0:15

tonight uh i have a subject the holy spirit put on my heart uh it's called uh the power of prayer

0:21

you can really title it however you want because i have no idea what the title really is going to mean when this is all said and done all i know is the father

0:28

has said that there's never been a move of god there has never been anything that has ever happened in our life where we have not fallen to our knees and

0:34

asked him to move and so i'm going to put this topic on i want you to hear

0:42

what the scriptures have to say i'm going to let him we're going to go through tons of scripture is that okay

0:49

and let the word speak to you first of all let's talk about it avails much we're just going to get right into it

0:55

because i know i know that i know there will not be enough time for this

1:01

james 5 16 says confess your trespasses your sins to one another and pray for one another that you may be healed

1:07

the effective fervent prayer of a righteous man availeth much the bible defines a righteous man as one who does

1:13

the right thing and the bible defines the right thing is what he tells you to do and the bible defines what he tells you to do as his commandments

1:20

starting with the top two by the way elijah was a man with a nature like ours

1:26

and he prayed earnestly that if it would not rain and he prayed earnestly that it would not rain and it did not rain on

1:31

the land for three and a half years that's very prophetic by the way but we

1:37

don't have time to get into it and he prayed again and the heavens gave rain and the earth produced its fruits

1:43

this is a man who made it not rain for three and a half years

1:48

folks if it doesn't rain for three months everything dies

1:54

what happens for three and a half years no rain the mississippi river would probably dry
2:00
up that is a lot of no rain
2:07
that's called a famine of yahweh's word the man was so righteous that he
2:12
actually could turn it on and turn it off and yahweh yielded to his vessel his prophet
2:21
elياهو you say well jim i don't have that kind of righteousness are you kidding me you
2:27
have the righteousness of the messiah living inside of you the only difference is is you're not
walking in righteousness
2:34
you see there's two types of righteousness that are found in the bible there's the righteousness of
christ we got that one down 1700 years
2:40
of christianity 38 000 denominations all around the world we got it figured out christ is righteous
we get it
2:47
but there's a second righteousness that's not preached from the pulpit one is salvific that is christ
that is
2:52
the messiah in you he covers you his righteousness is the only way you get into the shema'im
into the heavens is
2:59
from his righteousness but there's a whole nother righteousness
3:05
it's the righteousness of our works in other words there's something to do
3:11
it's kind of like your children are your children because they're your children they can't get away
from being your children they are your children
3:18
they're covered in your blood if you will your righteousness but your children are not blessed
3:25
until they obey you can be the richest son on the planet
3:30
and live a 50 000 square foot house disobey the lord of that house and you'll find yourself as a
popper under a
3:37
bridge we need to understand the difference
3:42
between eliah who elijah and us is simply one thing he walked in his righteousness he did
3:50
what the father said and he didn't ask questions he lived by the spirit mark 11 24
3:57

therefore i say to you whatever things you ask when you obey when you pray believe that you receive them and you

4:02

will have them do you know what this is this is a this is a a very cryptic statement if you look at it properly

4:09

because what this is saying this is a an outside of time statement this statement is made for you to believe that you are

4:16

outside of time what do i mean by that if i had a white board here

4:22

i would say okay on this side right here is the beginning this is where you pray over here is when you receive that

4:29

prayer so when i when we prayed for jim reilly 30 seconds later is when he received his

4:35

healing when did he really receive his healing

4:41

if you remove yourself outside of time then you see the healing already

4:48

do you understand what i'm saying so when that's what he's saying he said whatever things that you ask when you pray when you pray and you believe that

4:55

you receive them meaning that you take yourself outside of time and say wait a minute i'm outside of time

5:02

if i'm outside of time then i'm in the resurrection which means that if i'm in the resurrection i'm healed

5:09

so i thank the father for my healing here's the problem that we have when we

5:15

pray for healing we expect the lord and we look for healing of our bodies right now

5:22

does the scripture say that or does it say to recognize and believe that you receive them

5:29

some of you your eyes are crossing so let me say that a different way if you take yourself outside of time

5:34

when you pray and you believe it doesn't matter when you get healed because you are healed

5:42

whether it happens now or at the resurrection you should thank him that even in the resurrection that you're healed because he doesn't have to do

5:49

that for the way that we eat and live our lives we deserve to live for eternity in

5:54

the bodies that we have we do it to ourselves why does he have to heal us and make us

6:00

healthy and strong he doesn't have to do that so when you pray believe that you

6:06

receive it instantaneously what we do is we go okay god i just i

6:12

pray right now that you'd heal me and then we get disappointed if it doesn't happen in 28 seconds

6:18

and because we get disappointed we missed the fact that two seconds later we were gonna heal but he removed it

6:24

because we didn't receive it you must receive it

6:29

the days are over ladies and gentlemen of the talking heads that say it's all about getting healed

6:37

it's not about getting healed but those things do happen when you walk in his ways when you walk in his spirit

6:45

how many really want to see the holy spirit poured out are you ready for that

6:51

are you sure because i talk to people in the hebraic

6:57

roots movement and i'm telling you right now they're scared to death of the holy spirit they threw it away when they

7:03

walked out of the last church they were in they gave up on it oh we don't want that we just want to walk in the torah

7:11

read your new testament ladies and gentlemen because peter took a rag prayed on it and sent it to someone and said this will heal you the second that

7:17

rag touches them i'd be kicked out if i did that

7:22

i'd be fired in a heartbeat my two new testament tells me that

7:28

people got healed my people my new testament tells me that miraculous things happen

7:34

daily why is it that we're afraid of miraculous things

7:39

because we don't walk outside of time we walk in what we see

7:45

and we don't really want it to be honest we don't really want it

7:51

philippians 4 6 says don't be anxious about anything but on everything by prayer and supplication with thanksgiving let your requests be made

7:57

known to god and the peace of yahweh which surpasses all understanding will guard your hearts and your minds in

8:03

yeshua hamashiach do not be anxious are you kidding me

8:09

half of our half of your problems exist because you don't know how to live by the spirit is the spirit in time or

8:17

outside of time it's outside of time so quit looking with these eyes

8:24

and the glasses that mankind has put on you why are we anxious

8:29

why is it that we can't do why do why do people say be afraid of the enemy he's a big bad guy

8:36

last time i i checked he was defeated

8:41

don't be anxious about anything pull yourself outside of time i'm telling you i'm giving you one of my tricks when i pray pull yourself outside of time

8:50

and look at it that way and when you get yourself outside of time man it is nothing but victory and

