

0:33

Last week, we talked about the letter Resh, the 20th letter in the Hebrew alphabet. And

0:39

about halfway through, the Holy Spirit went in a completely different direction, and opened up a topic that I was not expecting. And we have received quite some feedback from this

0:49

topic. And so, the Ruach has impressed upon me that, I need to go back through this. And

0:54

I need to dive into this a little bit deeper. And I need to unpack this a little bit for you, because the testimonies that you're hearing week in and week out of miraculous things;

1:04

whether it be a physical healing, whether it be a relationship healing, whether it be a son or a daughter coming back into covenant, or, or discovering a spiritual gift that you

1:13

never knew; whatever it may be, it's happening because of the message that I'm going to be

1:19

bringing to you tonight. It's happening because the enemy is beginning to find himself in

1:25

the light. And the enemy does not like the light. He must flee in the presence of the light. Just like darkness is simply the absence of light.

1:36

When light comes in, it dispels the darkness. It's... gone. It goes to every corner of that

1:42

particular room. When you have a pipe that's clogged up, you will be clogged up. Your life

1:48

will be clogged up. So if you have clogged up life today, it's because you have a clogged pipe.

And you guys have heard me say a million times that whatever you see in the physical

1:57

realm -- Yahweh created the heavens and the earth for one reason. One major reason, I

2:04

should say, among many, is to communicate to you a spiritual principle.

2:09

Your bodies aren't just created so phenomenally, you know, complex just so that, you know,

2:14

we work. Because how many know that he didn't even need to use organs. How many believe that? He didn't need to create organs. He just could have just created... nothing on

2:26

the inside, and it would still work because He's God. But He chose to use all these incredibly

2:33

intricate patterns and organs and veins and all these things. And I'm going to submit

2:39

to you to, it's to teach us how to follow him. Every organ is connected to a part of the body, spiritually and physically. Its operation is connected to a spiritual gift

2:51

and it is trying to teach us how to live and love and communicate with one another. Let's begin.

The Great Deception: Recognizing the Voice of Your Enemy.

3:01

Ladies and gentlemen, this is what we're going to be talking about this evening, is discussing how to understand the voice of our enemy. We are in a battle. We are on one side, and

3:11

our enemy is on the other. The problem is our enemy comes in the form of an angel of light. Many times, he comes in a form that we don't recognize. We don't understand, and

3:21

so we become, all the way back like our forefathers in the garden, deceived. And so I believe

3:27

the number one great deception that the enemy has in his bag of tricks, which I believe is only one trick, is deceiving us that he's not even here.

3:38

If he can infiltrate our bodies, if he can infiltrate our minds, if he can infiltrate our congregations, our fellowships and so on and so forth, without us even knowing it,

3:48

he wins every time. There's nothing more frustrating than being in a battle and fighting something

3:54

that you can't see, or worse yet, being in a battle and not even knowing that you're

3:59

in a battle. So we're going to discuss that tonight, as we dig into The Great Deception:

4:05

Understanding or Recognizing the Voice of Your Enemy. Miguel Demelli is here tonight, as an author, and he has a great book called "Recognizing

4:15

the Real Enemy." And he has an awesome line in there called, 'Radio God, Radio Devil,'

4:20

and I love that because it gives an immediate picture of a demon on one side, the devil

4:26

on one side, and the angel on the other. On one shoulder or the other. And this frequency, like radio frequencies that are constantly hitting your brain. And, but you're not really

4:35

sure where they're coming from, and you're not sure which channel that you are listening to; this message tonight is to help you understand which frequency to tune into. How to discern

4:48

those frequencies. Thus, The Great Deception, the title of the message tonight, Recognizing

4:53

the Voice of Your Enemy. Everything is about frequencies, is it not? How many ears do you have? Two. Why not one? He could have put it right on top.

5:03

Pastor: Why not three? I'm going to suggest to you, it's because there are two frequencies

5:10

in the universe. One on one side, one on the other. And you will either submit to one,

5:15

or you'll submit to the other, but you cannot submit to both. Because salt water and fresh water cannot exist in the same cavern. In the last two weeks, it's been some of the

5:24

most difficult time in my life, spiritually. I have been doing a lot of intense counseling,

5:31

and there has been a... a cloud that's been something far different than anything I have

5:37

ever experienced in my life. And that has been that I have... brushed up against some

5:43

very unclean spirits and very demonic experiences and some of them have attached themselves

5:50

to me over the last couple of weeks trying to bother me. And so maybe some of you will have what I am getting ready to explain to you, has happened

5:58

to you, and maybe you'll make sense of what it is. But sometimes you will feel, or at least in my case, I will feel cloudy. Like I have almost a slight migraine, but it's

6:10

more than that. It's it's kind of like that feeling that you get when you're sick, and you wake up in the morning, and your head is kinda, you're like light headed. It's

6:19

that feeling of kind of being light headed, and you kind of – like your eyes kind of hurt a little bit. And your spirit is frustrated. And you have a difficulty in praying, so on

6:28

and so forth. And, and I know when that happens, that it's an unclean spirit. And it tried,

6:34

because it will keep me and paralyze me from praying, which is the number one way that

6:39

you can always tell, it's working now. Thank you, Father. You can always tell, if it's

6:45

the enemy because you can't do the spiritual things. And so I went out and reached out to my intercessors, and it took two weeks, and I woke up yesterday

6:55

morning, and it was like gone. Just completely gone. I felt like I'd had this giant bath.

7:02

All this mud just came off of me. The shame, the guilt. Matter of fact, I hadn't even told anybody that this is what I had felt. And one of the intercessors, when they prayed

7:10

over me, the second she put her hands on my feet, she immediately said, 'Whoa, there

7:17

is a spirit of shame and guilt that just came into, into me from you.' And I said how

7:22

interesting because that's what I've been feeling. I've been feeling like I'M the one in sin. I'M the one that's done something wrong, and that's the accuser of the brethren.

7:30

And so it has paralyzed me over the last two weeks to not fully engage into what the Father

7:37

has had me to do. So I thought. Until I realized that the enemy can't touch me without permission.

7:45

So he must have touched me with the permission of the Creator, and it was for a purpose. And it was for two purposes. Number one, for me to understand what others go through, and

7:55

what they're experiencing in their life. The torture that they have day in and day out. And that, that they don't even see. And number two, for me to appreciate and create contrast

8:07

of what it's like to be clean. So, let's begin this evening, and I think

8:12

you'll understand more by the end of what I'm talking about. First of all, this is the human body on the inside. Just an artist rendering, but it's just as you know, I

8:20

don't have to go into it, but there are thousands upon thousands upon thousands of parts to the human body, and how it works together. And if just ONE part is infected, your whole

8:31

body can die. Matter of fact, when I was in high school, I played quite a bit of baseball and softball. I played men's softball when I graduated.

8:40

And I was, I think I was just, just newly married, 15 or 16 years ago now. And I played

8:47

left field, which I always thought was, you know, kind of the wimpy place to be when you're in high school, and, but not so much in men's softball. In softball, left field is a place

8:57

where you will die, if you're not in shape. And so every ball was hit to me, and I was

9:03

completely out of breath. But there was one fly ball that came, and I dove, and I caught

9:08

the ball and landed on the chalk line. No big deal. Everybody applauded that I caught

9:14

the ball. Until about at midnight that night, I had a red line running up my arm. And the

9:20

chalk was made out of lime. So I was having blood poisoning and I didn't know it. So I

9:27

went to the hospital, and they said in an hour and a half, in the next ninety minutes, I'd be dead.

Because it had already reached my armpit. It was only four inches from my

9:35

heart, and once it hits the heart, it would have been dispersed into every part of the body, and I would have been (snaps finger) dead. No way to stop it at that point. And,

9:41

and of course, at that point is when I kind of freaked out. I realized that one false

9:48

mistake that affected my arm, that I'd cleaned off. Took a shower, no big deal, it was still

9:55

there. Even though I had a bandage on it. Everything I thought was fine, but that...

10:02

disease was unknown and was traveling in my bloodstream and life is what? In the?

10:10

Life is in the blood. And so there was death in my blood, my DNA, and I did not know it.

10:15

And where did it want to go? To my heart. Because if it can get to the heart, then it

10:22

will disperse itself to the entire body. This is why congregational leaders, and you - husbands,

10:30

are at the bullseye of the enemy. Because you are the heart. Yeshua is called the heart.

10:36

You are representative of the heart. Congregational leaders are the head of a congregation. They are representing the heart of Yahweh. So if he can tear down the heads and the hearts,

10:47

it will disperse itself into the entire body. One part just needs to be affected, infected,

10:54

and it will destroy your entire body. And so what we focus on, I believe, in most

10:59

Christian circles is we focus on doing, you know getting as clean as you, you feel that you're clean. And we forget that it's not about what you FEEL, because you can FEEL

11:10

like you're clean and be dirty. You can feel like you're all right before your King and

11:15

Matthew chapter 7, He can say, 'Depart from me for I never knew you. I don't really care if you raised people from the dead.' And I don't know about you, but I haven't raised

11:23

anybody from the dead lately. They did and didn't make it. So we better take a long hard look at our spiritual bodies and make SURE we are spiritually

11:32

clean, because the definition as she read earlier, of deception itself, is that you don't know you're deceived. It takes being somebody looking on your back side to see

11:43

if you have something pasted to your back side that says "kick me," "infect me."

11:49

Let's continue. How about the human eye? It amazes me that it's possible for people to

11:55

not to believe in a God, the God of the Bible, Yahweh. The King of Abraham, Isaac, and Jacob.

12:01

The eye alone is amazing. You can just look at it there, and just see the intricacies of how it works. We cannot even replicate the eye, ladies and gentlemen. That's how

12:09

smart we are. And it's only like an inch and a half wide. 1.2 million nerve fibers on each

12:17

optic nerve. 1.2 MILLION. Six million cone cells in each eye, which is -- allows you

12:25

to see during the day. And check this out, 120 million rod cells, which allow you to

12:31

see at night. Take one away, you can't see. 126 million cone and rod cells, just in each

12:42

eye. Watch this. Your eye vibrates or tremors over 50 times a second so that you can constantly

12:48

see. This was a new thing for me. I did not realize this. But how many have ever looked at something, and you could swear that things are shaking just a little bit. Matter of fact,

12:58

if you take lines and draw really, really tiny lines, real thin lines that are right

13:04

up against another, one another, you will actually -- it'll look almost psychedelic.

13:10

The picture will move on you. What's happening? What you don't realize, maybe some of you

13:16

do, but I didn't -- is that if your eyeball was static, meaning that it did not move,

13:23

because if you look at your eye, it looks like it's not moving, but it's moving over 50 times a second. Basically, that if you take a piece of paper and divide the thickness

13:31

of the paper into 50, that's how, that's how many times it's moving per second, okay?

13:40

If it didn't do that, you would look at someone's face and within three seconds it would turn totally flat grey. You wouldn't see anything. Until they smile, and then it would look like

13:50

'The Cat in the Hat.' It would just be like this swervy smile because something moved.

13:57

So the Father, our Father, is so incredible that He understood that, that you- your eyeball

14:04

has to vibrate, and what's it doing? It's vibrating 50 to 70 times a second, changing

14:10

position so that each of one of those vibrations creates another position which allows light

14:19

to come into that photo cell. That photo cell. And that, that, photo receptacle cell must

14:26

have light in order to see. This is a whole message. It must have light to see. If it

14:33

stays in one position and does not move, the light that it received before will turn to

14:38

darkness, because it is created to receive new light all of the time. If it does not

14:46

receive new light, it simply goes dark and you cannot see. So what you thought you could

14:51

see, you can't see, and the things that you thought you could see, you can't see, and the things you can see, you can't see. Because there's no light. Romans chapter 7.

15:02

So the bottom line is the eye is so complex, mankind can't figure out how to recreate it.

