to the front and to their living room floor that you would set them free father blow
1:02:28
on them now set them free hasitana command you in yeshua's name to come out
1:02:36
the scales shall fall right now eyes will be opened
1:02:41
people that struggled with authority will never struggle again children will obey their parents and
respect and honor
1:02:47
them [Music] parents will lead their children in the way that they
1:02:53
should go husbands will love their wives and they will not be afraid of failure
1:03:01
wives will be reverent and loving and create an atmosphere that a king would flourish in
1:03:08
they would never speak evil [Music] or a negative word
1:03:15
father i pray for the person who has been hurt physically in pain because of fear

1:03:22
that right now you would heal that person wherever they are because fear has been what's
causing
1:03:28
your pain fear has been embedded itself into your dna for so long
1:03:37
father i pray that you begin right now if it pleases you almost hi god
1:03:43
my king would you wave the scepter in your right hand over your people all over the world
1:03:50
and would you heal them as you set them free [Music]
1:03:56
from fear [Music] can the rest of the worship team come up
1:04:01
please father thank you for setting your people free
1:04:07
we make a covenant with you right now today we will not walk in fear
1:04:13
we will walk in the spirit of power and of love and of sound mind
1:04:20
we will not watch our neighbors our children our parents our grandparents
1:04:26
our enemies walk in fear we will pray for them we will love them
1:04:33
we will cast down the spiritual darkness of this
1:04:38
[Music] of this time in this year
1:04:43
we are breaking the generational curse of fear right now there are people in the sound
1:04:48
of my voice that have a spirit that has been following them from the previous generation because
their
1:04:54
parents lived in fear we break that and we bind it and we cast it out right now
1:05:01
spirit of fear be gone the spirit of fear that came from a traumatic event i command you right
now
1:05:07
to be gone it came on the little girl that was hurt and traumatized
1:05:14
the little boy that was traumatized the car accident
1:05:21
we cast out the spirit of fear from trauma you exist no longer you will
1:05:26
remove yourself be mute dumb and deaf walk the dry places you have no power
1:05:32

over yahweh's people father set your people free
1:05:39
their minds are tantalized by your word but their hearts
1:05:44
are not free to serve you because they're bound up in fear
1:05:51
we will walk as if we are in victory we will live as if we believe
1:05:57
we can walk on water 300 men will defeat
1:06:05
tens of thousands [Music] because we just believe
1:06:12
that you can father
1:06:17
destroy the paper tigers in our life they are nothing they just require the only thing that
1:06:23
that the leopard or the one who had disease required was the the son of the
1:06:30
living god to just call it out for what it was so we call it out today for what it is
1:06:40
we declare victory and we will walk in the power

1:08:25

that you'll be right back as you go into the other room and you apologize to your wife for the way that you have treated

1:08:31

her you my friend sir you put the spirit of fear in your wife

1:08:39

you single-handedly transferred a strong man to your wife and you wonder why she does

1:08:45

the things that she does you need to lay hands on her you need to repent of your sin and ask the father to

1:08:52

free her from the spirit of fear and you from your spirit of pride

1:08:58

and watch the flower bloom [Music]

1:09:05

1:09:10

them to correct them and encourage them with great patience and careful instruction

1:09:15

[Music] for those that need to leave you may leave

1:09:22

for those that need an operation and you need the father to touch you maintain a spirit of worship

1:09:28