8:57

light hallelujah

9:03

thank you let's see i can throw things too

9:10

first john 3 22 check this out whatever we ask we receive from him because

9:15

oh 38 000 37 999 denominations

9:21

this this scripture because we keep his commandments and do

9:27

what pleases him folks that wasn't out of deuteronomy that's out of first john that's not out

9:33

of the torah or is it

9:42

we receive from him because we do what he said now listen listen the bible is nothing

9:48

but a marriage how many know that adam and eve started out as a marriage right the whole thing he's a bridegroom we're the bride right the whole thing is all

9:54

about a ketubah a contract a wedding contract and walking that out in real life so i like this is why i love

10:00

marriage and i love relationships and i love to teach on it because if we get it down to brass tacks this is what he's

10:05

saying if you want to receive from your wife you better keep her commandments

10:13

and do what pleases her because husbands you will never receive anything from your wife if you don't do

10:20

what pleases hurt in the year 2002 i bought my wife a

10:25

brand new 2002 four-wheel drive kirby vacuum cleaner

10:30

i thought it was the coolest thing ever four wheel drive vacuum cleaner are you kidding me

10:36

put my kids on it man and just [Music]

10:42

she wasn't so excited it's not what pleased her

10:49

i was like a kid in a candy store waiting for her to open that up [Music]

10:54

because i couldn't wait to use it but it's not what pleased her

11:01

so i took back the camouflage 12 gauge too

11:07

ephesians 6 18 says praying at all times in the spirit with all prayer and supplication

11:13

to that end keep alert with all perseverance making supplication for all the saints

11:18

you know what this means this means you pray it all the time how many pray all the time you need to pray all the time what does

11:24

that mean megan i heard last week when i was in charlotte i heard her say this it was a beautiful analogy we need to drip

11:30

all the time everywhere you go everything that you you do you need to be praying you know why because every time that you take a step and every time

11:36

you take a breath the enemy is is praying against you he's fighting against you he's speaking

11:41

into your ear you may not know it

11:47

if you had any idea of the supernatural right now and the things that are happening in the supernatural

11:54

you would be praying all the time i prayed father open my eyes and help me to see the things that i cannot see and

12:00

help me to see into the supernatural realm he started to do that and i told him stop

12:06

and you laugh ladies and gentlemen but it wasn't funny because what i was experiencing and what i was seeing was scaring the living daylights out of me

12:14

and some of you have never experienced the supernatural you've never experienced or seen a demon or an angel

12:20

or felt the presence of an evil spirit

12:33

last week i felt this spirit and it was following me around i don't

12:38

care what you think about this this is what y'all this is my my walk my chest i'm opening up i'm giving you an

12:45

internal of the reality that this spirit that has been

12:50

commissioned to destroy me and take down this ministry dropped off the people that it used and

12:55

followed me around the office it had absolutely no ability to touch me as far as uh getting into into my inner

13:03

being but it had a certain amount of authority and i could feel it i could feel it following me it began to crush my head

13:10

and i could feel this this this this unbelievable spirit whenever i feel the whole the supernatural i feel it right

13:16

between my eyes and i found out through medical science that's actually your conscience

13:22

very very very sensitive part of your brain so i can feel the holy spirit

13:28

and i can feel the demonic realm when it passes by me it's like a light bulb goes off and i

13:35

know something's going on and so i start pressing in as i started to pressing in i was i could feel this unbelievable

13:41

force i've never felt it like this it was so powerful it was beginning to paralyze me and as i was talking to someone i said you know i feel like the

13:47

chaos is around me and the second that i used the word chaos my two finger my two small fingers on my left hand it was

13:53

like somebody grabbed them and broke them and i screamed like a baby this person said are you okay i said i

13:59

don't know i don't know what happened i'm such a blockhead i didn't put two and two together

14:05

i didn't go to college maybe they teach you that in college i don't know i went home that night i laid in bed with my wife and i began to explain to

14:12

her what happened to me that afternoon as i explained to her and as i got to the part where i said i felt like there

14:17

was something following me it grabbed my fingers again it was like somebody took a knife put it in my my nerve and

14:22

twisted and i screamed again like a baby except this time i was ready i recognized where this was coming from

14:29

and i took 30 seconds and i rebuked the enemy and i said you get away from me you get behind me often you have no power authority over me get away

14:36

instantly it went away i grabbed my fingers my wife said this

14:42

no i promise she's like are you serious

14:50

she was just reading a book and i said yeah they don't hurt anymore she's like really like yeah

14:58

you see all he can do is take your fingers and bend them back so what

15:03

so i had to have a little pain you know why did the holy spirit allow that that was my question why did you allow

15:09

him to do this

15:15

and the father said you asked me to let you see

15:21

into this realm are you sure

15:26

you want to see you know what it caused me to do it caused me to fall on my knees and repent

15:33

that i thought that i was out here by myself ladies and gentlemen this is a war

15:39

for your wife for your children for your spouse for you you need to wake up

15:44

and quit despising the supernatural because that's exactly what the enemy

15:50

wants you to do is think it doesn't even exist

15:56

yeshua answered and said truly i say to you if you have faith and do not doubt you will not only do what has been done

16:02

to the fig tree but even you say to this mountain be taken up and be thrown into the sea it will happen and whatever you

16:07

ask in prayer you will receive if you have faith

16:15

matthew 6 9 i love this the our

16:20

father why don't we pray the our father because most of us grew up catholic

16:28

but let me let me read it to you the disciples came to yeshua and said how do you want us to pray how should we

16:35

pray the rabbi say pray this way you say what do you say

16:41

he doesn't say pray yeshua pray to yeshua he says pray to the father he's the one that handles out all the

16:48

blessings and the curses i'm the mediator he says our father who in the shemaim

16:55

kadosh is your shem hallowed be your name

17:01

your malkut come your kingdom come your will be done you get that your will be

17:06

done on earth as it is in heaven

17:12

give us this day our daily lechem our daily bread

17:19

it doesn't say your daily steak

17:24

although i attend it might be a mistranslation

17:30

the super new king james would have said steak and forgive us our debts as we also

17:36

forgive our debtors you get this folks we don't do this

17:41

we ask for yahweh to heal us while we have bitterness and hatred in our heart and anger in our heart did you know you

17:47

are not allowed to come near the lord god with with bitterness or unforgiveness in your heart the psalms

17:52

say that if you have unforgiveness in your heart he will not even listen to your prayer

17:58

not that he won't answer it it won't even hit his throne because his angels will knock it down

18:04

like a professional racquetball player won't allow it happen

18:11

we better check our hearts we want the power of the living god to come you got blackness in your heart you know what

18:17

happens when you offer profane fire before him you will die i am a bit nervous about the outpouring