15:09

And if you take one part away from the eye- you can't see. So my question is how did we

15:14

find food as we were evolving? Because the eye had to just instantly at one time (makes

15:20

clicking sound and snaps finger) turn on for us to be able to see. In the same way, ladies and gentlemen, you are the eye. You are the body of Messiah.

15:31

He sees the world through you, and you see Him through your spiritual eye. In Hebrew

15:37

that's called Ayin, the letter Ayin. Insight, spiritual insight. If you stay stagnant in

15:44

the place that you are right now, or you're relying on the previous truth or light that you've had in the past, you will go dark. Your light will go dark. It will go dim at

15:54

best. You must constantly be shifting. What does that mean? It means that you are constantly

16:01

adjusting for the light. You're looking for the light. That's all that your eyeball is doing. It's looking for light. You in the same way should constantly be looking

16:10

for light. What is the truth that the Father wants to share with me right now? Because your spiritual body was created to accept the light. It already knows what to do with

16:19

it. You don't have to go okay, what do I do with this truth? I, what do I do with this light? What do I do with this, Father? Your spiritual body is created that when it

16:27

receives truth, it already knows what to do. That's called the Ruach. You see, the eye

16:34

just does its job, but it's connected to the brain. And the brain automatically begins to turn it into colors and shapes. And pretty soon, you, you walk and you live and you breathe

16:45

in those new colors. The Holy Spirit is the brain. It is the guiding principle inside

16:51

of you. All you need to do is constantly be adjusting, looking for truth in your life. In physical, as a former financial consultant, we call that an audit. When was the last time

17:02

you had a, a spiritual audit? Because what I'm experiencing in, in my office is people that are, that are saying, you know what? 'I feel like I'm okay, but I think I need

17:11

an audit. Because the fruit of my tree is dead.' Therefore, there must be something

17:19

wrong, and it's never Him. That means that there's something preventing your eye from

17:25

moving. Let's continue. How about the analogy of pipes? This is our body full of pipes. Everything is going in its proper direction. If you have

17:34

a house, then you have pipes, and you have lots of them and they're hidden behind walls. It's no different than your body. He's still sending messages even in the houses that we've

17:42

built. Everything is in order. So let me ask a question. Are you thirsty? If you are thirsty,

17:51

can I suggest this is what we have in most Christian circles today. We have water that's

17:56

coming out one drip at a time, and everyone's underneath the faucet just begging for the water to come out. And some of us have been in it for so long, we've convinced ourselves

18:06

this is all that comes out. But in reality, going back to your house. What happens if

18:13

water doesn't come out fully the way it's supposed to? What do you do? Do you go, "Well I suppose we're in a new dispensation now and this is just not the way it's supposed

18:21

to be." "Praise the Lord, we will accept this power of God, and we will be happy. And we will not complain." Or is it natural to do two

18:33

things? First, try to go down and make sure the water is on. Yes, the water is on. So

18:39

the water is coming in the house, and it's on full blast, but nothing's coming out. So from here to here there must be a leak, or something is stopping it up. If you can't

18:51

find it yourself, what do you do? Amazing. You call a plumber. A PROFESSIONAL that understands

19:01

pipes. You see, the deception in religious circles today, is that you can figure everything

19:08

out on your own, because "I have the Bible." Are you an expert in everything? Do you have

19:16

every spiritual gift? Did King David not call for prophets? Why? Because he wasn't a seer.

19:27

He didn't have the prophetic gift, so he called on the prophets, and that's what the kings did. And then the, and then the prophets, that's what they did. But they didn't have

19:35

the gift of mercy, I can assure you that. Never did you hear of a prophet in the Scriptures

19:43

that come up and say, 'Uhm, I'm just kind of feeling we shouldn't be doing this and,

19:50

but it's okay. I totally understand where you're coming from,...and I'm, I'm validating

19:55

your feelings that you really want to sin, but the Father's telling me that you probably

20:01

shouldn't do that, or He's probably going to blow up your city. And, I just... want to let you know. But I say that with all respect and shalom.

20:13

Prophets say it how it is! "You're in sin! You're going to die! You better turn around now!" But you have to have both, don't you? And when we get into the spiritual gifts here

20:24

in a few months, you're going to learn that most prophets are married to people that have the gift of mercy. That's the way that it works. We're attracted

20:31

to the very things that we're not. So we're going to find out where the pipe, what's going

20:39

on inside your pipes. In your spiritual body, you are a spiritual being. How many of you

20:44

understand that? You are not a physical being only. You are a spiritual being. Some of you

20:52

don't really, really understand that. Why? Because you can (smacks hand) you can touch this.

You can touch your flesh. You can touch your neighbor. You're sitting on the chair,

20:59

and it's not spiritual. Really? You're saying that something that God created is not spiritual? You see it's all how we perceive things, so we need to

21:09

find where our pipes are clogged so that we can have this. We want to fully be engaged

21:15

in the power of God. If you want the glory of Yahweh in your life, and you want the full blessing of the Father like we just experienced today in this wedding. You need to find out

21:24

what's clogging your pipes, and for some of you, you don't even know your pipes are clogged.

21:31

If you don't think your pipes are clogged, then we need to – we need to talk about the spirit of pride. Even I understand that I have pipes that are

21:41

still clogged. I know I have to. As long as I'm on this planet, I will have constant

21:47

cleaning of my pipes (snaps fingers rhythmically). And if I happen can't find it, I will find a plumber. I will submit myself to someone that has a spiritual gift that can look into

21:57

my life and say, "Jim, this is what's wrong." It is the spirit of pride that prevents us

22:03

from even admitting that we have something wrong with our life.

22:09

What is the standard, ladies and gentlemen? We say it's Jesus Christ, Yeshua the Messiah, in Hebrew. He walked along the sands, and He cast people out -- He cast demons out of

22:18

people. He healed the sick. He raised the dead. Why are we not doing that? He said we would do MORE, did He not?...or was He lying? Either He speaks the truth or He was just

22:30

a delusional rabbi drunk on the new wine. I want to suggest that we are the ones that

22:36

are drunk on horrible theology and religious doctrine.

22:42

And someone has taught us to come to church, but we don't actually be the congregation, the kahal. We don't actually have the power of the 1st century, because we're just in

22:51

a different dispensation. Hogwash! Our pipes are clogged. And we don't know it. We're

22:57

deceived. We have become Adam and Eve, not knowing good from evil. Ephesians chapter 6, we know this, but I'm going to read it because it's going

23:06

to mean something to you by the end of this message. "For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the

23:13

darkness of this age, against spiritual hosts of wickedness in the heavenly places." He could have just said we don't wrestle against flesh and blood; we wrestle against demons.

23:21

He went far beyond that and said against principalities. That means that there's a hierarchy.

Against powers, against rulers of the darkness of this age. Against even the spiritual hosts

23:30

that are under them of wickedness in the heavenly places. We're not in the heavenly places.

23:36

We do not fight – your, your enemy is not your spouse. Even in the depths of your arguments,

23:43

your enemy is not your spouse. You are fully deceived and under the influence of 'Radio

23:48

Devil,' and you don't even know it. You are a vessel and a vessel only. You will either submit to one kingdom, or you'll submit to another kingdom. Either you will produce

23:57

fruit from this tree, or you'll produce fruit from this tree. You can't create fruit! You

24:03

simply align yourself with the DNA of which kingdom or seed, and it grows inside of you

24:09

and produces fruit. It is the deception of the enemy to create in our minds that there is a third kingdom called 'our own.' And that is how he tricks us, is to thinking that

24:20

we own, and we're the king of our kingdom. And as long as you're the king -- king of your kingdom, he'll let you keep believing that; because you're actually under his kingdom.

24:30

And he is your king. Let's continue. You want to know what the word satan is in Hebrew? It's satan. Here's what it looks like. It is a Shin. It is a

24:43

Tet. And it is a Nun. And if you've been following the Hebrew alphabet series that I've been doing, on the Paleo-Hebrew, then the next, the very next letter that we haven't

24:52

learned yet is Shin. And Shin is like teeth. It's the all-consuming fire. It can be destruction

25:01

on the negative side, or it can be the fire of God consuming the enemy on the positive side. Tet, as you know, is a circle with an X. I talk about that one infinitely. It is

25:13

the snake in the basket. It even looks like a snake. And it can mean 'surround.' It

25:21

surrounds you, and you must make a decision. If you make the right decision, then you consume

25:27

the snake. You charm the snake, and you go on to the next letter which is Yod, which is the right-hand power of God. If you don't, then you're stuck with the snake in the basket,

25:36

and he surrounds you, and the letter Nun at the end there, and that's a final nun, because it's the end of the word. It means life. It's a sperm is what it is. It's like a fish,

25:45

and it produces life. Agriculturally, it's a plant that comes out of the ground.

25:50

So what actually, what satan means in Paleo-Hebrew is the all-consuming fire or teeth that surrounds

25:58

life. That's what ha'satan does. The adversary. The adversary sinks his teeth into you, surrounds

26:09

you, and protects you from life. Because from his perspective, he does not want you to have

26:18

life. So he surrounds you and prevents life, 'chai', from coming into you. He is the

26:25

surrounder. He is the revealer of death. How does the enemy get a foothold in our lives?

26:36

You know, we always say okay, well, through sin, through all this, through that. I'm gonna suggest to you that the number one way that the enemy gets a foothold in our lives is

26:44

through this. (points to head). It is through your mind.

26:50

You know science is beginning to catch up with this, and they're beginning to understand that frequencies make you do things. Subsonic frequencies can make you go to the bathroom.

27:02

Other frequencies can make you, subconsciously, they can take one frame, one single frame of a movie, and they can put one or two frames up there and you won't see it in your regular

27:14

conscious, but your subconscious will go 'I want popcorn.' Well that's the little slide they put up there. Go buy popcorn, you're hungry. And they've also learned that if they

27:22

combine that with a particular frequency that it stimulates hunger. Isn't this fascinating?

27:30

In the same way, there are frequencies moving throughout the universe at all times. Frequencies that we can't even see. You can't see them now, but you feel them. If we play a pitch

27:40

high enough, you'll get a headache. How is that possible? So there are frequencies that

27:46

you cannot physically hear. There are frequencies in the spiritual realm that have the ability to plant thoughts in your mind, that are not from Yahweh. And because we are not trained
27:56

to recognize them as such, we entertain them. And the longer you think, the more that you
28:03

don't know that you're aligning yourself with a spirit. You will do what you think.
28:11

And that's how he plays the game. Get into the mind, the rest of the body will follow.
28:16

It starts here (points to head) then it actually goes to your heart (points to chest). Once it goes to the heart, he knows that the whole rest of the body will follow.
28:25

In golf we call, 'the game of seven inches.' I played golf the other day, and boy I can
28:30

tell you, it's a game of seven inches. You know why it's called seven inches? Because that's about how far it is from one ear to the other. It's a game of seven inches. It's
28:39

a game of thought. It's a game of, of, really, conviction. You know why? Because here's the
28:46

peanut gallery. A guy that plays golf, professionally. One of the first things that they'll teach
28:51

you. I've had several lessons in my life. I'm by no means a professional golfer, but
28:58

I know this to be very, very true; that one of the very first things that they'll teach you is that you must know why you do what you do. Because if you stand up there, and
29:07

you're Tiger Woods, and you're teeing off, and you've got 500 people watching you, and only one person just blurts out, 'You're dropping your arm.' That's all it'll take
29:18

and that will spin in that professional golfer's head after he shoots a bad shot, he'll go,
29:23

'Man, I wonder if I dropped my arm. I wonder if he's right.' So he'll start raising his arm. Not knowing that that person who said that was a plant from one of his other
29:32

competitors to get into his head. Because once you get into the head of an individual, you control the individual, you see. So the number one rule in golf is 'you must
29:43

have conviction.' You must have conviction. You have to know exactly why you do the things
29:49

that you do. You have to know why you grip the club the way that you grip the club. You have to know why you swing the way that you do. You have to know why you even choose the
29:58

kind of ball that you do, because if someone questions you on exactly what you're doing;
30:04

if you have any doubt, whatsoever, you will not be able to follow through. Is this making
30:10

sense? You will fall apart. Your game will fall apart. In the same way your spiritual life, you must know why you do what you do. If you don't

30:19

know why you do what you do, if you don't understand the mechanics of the spiritual realm, you will be owned by your enemy, and you won't even know it.

