0:15

okay what is the heart of yom kippur how

0:16

can we celebrate it in our home if we

0:18

are not near the mish baka mish baka's

0:20

family uh so if you're in your home and

0:22

and you're not able to join a local

0:24

congregation for yom kippur yom kippur

0:26

is the highest holy day of the year it's

0:28

coming up

0:29

here not too distant future wednesday

0:31

after next we'll have a service here uh

0:33

it's really a it's the highest time of

0:36

introspection it is really the last day

0:39

before the final judgment uh in in a in

0:42

a prophetic sense and so all the time of

0:45

elul and teshuva has come to an end it

0:48

is judgment day for mankind and an end

0:50

of time is when yeshua judges uh the the

0:53

earth uh when he comes back and so what

0:56

we simply do is we will have a service

0:58

just say what we do we will have a

0:59  
service uh with uh uh slow worship songs  
1:03  
of repentance and then we will do a a  
1:05  
corporate mishpakka  
1:07  
uh um what do you call renouncing of sin  
1:11  
okay it's the very last thing that you  
1:13  
would do if you saw yeshua riding on the  
1:16  
clouds and it was slow motion you would  
1:18  
say father forgive me for this this this  
1:20  
and this and this and this and this  
1:23  
okay the problem is you're always going  
1:25  
to forget one  
1:26  
uh and then it's and it's game over so  
1:28  
that's kind of at least what we do uh  
1:30  
and fast and pray so it's a fasting a  
1:33  
prayer time of introspection and uh and  
1:35  
renouncing and if you guys want to add  
1:37  
anything to that  
1:40  
it's a it's a lot of i mean yom kippur  
1:41  
is a fast day it's it's a day of  
1:43  
affliction uh so afflicting your soul is  
1:45  
what it says so you we fast we we we uh  
1:49  
ask for forgiveness of the things that  
1:50  
we've done that we know we've done and

1:51  
things that we have done that we didn't  
1:53  
know that we've done and and we uh  
1:56  
at the same time as as as believers in  
1:58  
the messiah you know we're not relying  
2:00  
on the the day of yom kippur to be our  
2:02  
covering yom kippur is  
2:05  
the word kapoor is it means covered over  
2:07  
but we know that yeshua did more than  
2:09  
just covered over our sins right he he  
2:11  
washed them away they're gone  
2:13  
that doesn't prevent you and i from  
2:14  
sinning on a hour-by-hour basis though  
2:16  
so we it's still very important to not  
2:19  
just prophetically in the grand scheme  
2:20  
of things which we'll talk about on that  
2:21  
day but um just as a practical thing to  
2:24  
have one day where we take that  
2:25  
introspection should we be doing it  
2:26  
every day sure but doing it corporately  
2:28  
as a body is very uh  
2:31  
very powerful to to say i'm flawed  
2:34  
and i've done a lot and i've done a lot  
2:36  
that i didn't know i did and i need uh

2:39  
constant forgiveness and and thank god  
2:42  
that he sent his son to give us that  
2:43  
that ultimate uh ability to step into  
2:45  
that forgiveness  
2:47  
yom kippur is is all about confessing  
2:51  
sins  
2:52  
humbling yourself before the lord  
2:54  
before the lord  
2:57  
before yahweh  
2:58  
adonis  
3:00  
and  
3:01  
confessing your sins and  
3:06  
the question part of the question had to  
3:07  
do with mishpochah if you couldn't if  
3:09  
you could not get to a service what  
3:11  
would you do  
3:12  
and  
3:13  
that's exactly what you'd do you would  
3:15  
humble yourself and fast the day and  
3:17  
confess your sins  
3:19  
and we probably do that every day but  
3:21  
it's a specific day set aside to  
3:24  
to uh

3:25  
to focus on that effort  
3:27  
it's best done in family in mishpakha  
3:30  
because there you you share it and you  
3:33  
you bond in it and you realize together  
3:36  
that there's that we're all sinners  
3:39  
and  
3:40  
perhaps during that time we can confess  
3:42  
our sins to each other too  
3:44  
where we've wronged each other  
3:46  
and uh make things right  
3:48  
one of the uh things that is done in in  
3:51  
the jewish community for yom kippur is  
3:55  
different communities do a little bit  
3:56  
different but one of the things they do  
3:58  
is they they take some bread and they  
4:00  
confess their sins over the bread and  
4:02  
then  
4:03  
put it in their pocket perhaps or they  
4:05  
take a stone and do the same thing with  
4:07  
it and put their pocket and then the  
4:09  
whole family goes out to a body of  
4:11  
running water yeah  
4:13  
and with

4:14

a ceremony that includes shofar blowing

4:17

they symbolically get rid of their sins

4:20

and throw it into the water and it gets

4:21

washed away

4:23

and that service is called tash leak

4:26

and

4:27

it's it's symbolic but it's also

4:29

sobering if you're doing it sincerely