18:24

of the holy spirit when you mix it with the torah do you know why because when you mix the torah with the holy spirit

18:30

you are at a standard that is off the charts

18:35

you are at a perfect standard meaning that there is a requirement for you to come near him

18:42

you better understand what holiness is you better define it the way the bible defines it lead us not into temptation into

18:49

temptation you will be tempted but lead us not into it or we get consumed by it but deliver us

18:56

from evil and he doesn't stop there and i love this part it's my favorite part

19:01

you should end every pattern of your prayer with for yours is the kingdom and the power and the glory forever what is

19:08

the kingdom that's a whole message or two right there that's a dangerous question for me to

19:13

ask from the pulpit but the kingdom is in you did you know that

19:19

which means that you're owned you don't have the right

19:24

over your own body you don't have the right to get angry at your brother are you kidding me he's

19:30

owned by the same person how do you have the right to make a judgment over your brother

19:39

when you don't own him

19:45

kyla comes to me and she has a little baby and malia is trying to take the baby or actually it's mostly reversed

19:51

malia has a baby and my young one is always trying to take it away and what do i say kyla give it back to malia

19:58

because it's hers you see kyla has no right to take it

20:03

it's not hurts there's an authority issue we don't have the right to take

20:10

from our neighbor or to even unforgive our neighbor

20:17

your neighbor is not yours let's move on because i got a lot i want to go through first john 5 14 and

20:22

this is the confidence that we have towards him that if we ask anything according to his will he hears us

20:28

proverbs 28 9 says oh boy this one's tough everybody close your ears you don't want to hear this one proverbs 28

20:34

9 says this i don't know how we didn't hear this in our christian denominations if one turns away his ear from hearing

20:41

the torah which is what it is in hebrew even his prayer is an

20:46

abomination did you hear what i just said did you hear what he just said if you turn his your ear from hearing

20:53

the law let me say it the way that it's meant in the hebrew shema if you turn you're

20:59

away from doing up hearing and doing

21:04

because it's not enough just to hear of course we're here i was in charlotte this past weekend

21:11

went to uh they took me to the the fastest growing christian church in america 37 year old kid

21:19

there was 1500 people in this unbelievable auditorium

21:24

they pass out earplugs when you walk in he only shows up to one of the campuses

21:30

and the other six campuses the same size in the same city

21:36

a giant jumbo screen comes up from the floor and they broadcast him on that screen

21:45

as he had in all of his eloquence and everything that he said he talked about rachel and leah and he

21:50

said that jacob worked for leah what he thought was rachel for seven

21:55

years and that was like the law of god as he said i said oh wow

22:01

lucky me the only message that i i get to ever hear from this guy and he's talking about the law of god and grace

22:07

go figure let's see what he has to say and he sets up the straw man and he says

22:13

that in the old testament before christ you have to keep the law of god you have to work to get grace to get rachel but

22:20

then when yeshua came when jesus came he said that you don't have to work you get grace first and then you can

22:27

keep the word of god see how he changed it because the here we've all been we've

22:33

all grown up that the word of god is the new testament and it's only the parts of the new testament that we want to we want to want to follow what he should

22:40

have said which would have been true he was so close was that in the old testament in the

22:46

tanakh you have to work in order to receive the grace but when yeshua came you get grace to

22:52

keep the law you get the power on high to keep the instruction manual

23:01

you can't keep the law for salvation but you get salvation so you can keep

23:06

the instructions but let him ask in faith with no doubting for he who doubts is like a

23:12

wave of the sea driven and blown and tossed by the wind we have a problem with doubting

23:19

almost done and then we're going to get into some meat first timothy 2 1. this is all introduction

23:24

first of all i urge that supplications prayers intercessions and thanksgiving be made for all people all people it

23:30

doesn't say your loved ones it says all people

23:36

first chronicles 5 20 and they were they were helped against them and the hague rights were delivered into

23:42

their hand and all who were with them for they cried out to god in the battle he heeded their prayers because they put

23:48

their trust in him do you know how many times in the bible that yahweh changed his mind and did unbelievable things

23:53

because his people cried out to him as i studied this out man and went through almost every story in the bible

23:59

the hundreds and hundreds of times that the word prayer and pray and pray is used the one constant that i found in

24:05

all the scriptures and we're gonna look at a few of those is that never once did a patriarch sit down and go dear jesus i

24:11

just pray you hear me amen

24:17

didn't happen that way yahweh only hears the squeaky voice

24:23

it's just like us he wants to hear our supplications he

24:28

moves when we have passion so let's start off in first samuel chapter one turn with me

24:34

in your bibles if you don't bring a bible

24:40

then i assume you have it memorized it is your sword

24:47

chapter one verse eight says this then elkanah her husband this is talking about hannah hannah wants a baby

24:56

elkanah her husband said to hannah why do you weep and why do you not eat and why is your heart grieved am i not

25:01

better to you than 10 sons just like a man to say that

25:06

woman why are you crying am i not the stud that you married am i not good enough

25:12

i am 10 sons

25:17

then hannah threw the remote control across the living room in a rage

25:23

after they had finished eating dinner and drinking in shiloh now eli the priest was sitting on

25:29

the seat by the doorpost of the tabernacle of yahweh and she was in bitterness of soul and prayed to the lord and wept in anguish

25:36

then she made a vow and said o yahweh of host if you will indeed look on the affliction of your maidservant and remember me and not forget thy

25:42

maidservant but will give your maidservant a male child then i will give him to yahweh all the days of his life and no razor shall come upon his

25:49

head finish this message ladies and gentlemen don't get up from your from your televisions or your internet right now listen to this message

25:56

all the way through and it happened as he continued as she continued praying before yahweh that eli

26:02

watched her mouth now hannah spoke in her heart only her lips moved but her voice was not heard

26:09

therefore eli thought she was drunk so eli said to her how long will you be drunk put your wine away from you

26:16

but hannah also said hannah said no my lord i am a woman of sorrowful spirit i have drunk neither wine nor

26:22

intoxicating drink but have poured out my soul before the lord

26:27

do not consider your maidservant a wicked woman for out of the abundance of my complaint

26:33

excuse me my complaint and grief i have spoken until now then eli answered and said go and shalom

26:41

in the elohim of israel grant your petition which you have asked of him and she said let your maidservant find

26:46

favor in your sight so the woman went away and ate and her face was no longer sad so what do we deduce from this

26:51

number one she wanted it so bad that she came to the high priest and she fasted and she prayed and she brought

26:58

her supplications with tears until she heard an answer what do we do

27:03

we come before the lord and we pray a prayer you know before breakfast or before dinner and you know we'll say another one a little bit later