30:32

You know, you don't hear this from pulpits very often, but did you know that you can be saved and fully in bondage to the enemy? Some of you have lived that life. I look at

30:43

life -- your spiritual life as a pie graph. You have lots of different categories,

30:49

only one is salvation. So you may be saved, but you're miserable. Why do you think you're

30:54

miserable? Because he owns every category in your life, and you don't even know it.

30:59

1 Chronicles chapter 21 says this -- if you want to turn with me in your Bibles, you

31:05

might get there before I do -- it's an amazing -- I'm gonna read just a few verses. "Then Satan - ha'satan - stood up against Israel and moved David to number Israel."

31:16

And the story goes on to talk about Satan stands up against Israel, and he moves David

31:22

to number the Israelites. They're getting ready to go into battle and David against Hashem, against Yahweh's command, numbers the Israelites. You know why? Because he wants

31:32

to see if he can beat the enemy. So what is he relying on? He's relying on his physical

31:39

strength, in the physical realm, to decide whether he can win this battle that he thinks is physical.

How many times did Israel destroy their enemies with like five people? Doesn't

31:50

take much. But what I want you to see here is -- How did ha'satan, how did the enemy

31:56

destroy and get David in big trouble? BIG trouble, if you read the rest of the chapter.

32:03

He moved David, and put a thought in his head. (speaks in a whisper as the enemy) "I think

32:12

you should number the Israelites." [David says] "I think I should number the Israelites. That's exactly how it happened. David thought it was his thoughts and because he did not take captive

32:21

that thought and discover whether it was from one kingdom or the other, he bought into that thought and it got him into big, big trouble. Even in the Tanak. Almost 4,000 years ago

32:33

you see ha'satan working in the mind. It's all in your head.

32:38

2 Corinthians 11:3 says, "But I fear, lest somehow, as the serpent deceived Eve by his craftiness, so your minds may be corrupted from the simplicity that is in Christ."

32:47

See the corruption starts in your mind. So really tonight, we thought we were talking

32:52

about, you know, frequencies and you know, 'Radio God' and 'Radio Devil' and these things.

No we're not. We're talking about the mind really. Because it's all

32:59

about owning that. Who owns it? Romans 12:1, we need to renew our mind. "I

33:06

beseech you therefore brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed

33:15

to this world: but be transformed by the renewing of your mind." That word is mikvah. It's,

33:21

it's connected to being immersed. It's refreshed. It's knocking off all that's unclean that you may prove what is good, acceptable and perfect will of God. By default, you cannot

33:32

prove the will of God if your mind is not cleansed and is owned by Him. You will actually

33:38

do the will of Satan in the name of God. And we'll talk about that in a moment.

33:47

Why don't we see many demons in the Old Testament, by the way? Anybody ever asked themselves that? Like they show up all over the place in Matthew. I'm going to submit to you,

it's

33:58

because the Light hadn't come yet. They'd been there the whole time. We see them, periodically,

34:04

here and there. But when the Light came, it EXPOSED what had been there all along. When

34:12

Yeshua showed up, they're everywhere. And they're scared, because they fear the Light.

34:18

They're actually very wimpy. The Father showed me a dream once, no joke.

34:24

Very, very real dream. Matter of fact, I'll just tell you the dream. Maybe it'll impact

34:32

you, as it has some others. But I had this dream that- I was fishing in a boat. And I

34:40

was catching fish. I was fishing for fish, and I knew it was a spiritual analogy even in the dream.

And I got this big bite and up comes what I think is this giant fish,

34:50

and all of sudden it comes to the surface, and it's about an 18-inch baby. That is,

34:57

that is a, an old man, REALLY strong old man. And he jumps from the water for my throat,

35:05

with his sharp teeth, for my throat. And I grabbed him by the neck and threw him down in the water. Instantly, the dream went to a hallway. And I'm in a hallway. And as

35:14

I'm standing in the hallway, there are people all over the place, in this hallway on the right-hand side and on the left-hand side there was a piece of glass that went all the

35:22

way down the hallway with one seam in it from top to bottom. And on the left-hand side inside the glass were all of these old, naked men just standing there lifeless and motionless.

35:37

And as I was looking, I noticed that nobody was even paying attention. I thought, even in the dream I thought, this is really bizarre. No one even can, they can't see, they're

35:46

not even paying attention. This is crazy. And they were all -- these were all Christians.

35:51

These were all people that believed in Yeshua. And so as I'm looking, all of sudden there

35:56

was one that stood heads and shoulders above all these other demons, at like 9, 10 feet

36:04

tall. He was bald, old man and INCREDIBLY strong. It was this baby that had grown up

36:13

into a strong man. When our eyeballs met, there was something that happened, and the sea of men, emotionless just moved out of the way. As it was separating

36:25

me from him was just a pane of glass, and a seam. And he came, and he barged for me

36:31

and I never moved. Never had an emotion. Never had fear. And he hit the pane of glass, and

36:36

he bounced back. No one is seeing anything that's happening. No one's paying attention. They're all doing their own thing and that's great. And he goes back and does it again,

36:44

bam. And the third time, he hits it right on the seam, and it cracks the seam. And at

36:50

the moment that he cracked the seam, all of these people, these old men, these demonic

36:55

beings, woke up and everybody on this side of the hall woke up and turned to the seam.

37:01

You could hear a pin drop, as he comes out, as all these demons come out the seam. They

37:07

just pushed their way out of the seam. Everyone's chaos, and they're touching people and they're just falling to the ground. They're just touching them, and they're falling to the ground. Boom,

37:15

boom, boom, boom, boom, boom, boom. And I'm standing there and then all of a sudden, down the hallway is this strong man, head and shoulders, and he looks at me in the eye. Everyone stops

37:24

as if they all saw him look me in the eye. They move out of the way again, and he comes

37:29

straight for me barreling towards me just like this little baby did, from the fish.

37:35

the water, the river. The Holy Spirit in the dream told me to put my hand out, and He told

37:41

me to speak in tongues. And I did. I had no idea what I was doing. I wasn't scared. And

37:49

he literally -- this giant of a man -- hit my hand right in the neck, and it was like

37:54

he turned into feathers. Nothing. And I just threw him down on the ground. He got back up, and did it again the second time. Took him by the neck, threw him down. Third time,

38:03

took him by the neck, threw him down, and it was gone on the third time. It was completely gone. It was over with. And the Holy Spirit told me to not stop praying, and to walk around

38:12

and to touch people, and they would just come back to life. And they just came back to life. Bewildered, they come back to life. And the dream ended with just touching all of these

38:19

people, as we were walking down the hallway. And the people of God began to wake up to

38:25

what was right in front of them the entire time. The danger.

38:32

My wife, just last week, had a dream. That was like ten years ago. Since then I've had

38:41

three instances of, of my life being attacked by strong men. My wife had a dream just last

38:52

week, hasn't it shared it with anybody. She shared it with me. And she said that she was

38:57

-- the end of the dream she had all of these demons that were old men. That were trying to catch our family, to kill our family. And she ended up on top of our refrigerator,

39:07

as she looked down. And there was, she said, a foot and a half old, naked, strong man crawling

39:15

up the refrigerator. And right before it reached her, she woke up. Coincidence? I think not.

39:25

The demonic realm is very, very real. And the more light that you get attached to, the

39:31

more truth that you absorb into your life, the more activity you will see. And the more

39:39

clean pipes you will see. My job tonight is to let you know, and we will run a little bit late, because this is such an important topic.

39:47

You need to know the mechanics of how this works in the spiritual realm, because when you understand it, you can see it, and you can change it. You can change the destiny.

39:56

You can change the kingdom. I don't know about you, but I just don't want to be saved. I want to live this thing called John 3:17 of the abundant life.

40:03

The power of Yahweh. I want to walk up to someone and say, I don't know your name, but here's what happened to you yesterday, and here's the things in your life that need to

40:09

change. Your choice right now, A or B. Yeshua had that. Yahweh's name needs to be put back

40:17

to where it was. He does have power. The oppressor. Acts chapter 10 verse 38 says, "How God

40:24

anointed Yeshua of Nazareth with the Holy Spirit and with power: who went about doing

40:29

good and healing all that were oppressed..." Do you know what oppressed means? This is

40:35

amazing. I looked it up in the Hebrew. Strong's number 2216 in the Greek. 'To exercise harsh

40:40

control over one, to use one's power against one.' To exercise harsh control. See, the

40:49

word oppressed is like, you know, it's going -- he's just kind of bothering you. The biblical

40:55

word 'oppressed' is exercising harsh control over you. I don't know about you, but that's a pretty good definition for POSSESSED. You choose

41:09

which English word you want to use, but both the Greek and the Hebrew are very clear. It's full

control. The Hebrew word is amar. There's two Hebrew words for oppressed. One is to

41:20

say or to speak or to utter. To answer. To say in one's heart. To think. To command.

41:27

To promise to intend. What does, what does ha'satan do? He accuses! He speaks against

41:33

you. He commands. He promises things that aren't true. He intends to speak into your

41:39

life. Why? Where did he learn that? He didn't make that up. Yahweh wants to speak into your

41:46

life. It's a race. Which ear? To be told. To be said or to be called. To boast or to

41:55

act proudly. To avow or to avouch. The second word is baqa. Baqa: to split, cleave, break

42:04

open, divide, break through, rip up, break up, tear, or to bind. So when the enemy oppresses

42:11

you, this is what's really happening. He speaks to you into your mind for the purpose of breaking

42:16

up, breaking open and dividing you from the truth. And the thing that's scary, if there

42:22

is anything scary about the spiritual realm, is that it can happen to you, and you won't know it.

You won't know it. This is why community is so important. You

42:33

want to be an independent Hebrew contractor? Fine! You will be in bondage the rest of your life.

Because the enemy, it's only a matter of time, before he takes over an area of your

42:42

life, and you won't know it. Just like the young woman said, you HAVE to

42:48

have someone in your life. If you don't have people that are spiritual, that have spiritual

42:53

gifts, living with you, communing with you, that know you and understand you. you. won't.

42:59

see. it. 27 years she had an unclean spirit in her life, and she didn't even know it. How long did it take to go? One flashlight. Been found

43:10

out. This in turn will bind you. Yahweh wants to bind you together. Did you know that? See

43:19

the enemy does the same thing! The counting of the omer. We're in the counting of the omer right now. In between Passover and Pentecost, Shavuot. It is the time where you count the

43:29

seven weeks. For what is the omer? He - it is the taking of the binding of first the

43:34

barley at first fruits, and second the wheat, at Shavuot. And you bind them together. You

43:39

are the wheat. You are to be bound with one another in covenant. Both in marriage and

43:44

in community. Bound with one another. That is where protection is. That is where life

43:50

is. So what does the enemy want to do? BIND YOU

43:55

with him. Bind you with him. Watching National Geographic, the other day, or Discovery, I

44:01

always forget which one it is. I get so excited, because everything that I do – I guess,

44:06

maybe it's because of the calling on my life; but I can't see anything but spiritual

44:12

messages everywhere. So I'm watching, and I see a herd of bison

44:17

in North America, north, whatever you call, the North pole. Thank you. Why am I saying thank you? Thank you, Lord. (points up). The North Pole. So there's a herd of bison in

44:27

the North Pole, and then there was these wolves, a pack of wolves. And they want to eat the bison. The only problem is a wolf is really small compared to this giant land animal.