27:10

she wanted a baby so bad that she literally fell on her knees weeping and she wasn't going to leave until she

27:17

had an answer from the lord do you do that let's go to daniel chapter nine

27:22

as we ramp this up in the first year of darius the son of

27:29

a hazaras of the lineage of medes who was made king over the realm of the chaldeans

27:34

in the first year of his reign i daniel understood by the books of numbers of the years specified by the word of

27:40

yahweh through jeremiah the prophet that he would accomplish 70 years in the desolations of jerusalem

27:51

this next verse is critical then i set my face towards the lord god to

27:56

make request by prayer and supplications with fasting sackcloth and ashes there

28:02

seems to be a pattern in scripture of people falling on their knees and sackcloth and ashes they don't move they

28:09

they supplicate before their god we've lost this art

28:14

we don't understand how to pray the american prayer is no different than walking through a fast food drive-thru

28:22

where we throw up a prayer when was the last time that you got up in the morning got on your knees even

28:27

the muslims do that three times a day

28:38

and he goes on and he starts the first thing he does is repent this is key you can't come before before yahweh with

28:45

anything you have to repent if you offended your brother you have to go to your brother

28:52

did you know that if you break the scriptures and you don't repent for the rest of your life

28:59

he will not hear your prayers he doesn't say hey i i won't i won't hear your prayers for that day

29:05

do you realize the seriousness of our king there is protocols and rules and regulations on how you approach him if

29:12

you break his commandments he will not hear your voice

29:18

the only voice he will hear is father forgive me so every prayer when you are in supplication should

29:24

start out that way father forgive me open my heart show me if i'm missing anything if i've offended

29:30

a brother in the smallest amount i want to err on the side of caution show me and give me the strength to repent

29:43

watch this did i highlight it somewhere

29:52

now while i was speaking in verse 20 and praying and confessing my sin and the sins of my

29:58

fathers you see the pattern and presenting my supplication before

30:04

the lord for the holy mountain of my god yes while i was speaking in prayer
30:12
the man gabriel whom i had seen in the vision at the beginning being caused to fly swiftly
30:18
reached me about the time of the evening offering this is a a a major
30:24
point that i want to make this tonight we are stuck in the physical realm what
30:29
you see right now is simply a man
30:34
but if our eyes were opened you would see angels all around
30:40
and when daniel prayed angels were dispatched do you think it's just because of daniel
30:46
oh he had a cool name that's maybe why no
30:51
the angels are dispatched for every righteous saint that prays
30:56
the reason why some of you live defeated lives because you have no clue how to supplicate you
have no idea what the formula is
31:05
we've taught to pray read our bibles and to go to church
31:11
but why is it that we can't pray for more than five minutes and we get a bible study together and
we we don't you know we say okay who wants to go first
31:17
and no one even raises their hand we have no fervor no we have nothing inside of us that wants
to pray
31:24
we sit in bible studies and ten minutes goes by from one person to the next person if we're in the
first century with daniel and you get nine daniels
31:31
around they're talking over each other because they want to pray so bad who would not want to
come before the
31:37
lord god who would not want to be first in line to see his face and to put your request
31:42
before the king what if there was only 10 answers and there's 11 people
31:51
we would be running to the throne for the answers and you wonder why your petitions don't
31:57
even get heard if i'm god and i'm and i've got 10 of my saints sitting around and we have a
32:02
bible study and we say who wants to pray and nobody says they may want to pray i'm not
answering their prayers they
32:08

don't really want me so somebody finally pipes up and starts praying because enough time has gone by

32:15

someone's got to do it like it's the hardest like we're picking up a car it's the hardest thing in the world to

32:21

do we have lost the art ladies and gentlemen of sackcloth and ashes we

32:26

don't even know what exactly the nash is

32:32

we need to learn from the patriarchs exodus chapter 32 verse 7.

32:46

and yahweh said to moshe go get down for your people whom you brought out of the land of egypt have corrupted themselves

32:52

they've turned aside quickly out of the way which i commanded them they have made themselves a molded calf and

32:58

worshiped it and sacrificed it and said this is your god o israel that brought you out of the land of egypt and yahweh

33:03

said to moses i have seen this people and indeed it's a stiff-necked people watch this now therefore let me alone

33:09

get out of my way i'm going to destroy these people from among you

33:16

moses pleaded with the lord his god with yahweh his elohim and said yahweh why

33:21

does your wrath burn hot against your people whom you have brought out of the land of egypt with great power and a mighty hand

33:27

why should the egyptians speak and say he brought them out to harm him to kill them in the mountains and to consume

33:32

them from the face of the earth turn from your fierce wrath and relent from this harm to your people folks that is

33:38

some serious guts to speak to the almighty

33:43

and say time out father i can't let you do this back down these are your people

33:50

if yahweh came up to me and these are the same people that tried to stone moses

33:57

and if if if if i was moses and these people were against me and started complaining why did you bring us out of

34:02

egypt we were having snake and lobster back in egypt let's get rid of this guy and yahweh says
moses get out of my way

34:08

i'd be like okay fine here you go go get him lord yes

34:13

get cora first he gets on my nerves

34:23

moses was chosen to be moses because he loved even his enemies

34:31

you couldn't convince moses to kill the israelites even when they had slapped him on his both
cheeks and there's

34:36

nothing left

34:42

do you want what takes to be a husband you better love your children in such a way that you
could get down on

34:48

their knees on your knees at their level look them in the eye when you walk in the door

34:56

i love coming home with six girls it's like a stampede to hug dad

35:05

and malia is the best by far she

35:11

i have to get down on her level because she she's like figured out the whole football thing

35:16

that the best way to bowl dad over is to get him right in in the midsection so she comes and
wraps her arms around

35:22

me squeezes me probably there's no there's no bones around the belly and if i'm not ready for it it
just takes my

35:29

breath away because she can squeeze i got to get down on one knee and i want

35:35

to hug her the father is looking for that kind of leadership get down on your knees

35:43

moses beseeched his god to turn away his wrath and you know what yahweh did he changed

35:48

his mind he changed his mind

35:56

i'm praying for my enemies because he died for them too

36:04

and if it wasn't by his grace i would be his enemy

36:11

acts chapter 12.

36:23

still an introduction

36:29

acts chapter 12 peter's in prison they grab them throw them in prison

36:38

and here's what happened it says in verse 5 peter was therefore kept in prison but constant prayer was offered to

36:45

yahweh for him by the ecclesia by you by the congregation

36:51

not five minutes of prayer it was it was a 24 hour house of prayer constantly they

36:56

were praying they refused to believe that the apostle peter was going to stay in prison they refused to believe it

37:04

so what happened well let's read it

37:09

when here was about to bring him out that night peter was sleeping bound with two chains between two soldiers and the

37:14

guards before the door were keeping the prison now behold an angel of the lord stood by him and a light shone in the

37:19

prison and he's and he struck peter on the side and raised him up saying arise quickly and his chains

37:26

fell off his hands folks some of you have real

37:32

bondage in your life and you need the chains to fall off your feet in your hands

37:39

the bible says that if you don't confess your sins to one another you will not be free and you will not experience the

37:44

presence of the almighty you need to open your chest it is part of the formula

37:51

call someone that you know call someone that you don't know that'll make you really uncomfortable

38:01

why can't we do that why can't we say okay i'm i'm going to confess my sins to the person that is

38:07

three rows behind me i don't care who it is why does it matter

38:13

five letters p-r-i-d-e that's it it's just pride

38:19

that's the only reason why it matters i should be able to confess my sin to everyone in here

38:25

what do i got to hold on to why do i want to hold on to it the bible says it's real simple confess your sins

38:32

to one another times of refreshing come from the presence of the lord when we do so why would we want to do that

38:39

who wants to go first

38:47

the angel said gird yourself tie on your sandals so he did and he said to him put on your garment and follow me

38:54

do you realize that the gospel has been given do you realize why this is being said listen to this if the angel comes to him

39:00

and says gird yourself after he was set free and the shackles went by after yeshua came into your life and you

39:06

confessed them into your life instantaneously the shackles fell from your body the problem is is that no one

39:11

told you the next verse it says gird yourself tie on your sandals

39:16

put on your garment and follow me yeshua said the same thing

39:21

follow him some of you want a lightning bold experience i want a motion i want you to

39:26

i want to know i want to cry the bible says just follow him is that

39:33

not enough what if we never felt him is it not enough to follow him

39:44

i want both and i will not stop until i receive both

39:50

because he offers it for all those that want it

39:55

lastly we're going to end up in the book of nehemiah this is where i want to spend my time

40:00

this book is is a chapter by chapter line by line

40:06

history and future of this ministry we're going to start in verse 3 of

40:13

chapter 1 of nehemiah

40:26

the southern kingdom the northern kingdom is already taken away into captivity into syria beginning to be dispersed into the then known world

40:33

the southern kingdom of judah been taken captive into babylon

40:41

and then babylon gets taken over and some of the people go back living in jerusalem

40:49

ezra is there you have the story of ezra nehemiah and esther all packed into one time period

40:56

overlapping each other and this is where we are in the book of nehemiah

41:02

so he's a cupbearer to the king he says and they said to me the survivors who are left from the captivity in the

41:08

province are there in the great distress and reproach the wall of jerusalem is broken down and its gates are burned

41:13

with fire so it was when i heard these words that i sat down and wept and mourned for many

41:18

days i was fasting and praying before the god of heaven do you see the pattern again

41:25

nehemiah finds out this information and he fasts and he prays and he sits in sackcloth and ashes and he is for many

41:32

days morning who does this

41:41

today someone is in sackcloth and ashes in mourning and crying out to their god and we act like eli and we say what's

41:47

wrong with this person are you drunk that's not how you pray

41:57

so it was when i heard these words that i sat down and wept again mourned for many days i was fasting and praying

42:03

before the god of heaven there's something significant about fasting and one of the biggest reasons why american

42:08

christianity or church has fallen to its knees

42:14

is because we love to eat we're a bunch of fat lazy believers

42:21

in the spiritual realm what we see in the in the in the

42:26

physical realm patterns the spiritual realm what do they say today obesity is at an all-time high in america higher

42:32

than it's ever been in the history of 2500 something years or whatever it's been however long it's been and it's the same in the spiritual realm

42:39

ladies and gentlemen we are lazy

42:45

we don't even we can't we we we loathe the idea of skipping not a meal a snack in between

42:53

much less skipping a meal fasting are you kidding me after one day we're like dying

42:59

i'm gonna die some of these these men and women 21

43:06

days daniel went and look who he got

43:12

gabriel you fast for 24 hours and you wonder why

43:18

you get an angel that shows up with a half a wing [Music]

43:26

i'm here what can i do for you

43:39

you want power go 21 days so listen to how he starts out you'll

43:45

see the pattern i'm telling you there's a pattern here and i said this was what he said i pray

yahweh god of heaven great

43:52

awesome god you who keep your covenant and mercy with those who love you and observe your commandments

43:58

please let your ear be attentive and your eyes open that you may hear the prayer of your servant which i pray

44:03

before you now this is his prelude day and night for the children of israel your servants

44:10

he does not go into his prayer of what he wants yet watch what he does first

44:16

he says and i confess the sins of children of israel which we've sinned against you both my father's house and i have sinned

44:23

we have acted very corruptly against you have not kept your commandments your statutes your ordinances which you've commanded your servant moses remember i

44:29

pray the word that you commanded your servant moses saying if you are unfaithful i will scatter you among the nations but if you return to me and keep

44:36

my commandments and do them though some of you were cast to the farthest parts of the heavens yet i will gather you from there and bring them to the place

44:42

which i have chosen and dwelling for my name if you want to see your your wives and your husbands and your children restore begin to keep his commandments

44:48

in the spirit of the ruachka condition you will see amazing things happen this isn't just a physical thing at the

44:54

end of time that the real physical israelites and those who call upon his name will come back it is right now you

44:59

have this promise keep his commandments do what he says get excited about the lord god and he will come to you he will

45:06

heal your land now these are your servants in verse 10

45:12

and your people whom you redeemed by your great power and by your strong hand oh lord i pray please let your ear be

45:17

attentive to the prayer of your servant and to the prayer of your servants who desire do you get this desire let's see what

45:23

the word desire means in hebrew means

45:29

desire it means that you have pleasure in

45:38

you desire you sweat blood you desire it so bad

45:45

do you hear what he's saying he's giving us the formula he says only listen to the servants who desire

45:51

to fear your name and let your servants prosper this day i pray and grant him mercy in the sight of

45:57

this man and this is one of the most incredible lines in all of that chapter much less the entire bible is the last

46:03

uh the entire book is this last half a verse for i was the king's cupbearer

46:10

i would have thought for sure that was the king's lead intercessor

46:16

he was the lead prayer warrior for the king after a prayer just like that are you kidding me

46:23

he was the cup bearer

46:28

folks you you can be a plumber you can be a carpenter you can be whoever you are you know up for years up until two