44:35

You ever stood up next to a bison? Very, very large animals. Not going to happen. So you

44:41

know what the, the, the strategy of the wolf pack was? They would surround the bison- letter

44:50

Tet, right there. Then the next thing they were going to do, is they were going to make the bison make a choice. Because what they're going to do is send one demon, aka, a wolf

45:02

-- in sheep's clothing; and it's going to just not attack the bison by any means, because

45:09

he knows he cannot take down a bison by himself. He will simply run at the bison between their
45:14

legs, right at the center of the herd. And what are the herd going to do? They will split.

45:22

And now the bison have to make a choice. This is the whole point of the Hebrew letter Tet. I told you all creation cries out. This is ha'satan, right here, literally, ha'satan.

45:32

The teeth, Shin. The Tet, surround, the teeth surround life, the bison. They will come in

45:42

and split. The bison has to make a decision. If they make the wrong decision what happens is, is the wolves, if they do this enough times, it will create enough chaos where one

45:52

bison will think the bison are going this way and the other herd goes this way, and he'll accidentally go the wrong way. He'll separate himself from the herd, and

46:02

all the wolves in unison at one time will, will surround that bison and attack. They

46:08

leave the rest of them alone. They don't want all of the bison. They only want one.

46:15

The job is to – the power of the bison was in the herd. It was binding together in

46:23

covenant, in community. What did the wolf want to do? Separate him from the herd. Surround

46:29

and do the same thing. Bind them with the teeth. And those wolves took down that giant,

46:37

2,000-pound bison (snaps finger) just like that. It was absolutely incredible. And I thought, there it is. Even the Father is trying to give us a hint of how the enemy works in

46:46

our life. Divide and conquer. One purpose, John chapter 10 verse 10 says, "The thief does not come except to steal, kill and destroy. I have come that have life and that they may

46:55

have it more abundantly." I want this life more abundantly. If you don't

47:01

have a life more abundantly, ladies and gentlemen, then you have a thief in your midst. Just admit it, because that is the first step. You must admit it. You cannot continue to

47:10

pretend that everything is okay. You cannot continue to say, 'Well, I love my wife.'

47:17

Because if you don't have the fruit, and your wife doesn't feel like you love her, then you don't. You have a thief in your midst. You need to discover what it is. And sometimes

47:28

you need someone to help you. So here are the three main doorways, we talked about last week, that the enemy gets in. The first one is generational curses. These are

47:35

not your fault. These are from the sins, the Bible says, the sins of your forefathers that

47:41

are visiting the third and fourth generation. Number two, traumatic events. The traumatic
47:47

events that happened in your life. This is one that we don't ever look at. So number one,
generational curses. Number two, traumatic events. And number three, your own sin can
47:57

cause unclean spirits to attach to you. Just like the Spirit of God wants to attach itself
48:02

to you and go deep into your DNA, heal you of everything that's wrong with you. So the
48:07

enemy, those evil spirits want to cling to you, get in your DNA, create disease, unclean
48:14

thoughts, and paralyze the blessing of God, because do you know, the blessing of Yahweh only
comes through one thing; obedience to His Word.

48:22

How do I know that? Because He said so. "I set before you blessings and curses. Blessings if you
keep my commandments. Curses if you don't." The problem is that if we're breaking

48:31

commandments, that we don't even know exist, then we're bringing curses into our life that we
don't even know why they're there. This is why we have to read the whole book from

48:40

beginning to end. We need to know what Yahweh -- His design for us, what He has purposed
48:45

for us. If we don't believe in the Shabbat, you're probably going to have a messed up family.
85 percent chance, based on my opinion of what I see in marriages. If someone doesn't

48:57

believe in Shabbat, they're working seven days a week, or they don't take time out for their
family, chances are their children are not going to serve the Lord. They're going

49:04

to have a messed up marriage. And they're going to have chaos, or they'll just have some sort of
order but not the fullness of life. You know what that's called? A curse.

49:13

And sometimes the greatest curse on your life, like I've said this before, is the blessing that you
don't even know you're missing. Generational curses. If you don't believe me, Leviticus

49:23

chapter 14:18 says, "Yahweh is long suffering, great mercy..." Praise the Lord. "...forgiving
iniquity and transgression and by no means clearing the guilty, visiting the iniquity

49:32

of the fathers upon the children on the third and fourth generation." Anybody that knows
49:38

anything about alcoholism, will know that a husband - that a father that is incredibly
49:44

into alcohol, when his son gets that same spirit and becomes an alcoholic and is fully
49:50

mature, you'll notice that the father won't drink as much, because the spirit is transferring
49:56

itself to the next generation, because that's what it's really concerned about. It's already destroyed the previous generation, it wants to destroying anything that has blood,
50:06

because life is in the blood, and when he sees a newborn baby child, that is the image of God. I will destroy it. That's why cloning, he's trying to do. That's where GMO's come
50:15

from. Everything that he wants to do is destroy plant, animal, and human life and just change
50:20

it. Because he wants to remove the possibility of seeing the image of Yahweh in this earth
50:27

realm. Generational curses are really important. We need to discover what they are and do they -- do you have those spirits in your life that your father had. How many said, 'I
50:34

will never be like my dad? My mom?' How many of you said something or did something
50:41

and you went, 'Whoa, that sounded just like my dad.' It may not be a coincidence.
50:55

Traumatic events. Highly traumatic events can be physical, emotional, psychological,
51:01

or sexual. This is, in my opinion -- well, I guess they're all number one, because they
51:07

are so powerful, but it is so amazing to me. These are the, this is the number one most hidden way the enemy gets into your life. Something traumatic happens. What can it be?
51:17

Unexpected death of a loved one. Hugely traumatic in your life. The enemy gets into your mind,
51:24

which is connected to your will and your emotions. That's called your nephesh, your soul. It's
51:29

what dictates how you live your life. So when he gets into your mind and your emotional system, that's how Yahweh speaks to you. He uses your mind which is connected to your
51:40

emotions, and it causes the seat of your emotions for you to obey Him. This is how I know when
51:45

someone meets with me, when I know that I have hit a nerve is because the emotional system will come up in that topic. That's how we knew what her issue was. Holy Spirit
51:58

said mention this, I mentioned it, bam. Flood of emotion. What's happening? The Holy Spirit
52:05

is REVEALING through the emotional system. So when you have a traumatic emotional event
52:12

happen in your life, there are two entities trying to vie for that. The enemy and Yahweh.
52:18

When the enemy comes in, if he takes control of that situation, and there's no, no analytical
52:25

audit of that moment or you don't have anybody to help you through that process, and process
52:30

it properly, the enemy will take control in that area, and he'll seep down into a dark
52:37

place, and you won't know it. Divorce. Incredibly, powerful moment. Broken
52:47

hearts. A broken heart can leave, can go on for 27 years.
52:53

Abuse. Physical, emotional, mental, or sexual. It doesn't matter. Abuse. The enemy loves
53:03

that. Loss of a job. It can be things that you would not even expect, and what do they
53:09

do when they come in? That spirit of anger. The spirit of resentment or retaliation or
53:14

jealousy, wrath, murder, whatever those spirits; when they come in, they come in at that moment,
53:20

and then what happens? You kinda learn to live with it. You're not so angry anymore.
53:25

The event is over. You've kinda gotten over that death, that divorce, that this, that
53:30

that, that molestation when you were eight years old. But they sit there waiting, because
53:38

they were never told to leave. And you thought it was just an emotion. Oh, I had the right to be
angry, because my spouse cheated on me. Really? Where is that in the
53:46

scripture? You don't have an emotion of anger. It's a spirit of anger that is traumatizing
53:55

(snaps finger) you at that moment. It sees an opportunity. Someone sinned and broke the Torah
against you, so it shows up and says, 'You have every right to be angry. Can you
54:03

believe they did this?' And you justify your sin of being angry at them, as if it's
54:10

okay to be angry. It's a spirit of anger that you absorb into
54:16

your life, and then once it goes in, it roots and then bitterness takes forth. You retaliate, and the
system goes on and on (snapping fingers for emphasis). And it paralyzes you to become
54:24

who you were really created to be. How do I prove that? You say, 'It's okay. The bible says to be
angry and not sin.' Really? It does say that. Are you sure you're interpreting
54:36

that properly? Because my God, when I sin, gets angry at the enemy. For me, He dies.
54:51

When was the last time you died for your spouse? When was the last time you died for your
neighbor? When was the last time you died for your enemy? How about personal sin?
Deuteronomy 11:26
55:03

says, "Behold I set before you this day a blessing and a curse. A blessing if you obey these
commandments of Yahweh your God, which I command you this day. And a curse,

55:11

if you will not obey the commandments of Yahweh your God.” Now whether you believe it or not that the commandments are for today, 1 John chapter 5 says that, ‘Here's the love

55:17

of God. Those who keep His commandments love Him, and His commandments are not burdensome.’

55:27

When we break the holy Torah. Sin is the transgression of God's law, is it not? 1 John 3:4. So when

55:34

we break God's holy law, what we're doing is we're transferring the government from where we are in the Kingdom of Yahweh to the kingdom of ha'satan. This is why God has

55:43

no right to protect you. None. He has no legal right on this earth because He doesn't own

55:48

this earth. Excuse me. He owns it, but it's rented right now to the god of this world

55:53

according to the scriptures, ha'satan. He is the god of this world. He legally owns it, 'cause we gave him the keys through our forefathers when we disobeyed. When we

56:00

disobeyed, and we ate from the tree of knowledge of good and evil, we are handing the keys in our life in that category to ha'satan. And we are saying you own me right now. I

56:11

am willing to submit to you. When that happens, the light of Yahweh cannot

56:16

save you. This is why the consequences of sin are great. He cannot save you from the

56:22

consequences of your sin. He has no legal right to do that. The only way that He has

56:27

the legal right to ever save you from your sin is through one single word: Faith. When

56:34

you repent through faith and humility, that brings about the light from that Kingdom into

56:39

the darkness of this kingdom, and when you take a beam of light and you shine it as a spotlight like it's on, on this stage right now. Then that area becomes owned by the Kingdom

56:50

of Yahweh. And you're able to walk from the kingdom of darkness to the Kingdom of Light.

56:57

And he cannot touch you, because where the light goes, it dispels the darkness. This

57:02

is why truth is so important. This is why doctrine is so important. We say, ‘Ohhhhh, it's just all about the Spirit of God.’ The Spirit is God and God is Truth.

57:12

If we don't understand the Truth, and we don't understand proper doctrine, and we don't audit our lives, then how do you know that you're not deceived, and you're walking in darkness?

57:21

This is what he says to His disciples. Don't walk in darkness. What's he talking about? The kingdom of the enemy where I'm not. If you walk in darkness, I can't save you. Because
57:33

there are only two kingdoms: darkness and light.

57:40

The only thing that extracts you from one side to the other is faith. Either you're going to have faith in Yahweh, and He will pull His Light over the darkness and let you

57:49

walk in it freely. Or you will have faith in the enemy or yourself, cause that's how he tricks it. 'Oh, I can deal with that. I can deal with this trauma.' No, you can't!

57:59

You're not created to deal with trauma by yourself. No different than that buffalo is
58:06

not created to deal with those wolves by himself even though he's 2,000 percent more than,
58:13

than what they weigh. We're meant to be with one another. So let

58:21

me ask you, which kingdom are you living in, in parts of your life? Philippians 4:8. Read
58:27

with me. "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatever is lovely, whatever things
58:34

are a good report, if there be any virtue, if there be any praise, think on these things." This is your barometer. This is your temperature gauge. This is how you decide which kingdom
58:43

you're listening to. Galatians 5:19 says, "Now the works of the flesh are manifest,
58:48

which are these: Adultery, fornication, uncleanness, lascivious -ness..." That's a hard work
58:59

to say. "...idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, envying, murder, drunkenness, revellings, and such like: Of the which I tell you before,
59:07

as I have also told you in time's past, they that which do such things shall not inherit the Kingdom of God." We're going to come back to that in the minute.