46:34

nights ago until thursday night i thought okay well you know my gift is

46:40

is prophecy and preaching the word and teaching my gift is not intercessor i'm not a

46:45

prayer warrior the father said who the heck said that you're not a prayer warrior who gave you that right to stand down when you're at

46:51

your post you are a prayer warrior you're just copped out and said oh i can't do that i

46:58

can't pray for an hour and 10 minutes straight and the father says oh yeah watch this

47:10

ladies and gentlemen what i was really saying is i'm not really in a war this is my part over here

47:20

no wonder the enemy was clobbering me i don't know how to pray

47:28

verse 5 it says and i said to the king if it plea so the king says you know

47:34

what's going on what's happening why are you so upset now we're in the month of nisan

47:41

first month of the year getting ready for passover 14 days before passover

47:47

if it pleases the king and if your servant has found favor in your sight i ask that you send me to judah to the city of my father's tombs that i may

47:53

rebuild it this is very amazing

48:01

the word rebuilds because it has the uh the the connotation of of of obtaining children

48:10

of progenerating because remember in ancient israel it's an agricultural society how do they

48:15

build you don't just have two kids there's no such thing as saying i'm an only child

48:21

if you're an only child your family dies there's nobody to work the farm so you had multiple multiple multiple

48:28

children you are building your household

48:34

this is why children are blessing amen so he wants to go back and rebuild it

48:41

now now catch this he's not in judah he's not living there there's thousands of people living in jerusalem 40

48:47

something thousand people more than 40 000 people living in jerusalem at the time already have their houses going on

48:54

nobody knows who on earth nehemiah is nor does anybody care

48:59

so the king said to me with the queen sitting beside him i think that's funny

49:05

kings are not allowed to speak without the queen it's the same today

49:10

how long will your journey be and when will you return so it pleased the king to send me and i set him a time

49:17

so here we go watch this then i went to the governors in the region beyond the river in verse 9 and gave them the

49:23

king's letter so the king gives him everything he needs to go on his journey by the way this whole book is your

49:29

spiritual life it's your spiritual journey you need to read this book it'll give you everything that you need to

49:35

succeed in your walk with him and it will prophetically tell you what's going to happen next because the very first

49:40

thing that happens is in nahimiah realizes that the walls are down and his city his inheritance is in need of him

49:47

he cares that his people are without protection

49:52

of the walls the second thing that happens is he falls on his knees and in prayer and

49:58

supplication and fasting and sackcloth and ashes and tearing his chest open he comes before his god and he asks

50:03

forgiveness for other people when was the last time that you prayed and asked forgiveness for somebody else

50:11

we barely do it for ourselves and the next thing he does is he went to the king

50:16

and he said okay king now that i'm forgiven now that i'm clean now that i'm clean before you and i've opened up my chest

50:23

i need you to give me and grant me what i need to go on my spiritual journey to be part of the solution of building

50:29

up the walls and the king to his blown away mind says absolutely here you go here's your

50:36

provision he goes on a journey he sets out and what's the very first thing that happens when he sets out on the journey to

50:43

repair the walls come to verse 10 and we see this when sam balet the horror knight

50:49

and tobiah the ammonite official heard of it they were deeply disturbed that a man had come to seek the well-being of

50:56

the children of israel the enemy started to get deeply disturbed

51:02

but they don't do anything they're watching and this is exactly what happens in your spiritual journey

51:09

the enemy watches most of the time you don't even know that he doesn't even know the enemy's

51:15

watching he has no clue that he's being watched

51:20

watch this so i came to jerusalem and there was three days how many days

51:26

three i'm sure that's a coincidence then i arose in the night and a few men with me and i told no one

51:33

what god had put in my heart and what did he do he went around to every part of jerusalem wall and he inspected the

51:38

wall he didn't just show up with uh you know here i is i'm nehemiah don't you know about me i have a book

51:44

out there i am the great minor prophet i think i major

51:52

he took at night he respected the rulers of the people and at night he wanted to inspect and

51:58

find out how what the damage was because he was about to present his case

52:05

and the officials in verse 16 did not know where i had gone or what i had done and i had not yet told the jews the

52:10

priests the nobles the officials or the others who did the work then i said to them you see the distress that we are in how

52:17

jerusalem lies waste and its gates are burned with fire come let us build the wall of jerusalem that we may no longer

52:23

be a reproach and i told them the hand of my god which had been a good upon me and also the king's words that he had spoken to me so

52:29

they said let us rise and build and i'm thinking wait a minute time out they've been living there for years

52:35

did nobody else notice that the walls are not built that they're destroyed and in rubble did nobody else stand up and

52:42

go hey this is probably not a good idea if anybody wants to come against us they pretty much just walk in the doors we don't even have gates how many of you

52:48

would take the doors off your hinges on the outside of your house and live there for years that's what they were doing

52:54

only in ancient times the only protection you had was the wall around the city

52:59

they were villages really at the time they were they were fairly small villages and the and the wall that was

53:05

around jerusalem was not there the the doors themselves were burned

53:10

nahima comes up and says guys we have a problem what is he doing he's taking his hand punching it into complacency

53:18

in saying wake up people are you blind there's no doors or gates or walls

53:24

we can't live like this the enemy is out there roaring and waiting

53:30

so here we go so their answer watch this their answer was let us rise up and build

53:36

then their hands they set their hands to do this good work and the very next thing that

53:42

happens when they remember the enemy shows up when when was the first time the enemy showed up the enemy showed up

53:47

when nehemiah started his journey he went forward then the enemy didn't do anything just watched when's the next

53:53

time the enemy shows up when they said let's do it verse 19 but when samuel let the horror knight told by the ammonite official and

54:00

geshem the arab heard of it they laughed at us and despised us and said what is

54:05

this thing that you're doing will you rebel against the king what is the first strategy of the enemy

54:12

the very first strategy the enemy is this is to convince you you can't do it

54:18

and you're a joke that's his number one is to convince you

54:23

it's not real the number one reason why this movement of the torah is not totally penetrated the nations is

54:30

because the very people that hold to the front of the book that said we've got to go back to the covenant don't believe in

54:35

the supernatural realm they don't believe in the holy spirit to the depth that he wants to reveal himself they

54:41

don't believe in the demonic realm half of them don't even believe there is a satan

54:48

because they've absorbed sambalets hogwash that you can't do this

54:55

who are you the enemy is out there and he wants to

55:03

stop us from doing this work so what was his answer verse 20 says the

55:09

god of heaven himself will prosper us therefore we his servants will arise and build but you have no heritage or right