59:14

You'll know them by what? Galatians 5:22, "But the fruit of the spirit is this love, joy, peace, patience, kindness, gentleness, faithfulness, and self-control. Against

59:23

such there is no law." What does that mean? That means that if you walk in these things
59:31

there is no Torah that will be against you. That's what it's talking about. Why? Because
59:40

that is the Torah. You'll be walking in it. It won't be against you. 2 Corinthians 10:4, "For the weapons of our warfare are not carnal but mighty through

59:50

God to the pulling down of strong holds casting down..." What? He could have picked any word on the planet, and He chose "imagination" cause that's where it's at. "And every high
59:58

thing that exalts itself against the knowledge of God." There you go in the mind again "Bringing into captivity every thought to the obedience of Christ." He could have
1:00:05

said don't sin, don't do this. He's talking about the mind because that's where it's at. We must take every thought captive. Luke 11:21 says this, "When a strong man
1:00:16

armed keepeth his palace, his goods are in peace. But when a stronger than he come upon
1:00:22

him -- talking about Yeshua -- and overcome him, he takes from him all his armor wherein he trusted and divides his spoils. He that is not with me is against me, and
1:00:30

he that gathers not with me scatters. When the unclean spirit -- check this out
1:00:35

-- is gone out of a man, he walks throughout dry places seeking rest and finding none,
1:00:41

he says I will return to my house from which I came out and when he comes he finds it's swept and garnished. And then goes out he and takes him to seven other spirits more
1:00:49

wicked than himself. They enter in and dwell there and the last state of that man is worse than the first." Two things, I want to point out in this sets of scriptures.
1:00:57

Number one, there is such thing as unclean spirits. 'Cause amazingly I meet people
1:01:02

that don't believe in Satan. They don't believe in unclean spirits. They're everywhere you
1:01:09

don't want to be. Number two, they have a mind of their own. And their mind is to control
1:01:16

you to live in your house. That's what they want to do. They want to live in your house
1:01:23

because they want to live in your house and they want to control you. That's what they do. We want to make sure that, that our house
1:01:32

-- you see, here's a problem that I've struggled with forever on this. Is that, wait a minute, they come back to the house and it's swept and it's garnished. How did they
1:01:38

get back in? Thirty minutes, I meditated on this verse. I'm like, I'm getting nothing
1:01:44

done. Holy Spirit you're going to have to reveal something to me here, because how is it possible for them to come back in, because I know they can only come in from generational
1:01:53

sin, trauma, or personal sin. I'm not seeing that here. I forgot oh, maybe I should read
1:02:00

the rest of the book. So I kept reading. "And it came to pass as he spoke on these things

1:02:05

in the middle of him speaking on these things a certain woman of the company lifted up her voice and said to him, blessed is the womb that bare you and the paps which thou hast

1:02:14

sucked. But he said, yea rather, blessed are they that hear the word of God and keep it.”

1:02:22

So, wow, revelation hit me. This gentleman was delivered from an unclean spirit, and

1:02:32

then when they came back, they tempted him and he absorbed it; which mean he sinned and

1:02:37

he let in seven more worse than before. That's why Yeshua, in the same conversation, is tying

1:02:44

it in. Saying blessed are those -- no, no, no. Not blessed just my mom. Blessed are

1:02:51

those who keep the commandments of God for they will not be taken over by the enemy.

1:02:57

And the whole chapter is about the enemy. Romans 13:12, “The night is far spent, the

1:03:03

day is at hand. Let us therefore cast off the works of darkness. Let us put on the armour of light.

So what does the armor of light look like? Looks like Ephesians chapter 6.

1:03:11

“Put on the whole armour of God that you may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood but against principalities and powers

1:03:18

of this present darkness. Verse 13, wherefore take unto you the whole armor of God that you may be able to withstand in the evil day...” Not just one. “And having done all to stand,

1:03:30

stand therefore having your loins gird about with truth...” Truth protects your loins, your reproductive system. “And having on the breast plate of righteousness...” That

1:03:39

means you do righteousness. It's doing the right thing. In Hebrew it's, and in Greek,

1:03:44

it's keeping divine laws. Look it up for yourself. “And your feet shod with the preparation

1:03:50

of the gospel...” the good news that you do not have to live in darkness. “Above

1:03:56

all take on the shield of faith...” so every, out of every part of the armor, the shield of faith is the most important because it is the only thing that's going to “withstand

1:04:03

the darts of the wicked one.” Where does he--, where does he, shoot the darts at? Your feet?

Your heart. It's your heart. “And take the helmet of salvation and the

1:04:15

sword of the Spirit which is the word of Yahweh. Praying always with all power and

supplication in the Spirit and watching...” You know what that means? That means you better figure

1:04:22

out what it means to pray in the Spirit. You better make sure you are praying the will of Yahweh. Not your will. Some of you wonder why your prayers aren't, don't get answered?

1:04:30

Maybe you're not praying in the Spirit. Maybe you're not praying His will. Maybe you're praying your will. "And watching there onto all - perseverance and supplication for all

1:04:41

saints." That's why it says, you have to have the whole armor of God. Most of us walk

1:04:46

around naked with a helmet of salvation. Bring it on Satan! (stands in defensive stance to

1:04:54

illustrate point). Don't picture that, okay. Make sure you edit

1:04:59

that out. That's a good time to take a drink. We need to have the whole armor of God. In

1:05:09

the same way that there is armor of Yahweh, there is the armor of the enemy. It works identical.

The armor of the enemy is the opposite, and we talked about that last week. Shield

1:05:23

of faith is the shield of disbelief and so and on so forth. Turn with me to your bibles to Daniel

chapter 10. Matter of fact, for the sake of time I'll

1:05:33

just tell you what happened, and believe me you can look it up for yourself. Daniel's praying for 21 days. He's fasting, and he's praying. Nothing's happening. All of a sudden

1:05:41

on the 21st day, an angel shows up and says that, 'I've been withheld. I was dispatched

1:05:47

the moment that you started praying and fasting. But I got held up by the prince of Persia, and it was Michael the archangel that came and helped me out because of your prayer.

1:05:56

Now, I'm here to give you a vision.' A vision that would change eschatology forever. A vision

1:06:03

of the end times, our times. We are thankful, ladies and gentlemen, that we know in part,

1:06:11

how the end of the world is going to end; because one guy got on his knees and prayed

1:06:16

and fasted before our King. And you think your praying and fasting only affects you?

1:06:25

It affected generations, ladies and gentlemen, because of prayer.

1:06:31

Chapter 9 of Luke verse 38 and so on says, "And one of the men that crowded -- in the crowd cried out and said oh, teacher I beg of you to have mercy on me. I have only

1:06:38

one son. And the spirit seized him, and he suddenly cries out and gnashed his teeth and foams."

Sounds like epilepsy. "...it hardly leaves him when it has tormented him, and

1:06:49

I besought your disciples to cast it out and they couldn't do it. So Yeshua answers politely,

1:06:54

and says, 'Oh, crooked and faithless generation. How long will I be with you and preach to you? Bring your son here. And as he brought him, the demon attacked him, convulsed him.

1:07:03

And Yeshua rebuked the unclean spirit and healed the boy and gave him to his father.

1:07:10

So the disease was connected to the unclean spirit, and Yeshua cast it out, then healed him, gave him back to his father. I could only find one, one miracle connected

1:07:20

to a person in the New Testament that was not connected to a demonic spirit. And that was the blind man who was born from birth for such a time as this. Everything else that

1:07:30

I could find, there might be 1 or 2 more, but everything else that I could find was all connected to unclean spirits owning people. Sickness. Disease. We get sick, first thing

1:07:42

we do is call the doctor. Instead of calling THE Doctor. Instead of doing what the bible

1:07:48

says, and come before your elders and be anointed with oil, and pray and tell that spirit is to leave, if that's what it is. I'm not saying all diseases are coming from spirits. But

1:07:58

my experience is that, if the bible is proportional to what we're supposed to look at, then over 90 percent of our diseases are caused by unclean spirits in our life.

1:08:05

Because 90 percent of the people he healed had an unclean spirit in them. Which means, we better start doing bible things in bible ways. And your -- unless it's triage, unless

1:08:13

it's an emergency, go to the hospital. But the very first call you should be making is to your elders and to your intercessors, and to the people that are spiritual, that can

1:08:21

pray over you. You'll never see a miracle until you have the faith to believe that it's actually possible. Because in Yeshua's time someone got sick,

1:08:30

they went and found Yeshua. They had doctors. He could have went to Dr. Luke. He was a

1:08:37

disciple and a doctor. They bypassed Luke, and said I don't care how many accolades you've

1:08:43

got behind your name. Where's your Master? Where's our faith? Do we even believe that

1:08:48

He does that today? I submit it is because we don't understand how the spiritual realm work. If you look to your son or daughter that had -- or your spouse or yourself

1:08:56

that have a disease, or something that goes wrong or anger -- you're just constantly frustrated.

And you looked at them, and you literally saw a demon torturing them. Speaking

1:09:04

to them and three seconds later they repeated it, you would not get mad at your spouse! You would rebuke that demon and tell it to get out of your house.

1:09:11

You'd anoint your house with oil, and you would make sure it's pure and clean. But we
1:09:18

don't know how these things work. So Peter is Satan, right? We all know this. Yeshua
1:09:24

tells him that He must suffer and die. Then Peter took him, in verse 22, aside and said
1:09:29

-- began to rebuke Yeshua of all things. Peter is bold. No doubt about it. "Far be it from
1:09:35

You, Lord. This shall not happen to you! Yeshua turns around and says, "Get behind me Satan.
1:09:41

You are an offense to me, for you are not mindful of the things of God, but the things of men."
So my question to you, is Yeshua talking to
1:09:49

Peter or is He talking to ha'satan. Because, I believe that He is talking to Satan. I believe He's
looking right through Peter, and He is seeing the enemy, His arch enemy which
1:09:58

is only concerned for the things of men. Because if he can get man to be concerned about
themselves
1:10:04

and what they want, he will own them. Even in the purity of sincerity. This is how all
1:10:13

religions can be sincere and be owned by the enemy. This is how you can banner for God
1:10:19

and actually be working for ha'satan. And the only way that you're going to know it
1:10:25

-- this is the trick. It's so simple. The only way you're going to know is by fruit.
1:10:30

Is by the fruit. Are you producing the fruit of God?
1:10:36

Let's fly through a few New Testament scriptures, and then we'll end. John 13:2 says, "As the
supper ended, the devil having now put it into the heart of
1:10:43

Judas Iscariot, Simon -- Simon's son, to betray him." So it was Satan that put it into the
1:10:49

heart, the mind, of Judas. Judas didn't think of it himself. James 4:7, "Submit yourselves
therefore to God. Resist the devil, and he will flee
1:10:57

from you." How do you know how to resist him, if you don't even know that it's him? That's a
big problem. We HAVE to understand the mechanics of these things.
1:11:05

1 Peter 5:8, "Be sober, be vigilant. Because your adversary, the devil, is a roaring lion,
1:11:11

walking about seeking whom he may devour. Do you walk around seeking to devour him?
1:11:17

Cause he's walking around trying to devour you. 1 John 3:8, "He that committeth sin is of the
devil, for the devil sins from the beginning.

1:11:28

For this purpose, the Son of God was manifested, that He might destroy the works of the devil.” Sin is what brings you into the kingdom of ha’satan. Two verses later, “In this the

1:11:39

children of God are manifest and the children of the devil. Whosoever does not do righteousness 1:11:44

is not of God. Neither he that loves not his brother.” Isn't that incredible. Solves

1:11:49

all kinds of theology even in the Hebrew Roots movement. Because if you know your Bible, 1:11:54

and you know theology, you know the definition of righteousness is keeping the commandments of Yahweh. It's undebatable. It's all through the Old Testament. It's all through the

1:12:02

New Testament. Even in the Greek and the Hebrew. Righteousness -- outside of the righteousness of Christ, because there's two righteousness. There's the righteousness of the Messiah which

1:12:10

is His blood on you for Judgment Day, and then there's your righteousness. This is the righteousness of your works that causes you to be great or least in the kingdom. It's

1:12:19

what you do in between now and salvation day. This is how you know. Those who do the commandments.

1:12:27

But check this out, He doesn't stop there. Because that would just be a Pharisee. There's lots of Orthodox people that do the commandments way better than we do. He says, “You have

1:12:36

to love your brother too.” Oh, maaaaan! I can do the commandments, but

1:12:41

loving my brother, are you kiddin' me? I don't even want to look at my brother much

1:12:46

less love my brother, right? 2 Timothy 2:25, “In humility correcting those who are in

1:12:53

opposition. If God perhaps will grant them repentance so that they may know the truth.

1:12:59

That they may come to their senses, and escape the snare of the devil, having been taken captive by him to do his will.” They don't even know they've been taken captive. Now,

1:13:10

I don't know about you, but that's an incredibly bizarre thing, because if you have two warring armies, and they capture one another, you pretty much know when you're being captive

1:13:18

-- that you've been captured. But in THIS realm, the spiritual realm, you have a spirit

1:13:25

realm. You have a temple. And you can have a spirit living there. And they're so smart, so cunning, that they can live there and impute mind and motives and their will. You will

1:13:35

do it, and you won't even know it. And those that are most likely to carry out

1:13:42

the will of ha'satan are those that are independent contractors for God. They're not

1:13:48

in covenant. They have no relationship. There's no community. And they're not in covenant with those that are more spiritual than them. I value those that I submit myself to. They

1:14:01

are spiritual, highly spiritual. When I tell them I've had a prophetic dream, they've

1:14:06

already had it -- or whatever. What do you guys think I should do? And I submit to that,

1:14:13

because I understand the VALUE of COMMUNITY. And my wife, and your wife, your spouse should

1:14:20

be your number one person that you confide in that gives you advice. Your spouse is supposed

1:14:26

to be so super spiritual that you could rely on their advice. Well, unfortunately, we're

1:14:33

not super spiritual. If someone says, 'You're just super spiritual.' Do you know that

1:14:39

that is a compliment?! Everything that you do should run through this mind, should be

1:14:46

spiritual. Everything that you see should be spiritual. You see a car accident on the side of the road, you shouldn't be voyeuristically trying to slow down to see it. You should've

1:14:54

already been praying for that person. We got to stop trying to fulfill the flesh

1:15:01

and the lust of it, and start fulfilling the kingdom of Yahweh and be engaged in it. Do

1:15:08

people know you? If not, you need to start shaking hands.

1:15:14

"Yahweh rebuke you." I love this. So much -- this is just, this is what we do. This

1:15:21

is how we get rid of the enemy. "Michael, the archangel, when contending with the devil disputed about the body of Moses, durst not" -- durst, whatever durst means -- "...durst

1:15:32

not bring against him a railing accusation, but..." here's what he said. He said, "Yahweh

1:15:39

rebuke you." Congregant: Come on. Pastor: Even Michael, the archangel, we're talking about a big guy. I'd imagine he's

1:15:46

a pretty strong guy. Top of the line. Commander of many armies. Did not even think to say,

1:15:54

I rebuke you. He said, "Yahweh rebuke you." Cause he understood authority. He understood

1:16:00

that, 'I have no authority on my own.' That's why we say, 'I rebuke you In The Name.' Cause you can't rebuke anything. You have no authority. You are a vessel which

1:16:11

authority works through. If you have a problem with authority, I'm going to submit you don't.

1:16:17

You're submitted to one. You just don't know which one you're submitted to.

1:16:24

Here's the enemy's only trick. 2 Corinthians chapter 4, verse 3, "But even if our gospel is veiled, it is veiled to those who are perishing, whose minds the god of this age has blinded,

1:16:36

who do not believe, lest the light of the gospel of the glory of Messiah, who is the image of God should shine on them." Blinded what? The eyes. What were we talking about?

1:16:45

The eyes. Once you blind the eyes, light can't come in. Once light can't come in, you can't see. And He must guide you. So here's the answer. The last slide of the

1:16:57

night if you're taking notes, this is absolutely what you want to write down. Because everything that I mentioned up to this point is just showing you mechanically how the enemy works.

1:17:06

He speaks into your mind. Here's how you do it. First of all, you have to Recognize the frequency. Is it 'Radio Yahweh' or is it 'Radio

1:17:15

Devil,' because there is no third current. There's no third kingdom. How do I know

1:17:21

which one it is? This is real important and it's real simple. I love simple stuff. I'm

1:17:27

not a complicated person. If I had my way, I would – I'd be in a fishing boat fishing

1:17:33

for largemouth bass every day with my daughters. Or out in the woods hunting. It's simple.

1:17:40

Less frequencies. So I like simple things, and here's how you understand whether it's 'Radio God' or 'Radio Devil.' If it is negative, it is 'Radio Devil.'

1:17:50

If it is positive, it is 'Radio God.' It's that simple. So when you have a thought

1:17:57

that goes through your mind when somebody steps on your shoe, 'I can't believe they did that.'

Instantly that was the enemy. You just have to recognize it. Because it

1:18:05

can't come from Yahweh. Yahweh would not have planted a thought in your mind, 'I can't believe they stepped on my foot.' It cannot come from Him. Because He would

1:18:16

have thought nothing but positive things. He would have thought, well, they didn't mean to do that or they meant to do that, and I need to pray for them because they're being

1:18:23

tortured by uncleaned spirits. Or as Miguel calls them in his book, the "yucky puckies."

1:18:32

I can't say that without smiling. I'm sorry, the yucky puckies. But you have to recognize

1:18:38

your enemy. If you don't know your enemy, you take it – you cannot get rid of them. He will come in. This is the fastest way to shut down the enemy, is recognize him. Because
1:18:49

he can come as an angel of light. Which means it is the frequency you have to look for.
1:18:55

What is the fruit? What is he saying? What are the thoughts that I'm having in my mind? They're not your thoughts, and that is what I have been trying to say for over an hour

1:19:04

now, is your thoughts are not yours. They're either Yahweh's or they're the enemy. It's
1:19:10

you're just a vessel that the thoughts show up in. It's no different than a monitor on your computer. Does the monitor come up with anything? Unplug

1:19:20

it from the tower and see what happens. It is the tower that is bringing information

1:19:25

to the monitor. The monitor is just a vessel. In the same way, you are just a vessel. Recognize
1:19:32

the frequency, immediately, when you have a thought. And I will tell you that this is practice, because we don't do this. Ladies and Gentlemen, we DON'T do this. Especially

1:19:41

in the heat of an argument. The spirit of anger is the most- one of the most powerful

1:19:47

spirits. If I had time, I would go into who are the strong men and who are the weak ones.

Because the strong men are just those naked old strong

1:19:53

men. But they are cloaked in armor, and those armors are smaller, weaker spirits; like the

1:19:59

spirit of jealousy or the spirit of wrath, which you would think are strong men, but it's not. It's the spirit of pride that is the strong man. And he cloaks himself with

1:20:07

other spirits. And sometimes you have to (snapping for emphasis) burn through all those other spirits and THEN -- Wow, you realize it's the spirit of pride! Now that I know what's

1:20:15

behind all of this, I can get rid of that frequency, and then it's all gone!

1:20:20

This is why we've seen people healed. This is why -- people will sit in my office, we'll talk, and all of a sudden the Holy Spirit will illuminate through truth what that spirit

1:20:28

is. It gets cast out. We create the environment for it to be starved, and it's gone and either

1:20:34

they'll get healed of the physical manifestation that's negative, or the relationship will be healed, or whatever the issue is. Their pipes will get unclogged. But it starts with

1:20:43

recognizing the frequency. Number two, Reject the enemy's voice. Once you recognize it you have to make a decision. Because sometimes I can tell you right now,

1:20:50

those thoughts will be pleasant. You will want to think about those thoughts.

1:20:57

It might be an old girlfriend, an old boyfriend. It might be this or that or the other. It

1:21:02

might be a pleasant thought. He's planting evil thoughts. If it didn't come from Yahweh, it came from him. Don't entertain what you think is neutral. There is no neutral. Take

1:21:12

a car, put it in neutral, put it on a hill, see if it stays in neutral. It's either going

1:21:18

to go negative-- reverse, or it's going to go forward. We don't want neutral. Reject

1:21:25

the enemy's voice. Number three, Rebuke. Go outside of time and rebuke the spirit from coming in. You can go to the third heaven, at the throne of Grace,

1:21:34

right in front of Yahweh, because that's where ha'satan stands, and he accuses you. And did you know that that's the only place where he does not lie? He doesn't have to cause

1:21:46

what you do is the truth. There's enough garbage in our life that he doesn't have to lie. He

1:21:51

would NEVER lie before Yahweh. He lies to us. You see? He deceives us. So go outside

1:21:57

of time, get before that throne, and -- some of you need to go back in time for that traumatic event. And there's no way to do this in group therapy. But I can tell you that you

1:22:06

need to go back in time, to that traumatic event, and you need to rebuke that spirit that came in at that time, and tell it to leave you alone, you are not allowed to come

1:22:17

in and reject it. He's been found out. And then repent for submitting to the enemy. Some

1:22:27

of you need to repent hard for, for absorbing these spirits into your life. It's kept you

1:22:34

from serving the Almighty God in a greater and more amazing way.

1:22:39

Number five, Retaliate. How do you retaliate? There's only one way to retaliate and that is through prayer, ladies and gentlemen. You can't swing at the enemy, which is what we

1:22:49

do. There is only one way for you to get into the spiritual realm while you are living.

1:22:55

When you're dead *snaps finger* you're there. But you can't do anything about it. It only affects the physical realm. If you want to affect your life right now, you need to get

1:23:02

all of this armor of God on, that we're talking about. You need to go to war. And the only way to go to war is through prayer. The very thing that none of us like to do -- most of

1:23:12

us. Because if I did a poll, how many hours are in the week? A lot. But out of all those

1:23:23

hundreds of hours, how many hours do you spend praying? Are you spiritual or not? Are you
1:23:33

in war or are you not? Are you in His kingdom or Satan's kingdom? You might -- my salvation
1:23:39

lies in Yahweh, but I have not spent an hour at all? Five minutes? Warring against the
1:23:46

very things that are 24 hours a day warring against you, even in your dreams.
1:23:53

Now we're stepping on some toes. That evil dream you had, oh, that was from Yahweh, I'm
1:24:00

sure. Oh, it was just happenstance. I was just pulling it out of my memory. Are you sure? Or do
you have an unclean spirit? Because there's only two kingdoms and all frequencies
1:24:08

come from those two kingdoms. And we've been tricked that when we're asleep oh, we can't do
anything about it. That is the lie. Your children -- some of you have children
1:24:18

that are being tortured with negative dreams. It is not tortured by their memory. It is
1:24:24

an unclean spirit there to destroy the next generation. And implant horrible negative,
1:24:30

demonic thoughts in their mind, that will travel with them when they're awake, so that they will
be familiar with whatever he gave them years down the road; so that they'll
1:24:37

walk in his kingdom. I've done way too much counseling to know
1:24:43

that what I'm talking about is true. Dreams can control you cause they're alive. It feels
1:24:50

just like yesterday. We need to retaliate through prayer. And last but not least, we
1:24:58

need to restore your temple to obedience. I talked about the two dogs last week, the
1:25:03

Doberman Pinscher and the Shih Tzu. The Shih Tzu can destroy the Doberman Pinscher. All you
have to do is starve the Doberman Pinscher to the point where he can't move, and then
1:25:09

the, the little dog will come over and kill that dog. It doesn't matter how small it is.
1:25:16

So when you cast out that demon, and it's found out...because the Holy Spirit can reveal it to
you, but most of us have never even thought to ask. We've been praying for months,
1:25:26

reveal to me the things that I cannot see. Folks, we weren't there yet, but this is what I'm talking
about. This is what I'm talking about. The things that you cannot see is those
1:25:35

things that are in the dark. It's unclean spirits that we've let into our life, or have been attaching
themselves to us, and we don't even know it.
1:25:44

1:25:35

things that are in the dark. It's unclean spirits that we've let into our life, or have been attaching
themselves to us, and we don't even know it.