55:15

or memorial in jerusalem yerushalayim is not yours do you realize

55:20

this is your life this is your answer this is everything

55:26

where the enemy comes against you this is your answer get behind me

55:32

hassatan you have no right or authority and yerushalayim is not yours it's mine

55:39

last night when i prayed prophetically i prayed something that was a bit controversial and i said that we will

55:45

storm the gates of hell

55:51

someone said are you sure actually more than one person said that are you sure you want to do that

55:59

not realizing that i wasn't challenging the enemy to some cowboy duel

56:05

the enemy has our city those are our walls

56:12

they're not his walls where do you think his walls are somewhere in you know tyron

56:19

in pakistan his walls are around mount moriah he's taken over the mountain of our god and

56:25

he's using yahweh's walls to keep his own people out

56:31

so when i say that we're going to storm the castle it's to take it back

56:36

it's our castle it's our inheritance

56:46

and the god of heaven will prosperous chapter three

56:52

then eliashive the high priest rose up with his brother and the priest and built the sheep gate i
love this verse

56:59

why because for once in our life we see shepherds at the highest level

57:05

starting the work these today shepherds are telling you guys to do all the work

57:11

you guys need to do it you need to do it you need to do it how about the priest lead the fight

57:22

we need more judah maccabees who's a priest with a sword

57:33

they consecrated and hung the doors they built as far as the tower of the hundred and consecrated
then as far as the tower of hennano

57:41

next to eliashive the men of jericho built and next to them zechar the son of emery built also the
sons of hasanah

57:48

built the fish gate they laid its beams and hung its doors with its bolts and bars next to them
miramat the son of

57:54

uriah the son of cause made repairs next to them mushalam the son of berkaya

58:01

the son of mesh zabel this is challenging me made repairs

58:06

next to them zadok the son of bana made repairs

58:15

in verse 5 i love this next to them the

58:20

tokyoites techoites see the japanese are found right here in the scripture you don't even know that

58:31

listen to this i'm gonna read this again

58:37

next to them the tachowites made repairs

58:44

but their nobles did not put their shoulders to the work of their

58:50

lord i want to make a point right here

58:56

he goes through everybody's name if anybody ever wondered why why do they go through all
the names i mean hello

59:04

this is what you read at like 11 30 at night when you can't go to bed

59:10

next to them raphael son of her son of this guy son of him

59:15

no there's a reason because in their time there was such thing as honor there was such thing as that it was

59:21

honorable to write their name on a stone so that every generation after that would know that my great great great

59:26

great great great great great grandfather he stood in the gap and he fixed the walls and he was part of the

59:32

solution and not the problem and so let me ask you today at the same time

59:40

it was worthy enough to note that the nobles of the techawhites chose not to get involved in the game

59:49

they chose not to be part of the solution they chose to build their own house they chose to take their 401ks and

59:56

save up for some great time in new mexico when they retire or arizona wherever it is

1:00:03

but the takeaways and all these other people they said hogwash our homes are second the walls of jerusalem are down

1:00:10

we are vulnerable to the enemy i'm all in

1:00:16

if the book was closed today would your name be found as the solution

1:00:22

part of the solution would your name be found on honor roll i'm just asking in every way name it

1:00:30

spiritual gift your time your talent

1:00:35

your finances you're going to stand before god when the priest gave 10 at the very minimum and he says thank

1:00:41

you for your one and quarter percent for your whole life you made a giant impact on my kingdom while you took your

1:00:47

vacations and your golf trips we should be ashamed of ourselves ladies

1:00:52

and gentlemen that we don't stand before our homes and build the gates

1:00:58

while the walls are down and we wonder why the enemy infiltrates our homes and our families

1:01:04

we're not doing our part i can't do it all the leadership can't do it all we need your help

1:01:11

i need to know what your gifts are last night when we had this this unbelievable prayer time

1:01:19

i learned that some people have a gift of praying i was blown away
1:01:25
precious when you prayed i never opened my eyes when someone
1:01:30
prayed before i had to i had to look at you to see if this wasn't pre-recorded
1:01:36
she prayed so unbelievable so articulate at the end no joke i thought jesus could be black
1:01:46
i started to wonder because i never heard anybody pray like that
1:01:54
and i'm going to put it online so when you hear it you will think this too
1:02:00
please don't write me any emails on that okay i'm just not in the mood
1:02:09
verse 8 next to him uziel the son of yahwah
1:02:15
one of the goldsmiths made repairs then the perfumers you get this everybody's involved the
goldsmith the perfumers the
1:02:21
ones that are doing the the the what do you call them on the bottom of the horses the horseshoes
1:02:29
blacksmith thank you it shows you how far removed we are
1:02:37
the guy that flips hamburgers the guy that's an executive the cpa
1:02:42
the trash collector or the sanitary engineer however you choose to say it
1:02:48
everyone is involved there's no like a club everyone's involved
1:02:56
i want you to turn to chapter four as we close this out and it says this but it happened when sam
balet here we
1:03:02
go sam the enemy's back heard that we were rebuilding the wall
1:03:08
now he went from what the very first time he was bothered the second time
1:03:14
he made fun of him what did he do he tried to get into their psyche
1:03:20
get into their mind and the third time
1:03:25
he was furious very indignant and he mocked the jews
1:03:33
and he spoke before the brethren and the army of samaria and said
1:03:38
what are these feeble jews doing remember this this is only the jewish people at this time this is
the house of

1:03:44

judah will they fortify themselves where they offer sacrifices will they complete it

1:03:50

in a day will they revive the stones from the heaps of rubbish

1:03:56

stones that are burned

1:04:02

he's getting nervous and he's getting ready for war now tobiah the amorite was beside him

1:04:08

and he said whatever they build even a fox goes up on it he will break it down their stone wall

1:04:15

nehemiah says hear o god for we are despised turn their reproach on their own heads and give them a plunder to the

1:04:21

land of captivity do not cover their iniquity and do not let their sin be blotted out from before

1:04:27

you for they have provoked you to anger before the builders he goes back to prayer

1:04:33

this whole book is in nothing but a historical book on how to deal with the enemy

1:04:38

so we built the wall and the entire wall was joined together up to half a tight for the people had a mind to work

1:04:46

now it happened when sambalet you see how he's showing up more and more

1:04:51

when the enemy heard that the walls of jerusalem were being restored and the gaps were beginning to be closed they became very angry

1:04:59

and all of them conspired together to come and attack jerusalem and create confusion

1:05:04

what does the enemy do comes to steal kill and destroy and divide and conquer create confusion nevertheless we made

1:05:10

our prayers to our god known because of them we set a watch against

1:05:16

them day and night the prayers it got more intense as the battle and the progression happened the enemy came