1:25:44

So after you recognize the frequency, reject the enemy's voice, and rebuke him outside of time, and repent for submitting to the enemy, when you retaliate through prayer,

1:25:52

the last thing you need to do to make sure he NEVER comes back is to put a fence around you. And that Hebrew letter is Chet. That fence is the instruction of Yahweh. It is

1:26:04

the temple – it is the fence of the tabernacle of Moses that walked, that we, that went all the way around the tabernacle. And there was only one gate, and one way in, and that is

1:26:12

through Messiah Yeshua. When you restore your temple. When you restore your covenant oath in obedience. It creates the atmosphere to starve the enemy, and he

1:26:27

dies. 'Cause he only exists through the atmosphere you create, or you allow him to have in your

1:26:37

life. Some of you have some pretty rough childhoods. Dads that were angry, alcoholics, mean. Wives.

1:26:44

Moms that have been beat, raped, you name it. Some of you grew up in pretty good situations.

1:26:55

Nevertheless, your own sin or traumatic -- you can have one small unclean spirit, and like

1:27:01

we started, I will end. One infection in your body can paralyze your entire spiritual life.

1:27:10

So you grew up in a great household. 'Leave it to Beaver' household. Then why aren't you walking in the fullness of the power of God? And know your spiritual gift? And super

1:27:19

mature to where you're teaching the spiritual gift? Because you made it through this world with great parents? You should be leading congregations. Why? Because you don't know

1:27:30

you've been taken advantage of somewhere in your life, and that spirit has paralyzed your spirituality. The arrogance and pride that man has that

1:27:39

we understand -- or and everybody was just like me. When was the last time you heard

1:27:45

the voice of God? Really? Are you sure you know which kingdom you are serving? Are you

1:27:53

sure you know? Because you'll know it by the fruit. If you are not producing the fruit

1:28:00

of Yahweh in your life, and you are mature in your spiritual gift, did you know the only

1:28:06

thing that causes Yahweh to move supernaturally in a congregation is through the mature spiritual

1:28:13

gifts? So what do you think the goal of the enemy is to do? Dumb down people until they

1:28:19

don't even know their spiritual gift, they'll never edify the body; and therefore, Yahweh will never show up, and they'll create a word called dispensationalism which will defraud

1:28:28

God's people of the power of Yahweh until Jesus comes back. And they'll exist with hundreds

1:28:36

of spirits. The larger the congregation, the more evil spirits exist. And no one will even

1:28:41

stop to even think that we're carrying unclean spirits and paralyzing the power of God in

1:28:47

our life. Some of you want more knowledge. You want me to teach more on the deep, of

1:28:53

the Hebrew -- this is as deep as it gets. This is your soul. This is everything inside

1:28:59

of you. This is your DNA. This is who you are. You want to touch the face of God? According

1:29:05

to the Torah, you have to be clean! And we're not talking physical. It's spiritual. And

1:29:14

if we've been deceived to think, 'Oh, I can just waltz right into the Throne of Grace, because I

have the blood of Yeshua on my heart.' Try that one. Let's see how it works for

1:29:23

you. You don't come before your King... unclean. You come with clean hands and a pure heart.

1:29:35

And unfortunately, the bible says that we deceive ourselves by thinking we're okay.

1:29:48

So I'll conclude with this thought: The next time that you have a thought that upsets your

1:29:55

emotional system, you must train yourself these six things. You must write them down.

1:30:01

You must paste them onto your mirror. You must memorize them, because you need to understand,

1:30:08

and train yourself to take it captive... and audit it. Is it from 'Radio God?' Is it

1:30:16

from 'Radio Devil?' Because there are frequencies, and you can't change the channel.

1:30:22

If you ignore the devil, eventually, you will create the atmosphere where he will flee.

1:30:29

And, ladies and gentlemen, I am not bragging but on the great King that I serve. Because

1:30:36

I am the chief of all sinners, and I will admit it. I can out sin most of you with half

1:30:42

my brain tied behind my back. But I can tell you, that since the Father has cleansed my

1:30:53

heart and destroyed the pride in my life, I have heard the voice of God like never before.

1:31:03

People's lives are being affected, not by Jim Staley! But because I am simply an open,

1:31:10

clean vessel for the Father to do what He has always wanted to do! Which is heal His

1:31:16

people. It could of, it could be any of you. And I

1:31:21

look forward to the day, when the congregation is so clean and so pure, and your families

1:31:28

are so full of light that miracles will happen everywhere.

1:31:34

He's not concerned with your physical body first, as much as He is concerned with your spiritual relationship. Because it starts with love Him and love your neighbor. Get

1:31:44

those two right. And we can work on the rest. Amen? Would you stand with me, please. Would you admit with me that we're all messed up? We've

1:31:59

all sinned, and we've all fallen short of his glory. The only way that you will have

1:32:05

a 'Purpose Driven Life,' 38 million copies and nobody talked about this in that book

1:32:10

-- you want to have a purpose in your life, you have to be clean. Because the Almighty

1:32:16

Creator will not use an unclean vessel the way that He will use a clean vessel.

1:32:25

You see, He doesn't just work through pastors or shepherds. He works through all of us.

1:32:32

I am a sheep, no different than you. The ministry -- this ministry's name is called Passion

1:32:41

for Truth. I challenge you to have a passion to be clean. Take every thought captive. Would

1:32:50

you play something in the background somebody? I just sense that we need to have that frequency

1:32:56

right now, and we're gonna pray. I hope, I hope to Yahweh, even though this

1:33:07

has been a long evening, that you will not forget this message and go, 'That was a

1:33:15

good message.' This message you need to hear. It will change your life. Absorb it.

1:33:23

Take time. Pray with your spouse. ('Holy God' by Brian Doerkson begins to play softly). Ask them do you see anything in my life. Ask

1:33:30

them. Is there something that you see? Ask someone else. Find someone that you respect,

1:33:35

and say do you see anything in my life that needs to be audited or changed? How interesting

1:33:53

that he would play this song. Matter of fact, I'm sensing we need to play this. Can you bring it up a little bit. Just listen to the words of the song. I want

1:34:11

everybody to close your eyes and just listen to the words of this song. Father we agree with you tonight, that you are set apart. You are holy. You are our example

1:34:16

of what it means to be clean. You refuse to even exist inside of a realm of unclean spirits

1:34:25

or sin. You even-- have even given us an example by not allowing sin into your perfect place

1:34:31

that you call heaven. You refuse to allow one unclean atom in your presence. In the

1:34:42

same way, Father, let us have the same conviction, that we will take every thought captive, and that we will not allow anything unclean in our life, in our marriages, in our families,

1:34:53

in our house. And Father, if there is anything in our lives that we cannot see. If there

1:35:01

be any wicked way in me, would you show it? Reveal it. I don't care how humiliating it

1:35:11

may be. Hallelujah! Your statutes are our heritage.

1:35:20

Because, Father, You are decreeing this day to set your people free from the yoke of the

1:35:28

– of the enemy, and I declare it now. For all those right now that who want to be absolutely

1:35:35

delivered, we're not going to wait for private sessions. We're gonna to do it right now. Lift your hands to your King. We are going to cast out anything that is unclean.

1:35:44

Father, in the name of Yeshua, for those who absolutely love you, who absolutely desire you, who absolutely want to be clean, Father would you set them free from the enemy that

1:35:53

they cannot see, spirits of wickedness and deceit, we command you to leave. Spirits of anxiety we command you to leave. Spirits of stress and anger and pride. You pride, you

1:36:06

strong man, you have been found out. You are gone, and you have no power or authority over Yahweh's people anymore. You will not own them. You will not beseech

1:36:17

them. You will not even pursue them, because where you are being cast out is into dry places,

1:36:22

and unlike the spirit spoken of in the Brit Hadasha, you will not remember your house. You will not even remember from which you are cast. You will never come back, and you

1:36:30

will never tempt again! And for all the spirits of dishonor and disbelief, we command you

1:36:36

to leave. You will not blind the eyes of Yahweh's people anymore.

1:36:41

And for all of our loved ones that you have blinded their eyes from the Truth of the Gospel, we command you, and we stand outside of time before the throne of Grace, and we look down
1:36:50

to that person and that loved one. We stand in between you, and we command you to take -- in the name of Yahweh, your talons, your claws, your hands away from the eyes of our
1:37:00

loved one for they will see, and they will see trees the way that they were made. They
1:37:06

will see man the way that they were made. They will see you, Abba, the way that you desire your people to see you. All you spirits of confusion, we command you to leave. All
1:37:16

you spirits of pornography and lust...and fornication and adultery, we command you to
1:37:22

leave. You do not have a place in the temple of the Ruach Ha'Kodesh. It is a holy place.
1:37:28

It is a clean place. It is a place where we will dine with our King, and you are not allowed
1:37:34

in anymore. You spirits of casting out yourself, we command you to leave. In other words, Father
1:37:42

we command the spirit who comes in and comes out, that is silent. That casts itself in
1:37:48

and casts itself out. That it doesn't even exist in an emotion. It is just there to plant
1:37:53

thoughts. We command it to leave as well. All spirits of retaliation and wrath and murder.
1:37:59

All the spirits of depression. We speak to that spirit of depression. You are not going to tell God's people any longer that they're not worthy, for they ARE worthy in the Son's
1:38:09

blood. You are gone and you are found out! Any other spirit that we have not named today,
1:38:21

you know your own name, and we cast you down as well.
1:38:27

Father, we ask according to Your blood, that You would create the pause in that person's
1:38:35

life right now. That Your angels would come down. They would camp around those people wing tip to wing tip with swords drawn, flaming swords drawn towards the enemy and they will
1:38:45

create the pause, that silence, that radio silence in their life. And Father that Your
1:38:52

Ruach would penetrate into their heart, into their mind. That You would burn out of them
1:38:57

any chemical abuse right now. That You would burn out of them anything that's not of You, Father, that it would come out NOW in Yeshua's name! That those demons would be gone. And
1:39:07

Father for anyone who is in this room right now or in the sound of my voice that refuses to hear Your voice and to allow those demons to be displaced in their life, remove them

1:39:18

from our midst. They are a spirit of ha'satan. They are witchcraft and rebellion. And Father,

1:39:24

remove them from your body. But if Father, like Your Word said tonight,

1:39:30

if Your spirit dwells in them, let them hear Your voice and submit to what You are saying...that

1:39:37

you do not dwell in a house that's unclean. Father by your blood...by your name, by your

1:39:47

power, the name above all names, Yod Hey Wav Hey, YAHWEH -- we declare these things tonight.

1:39:56

Amen. And the spirits says, that if you are free, you are free indeed. Hallelujah! Thank

1:40:03

you, Father. You are a Holy Father! On the count of three

1:40:51

I want everyone to say, I... AM...FREE! 1... 2... 3..., -- I... AM... FREE!! Amen! I will end the way that I always end, but tonight it will mean something. You are now FREE to move about the country. Shalom, shalom, and shalom! Addendum ('Holy God' song fades). Shalom everyone. I wanted to take a few minutes and spend some time answering some frequently asked questions about this particular topic.

1:40:59

This is a really heavy topic that we just talked about, and, and many times this is

1:41:04

a very first time that some of you have ever even considered that some of the issues in

1:41:10

your life could actually be, demonic influence, unclean spirits that are influencing you,

1:41:15

and manipulating you and your family. So I wanted to spend just a few minutes to kind of talk to you a little bit, and give you a little bit more instruction on how to

1:41:23

deal with these spirits, and how to cleanse your temple so that you can fully be used by the Creator in this time, such a time as this.

1:41:31

So we do a lot of counseling here at Passion for Truth, and one of the things that I have noticed is the inability for people to -- or the untrained ability, I should say. We're

1:41:42

all trained in one way or another, but we're not trained in taking thoughts captive. We're not trained in auditing ourselves. We're not trained that, we have two ears for a reason

1:41:52

because there's two frequencies that come in our mind. It is a battle of the mind. And

1:41:57

if we have negative thoughts, and we have demonic influence, and we don't even know it; then we will have no ability to take those thoughts captive. We'll have no ability to

1:42:06

audit those. And so the very first thing that I want to let you know is, I want to reemphasize what I emphasized in the message that you just

1:42:13

watched. Which is this -- you must understand that every thought that comes into your mind

1:42:20

needs to be taken captive and audited. Just like a guard at a door on a special event,

1:42:26

is not going to let someone into that event if they're not invited, they must be invited.

1:42:31

And so you need to make sure that everything that comes into your mind, that comes into your life, is audited and it's invited by the Ruach, the Holy Spirit, okay?

1:42:40

One of the most popular questions that I get is this, so I'll just read it to you. "When you talked about responding to trauma, and how being angry is not an emotion as much

1:42:51

as it is a spirit, does that mean that we shouldn't be angry?" That's a great question. If you're not familiar with, with how the enemy comes in during trauma.

1:43:00

That's a natural question, because you'll begin to get confused, well, should I be angry or should I not be angry? And this person really hurt me. Or my spouse really said something

1:43:08

very mean to me. Or it could be a traumatic situation where, you know, your child gets

1:43:14

in an accident and is hurt. And there's natural emotion that comes of fear and anxiety

1:43:21

and so on and so forth. I'm not saying that you shouldn't have immediate reaction to a

1:43:28

situation of trauma that, that's negative. It's normal for us to cry when someone dies.

1:43:35

It's normal for us to have a grieving moment. What I'm trying to say is that at the nth

1:43:41

degree of who we were created to be, if we were EXACTLY like Messiah -- Messiah, His

1:43:48

emotion was very limited to the enemy. Because He could see the spiritual realm. And so when

1:43:56

someone comes up and says to Him, 'My daughter has died.' His emotion is almost emotionless

1:44:02

because He says, 'No, your daughter is sleeping.' And even if she does pass away, the Father

1:44:08

knows through the Spirit of the Son, that there's a reason for that, and that's to glorify His name, if we could just see the spiritual realm.

1:44:16

So part of our problem is we're just not spiritual. We don't see spiritually through our spiritual

1:44:22

eyes. Everything comes through our carnal senses to the way, that those senses that

1:44:27

we have that are natural and carnal. And so what I would like to encourage you is to lift

1:44:33

you up and grow your spiritual senses. What I mean by that is this: When something happens

1:44:38

to you that's highly traumatic, it's okay to have a reaction. But, immediately, you

1:44:43

must audit that reaction and take that through a spiritual filter, so that it's, it's channeled

1:44:49

in the right direction. Because trauma is going to happen, ladies and gentlemen, let's just face it.

It's going to happen all the time in our lives. It's what happens in that

1:44:57

moment after that, that determines whether or not the enemy is going to control that trauma, or

Yahweh is going to heal that trauma. So if you get super angry or super upset or

1:45:06

super hurt or traumatized emotionally because of an event that's going to happen or has happened

in your life, that's okay! It's what happens immediately after that -- Who's going

1:45:17

to own that, that trauma? Is that going to be a doorway for the enemy to come into your

1:45:22

life and creep into the crevices of your life? Or is that going to be a doorway for the Father

1:45:28

to come in and to heal you of that situation and cleanse your temple and make you stronger than ever before? So first and foremost, I want to make sure

1:45:37

that no one misunderstands that we should not have emotion. It's what we do with that emotion.

Emotions are gateways. They are portals for either Yahweh or for the enemy. The Father,

1:45:48

the Ruach, the Holy Spirit uses our emotions to speak to us, does He not? He'll frustrate

1:45:54

my spirit. He'll give me a word of knowledge. And he uses our emotion to get us to move

1:45:59

and to do something exciting for him. In the same way, the enemy uses our emotion. So I just want to clear that up, and let people know that it is not wrong to have emotions.

1:46:10

It's just we need to understand that they are portals and make sure that Yahweh owns that emotion or that traumatic moment. All right. Secondly, there's another question

1:46:18

that says. "You had mentioned that a good way to know if it is from Yahweh or the enemy is to audit every thought..." That's what we've been

1:46:24

talking about. "...and if it's negative, then it doesn't come from Yahweh. And the question is can Satan ever plant positive thoughts."

1:46:32

That's interesting. See in the message. I didn't have time to go into and unpack all the different ways that the enemy speaks. So categorically, anything that comes into

1:46:40

your thought process that's negative, this is 101. There is a 102, which we're gonna

1:46:46

talk about in just a moment. But anything that comes into your thought process negative, that is against the Fruits of the Spirit, it can be from self-pity. It can be from

1:46:55

ha'satan, depression, anxiety, stress, okay, all of those emotions that we call emotions

1:47:01

are really the enemy stirring up those emotions, and trying to take control of that portal,

1:47:07

so that he can get into our life. Anything that's negative cannot come from Yahweh, if it's against the Spirit of the Living God or His Word or the Fruits of the

1:47:16

Spirit. However, the second part of this is a little bit trickier. Once you begin to understand

1:47:23

his (ha'satan)voice in the negative realm, and you take those thoughts captive. He can deceive you by coming in with positive thoughts. Now what's interesting is that positive thoughts

1:47:33

typically end up being directionally oriented. Meaning that, he can actually give you thoughts

1:47:41

that are against the Father's will for your life, but you do not know it, all right? And

1:47:47

the people that are most vulnerable to this are those that are out of covenant with someone else.

In other words, they're kind of like their own island. So if you're your own

1:47:55

island, and you are not submitted to any kind of spiritual authority. You don't have a spiritual covering that is mature, that's over you and so on and so forth. You are, by far, the most

1:48:05

vulnerable to the enemy, getting you to go in a spiritual direction that's not of the

1:48:12

Father. And this is something that's very crafty, and it's deceitful, because it's hard to see it.

Really, almost the only way to know it,

1:48:19

is to have someone else over your shoulder that loves you, that is spiritually mature that can say,

'You know, I don't think that you are supposed to go in that -- in that

1:48:27

direction. Or I don't think you're supposed to go in that direction now. I think the timing's

wrong.' That's typically, my friends, how the enemy -- if he can't come in the front

1:48:35

door, the back door is to use your religious zeal, to start going in a direction that is

1:48:42

not authorized from the Father either in that timing or not in that direction at all. And

1:48:49

because it's spiritual, and because you have passion about that particular direction, we assume that that's what the Father wants. But many times our assumptions, as you know,

1:48:58

can get us into a lot of hot water. So I would encourage you to understand that, that the second part of how ha'satan works, how Satan works in our lives, is he we will

1:49:08

deceive us into thinking that if we take a bite from this tree, that it's really not going to hurt us. And we think that we're actually doing something for God that this

1:49:17

is absolutely the right thing, and in reality, you never passed it by any kind of counsel

1:49:23

to get opinion to make sure that just because it's spiritual, doesn't mean that it's holy.

1:49:29

And just because it's holy, doesn't mean that it's the offering that He wants now. There are certain offerings in certain times of year, according to the Torah, that He desires

1:49:38

those offerings coming at a specific time. He doesn't want you offering a Passover lamb

1:49:43

in the middle of July. Just because it's July 4th here in the United States, and you think it's wonderful-- doesn't mean, that it's the right time. And so, hopefully, that's for someone

1:49:51

out there that just needs to slow down a little bit, retract a little bit, and make sure that

1:49:57

your steps are ordained by Him, and that you are not ordaining your own steps. Okay.

1:50:03

So bottom line is this, once you begin to cast out, you physically have to cast out

1:50:09

these demonic spirits. Yeshua just didn't walk by people and demons came out. He had to physically cast them out. So that means that you might have to lay hands on your spouse,

1:50:19

on your child. Even objects in your house. The Holy Spirit might reveal to you that a picture that someone gave you years ago, there are-- spirits attach themselves to object.

1:50:28

We know that, scripturally. So first and foremost is you need to cast them out and tell them to leave and passion matters. You don't go up to a little dog that's

1:50:38

bothering you and say, 'You know, I'd appreciate if you would not bite my ankle.' No. You

1:50:43

have to tell, sometimes, dogs, in authority to stop or to be quiet. And in the same way,

1:50:49

the enemy does not cooperate by you asking him to leave politely. He didn't come politely. He's not going to leave politely. You have to use the authority that Yahweh gave you,

1:50:58

and tell him to leave. Greater He is-- is He that's in you, than he that's in the world.

1:51:04

That's in, that's bothering us. That-- those spiritual demonic forces have no authority.

1:51:10

And you must speak to them as someone who has authority, which you do. So that's first

1:51:15

and foremost. Secondly, once you cast them out, and you may even think and consider using anointing oil or olive oil and pray over it at the very

1:51:24

least, there is something about it. The scriptures say to use oil. They anointed kings with oil. They anointed Yeshua with oil and so on and so forth. And He says to come before your

1:51:34

elders and let them anoint you with oil. We don't totally understand it, but we know that there are frequencies that are built into oil and they affect -- the essential

1:51:41

oils affect our frequencies, so it's something that you might want to pray on or consider for those of that have ears to hear. So when you pray, and you cast out these ugly

1:51:50

things, and get rid of them out of your lives, the second thing that you need to do is to begin to audit. Is to train yourself to take every thought captive like I started out by

1:51:59

saying. And I'm emphasizing it again, because it is so critical, that we must recognize

1:52:04

the voice of the enemy. Rebuke him. We must retaliate in prayer, okay? We must reject

1:52:11

him. We must re...institute the atmosphere that can starve him and so on and so forth.

1:52:18

Review that last slide in this message and memorize it, 'cause you need to move in that direction of rejecting him, but first you have, you have to recognize his voice.

1:52:28

So recognizing the voice will stop the battle before it even begins. When things start to heat up in your house, in your marriage or whatever, understand it's not your spouse.

1:52:38

It's the enemy. Stop and pray. The only way to defeat something that's in the spiritual realm is to be in the spiritual realm. You physically can't be there. So the only way

1:52:46

to get there is through prayer. When you pray, the enemy has to listen. It will bring humility

1:52:52

into your life, and the enemy must flee. So I just wanted to spend a few minutes at the end of this message to really emphasize a few really important points that we did.

1:53:02

I hope it blesses you, and I hope that you are free. And I hope the Father takes himself,

1:53:07

places His hand over your family, and frees you from all of the corruption, and every

1:53:14

Satanic realm that has placed a circle around your home. We reject any spirits, and we cast

1:53:21

them out. And I give you, according to what Yahweh says in His Word, I want to transfer

1:53:26

what you already have, I want you to understand you have the authority to cast out those spirits

1:53:33

that dwell in the high places. Use your authority. Father, would you grant them the courage and the strength to use the authority, that you're giving them to cast out that which is not

1:53:43

of you. Bless their homes, their families, their relationships. Heal them of their diseases. Let there be unbelievable testimonies from this moment on, in Yeshua's name. Amen.

1:53:52

Shalom and shalom and may the Father bless you and keep you. May His face shine upon you. May He lift His -- countenance upon you and bring you peace. Amen.