1:05:24

harder you see if the enemy doesn't come into your life ladies and gentlemen you're probably doing nothing for the kingdom

1:05:30

of god if you haven't had a real attack and you haven't had a demonic attack on your

1:05:36

life and you don't even know what i'm talking about you're probably doing nothing

1:05:42

he's at the place where he's not even watching you you're not even on his radar

1:05:47

some of you say well i don't want to be on his radar if you're not on his radar you're not on yahweh's radar

1:05:53

yahweh only backs up those that are on the radar of the enemy

1:05:59

you want a one-armed angel that's fine that may be all that you need

1:06:05

then judah said the strength of the laborers is failing it's a war there's so much rubbish that we're not able to build the wall our

1:06:11

adversaries said they will neither know nor see anything until we come into their midst and kill them and cause the work

1:06:17

so it was when the jews who dwelt near them came that they told us ten times from whatever you place you turned they

1:06:22

will be upon us their own people were telling them you're crazy you can't do this we're not

1:06:28

gonna make it they've already got it half built and completely surrounding the city and their own people are

1:06:33

beginning to turn on them because the war is raging and the battle lines are drawn

1:06:40

they're scared of the enemy that's what's going on right now in this movement

1:06:46

and i looked and i arose and said to the nobles to the leaders and to the rest of the people do not be afraid of them remember the lord great and awesome and

1:06:54

fight for your brother and your sons and your daughters and your wives in your houses and it happened when our enemies heard that it was known to us that god

1:07:00

had brought their plot to nothing that all of us returned to the wall everyone to his work

1:07:06

so it was from that time on that half of my servants worked at construction while the other half held the spears the

1:07:12

shields the bows and wore the armor and the leaders were behind all of the house of judah

1:07:19

what's what is the learning principle here there are those that are working but the

1:07:24

work doesn't do anything without the prayers and the supplications of the intercessors

1:07:30

any ministry any congregation that sets out to repair the walls of jerusalem that does not have a praying

1:07:37

warrior mentality will get consumed by the enemy

1:07:43

you want to repair the walls of your home let's make it personal you can't do it by reading the bible i'm

1:07:48

sorry you can't do it by keeping the commandments i'm sorry you can send me

1:07:53

emails on that i'll give you a response because i know this is on stepping on somebody's toes because you don't

1:08:00

understand your real theology of what the bible says my bible says it's not enough to know your god it's not enough

1:08:06

to proclaim his name it's not enough even to keep his commandments you must fall on your knees and pray

1:08:11

because we don't fight against flesh and blood we fight against principalities of this present darkness and we as american

1:08:16

believers don't do this and we wonder why we are defeated in every area of our life why our children deny the messiah

1:08:22

while our spouses are committed adultery why men are caught in in pornography and wives don't even fall on their faces for

1:08:28

10 hours a day you want to see your man come back to you fall on your face and start doing bible things in bible ways

1:08:33

and you will see everything turn around in your life

1:08:39

ladies and gentlemen it is time that we stand and be warriors for the messiah and the only way to

1:08:44

stand to be a warrior is to get on your knees it is the lost art that the enemy has

1:08:50

somehow somehow stolen this art

1:08:56

of prayer

1:09:06

so we built the wall and the entire wall was joined together

1:09:21

so verse 22 says at the same time i also said to the people let each man and his servant stay at night in jerusalem that

1:09:28

they may be our guard by night and a working party by day skipping onto chapter five then i

1:09:35

called the priest and required an oath from them this is nehemiah this is a nobody he has

1:09:41

no right to jerusalem he's meaning that he doesn't live there this is a guy can you imagine somebody walking in your

1:09:48

house and saying by the way every door you have is off when you get the doors back on don't matter what my name is where i'm from here's what we got to do

1:09:53

here's the plan are you in or out you better be walking in the spirit

1:10:02

because it might be an angel he calls the priest notice this

1:10:09

he calls the pastors the shepherds the leaders the elders

1:10:15

and required an oath from them that they would do according to this promise

1:10:21

i'm going to end with this then he shook out the fold of my garment see they had a belt right here

1:10:27

he shook out the fold and said so may god shake out each man why this is really important that you

1:10:33

know the history behind this uh they would carry grain but okay they had these uh we would say like long robes

1:10:40

and they had a belt and they would pull out the the garment and it would make like a pouch

1:10:46

you see and they would carry grain and they would carry goods and fruit and different things back from the market it was part of uh

1:10:53

it's like a shopping cart built-in shopping cart right there so this is a really big statement that

1:10:59

nahimi is making when he says this he took takes the fold out of his garment which is designed for fruit

1:11:06

and he shakes it says so may god shake out of each man from his house from his

1:11:11

property who does not perform this promise even thus may he shake out and be empty

1:11:18

and all the assembly said amen and praise yahweh then the people did

1:11:23

according to the promise and we're going to stop there in our journey to him to through nahimian

1:11:29

because this is where we are in our journey here at passion for truth in this ministry to take the message of the

1:11:34

torah to the nations as i'm proclaiming before you today by whatever authority that yahweh has

1:11:39

given me as a modern day priest may yahweh shake you out

1:11:46

and make you empty if you do not repair the wall that's in front of you

1:11:51

there are people that are relying on you there are families that are dying on the vine

1:11:57

you are not a receiver you are a giver we are not the tail ladies and gentlemen

1:12:04

we are the head yahweh calls his people for a purpose to be a light to the nations i know you're

1:12:10

broken down i know you're hurting i know you're depressed i know that you are you are in

bondage and some of you are in

1:12:15

sin and your families have fallen apart i'm telling you right now get your eyes on the kingdom

and seek first his

1:12:21

kingdom and start feeding the other sheep around you and you will find out that your sins that

beset you once

1:12:27

before and inhibited you and became walls in front of you will come down you build yahweh's

walls and the walls

1:12:34

that are protected that are keeping you from the lord will fall your chains will fall when did the

chains fall

1:12:41

when there was supplication peter's chains fell

1:12:46

when the saints were praying we receive not because we what

1:12:52

ask not how do you ask on your knees in prayer in supplication

1:12:58

fast for crying out loud die if it takes it

1:13:04

fast until you get an answer from the most high god and if you die so be it you will live on the

third day

1:13:11

why is it that we're so afraid of pain and suffering in america why is it that we can't even suffer

for a brother

1:13:18

why is it that we are so modest ourselves we feel bad about calling a brother at two o'clock in the

morning

1:13:23

because you need prayer because you don't want to wake them up do you know why they feel

bad because

1:13:28

we've made them feel that way why is it that we don't we don't wake each other up in the middle of the night

1:13:34

and we're like man i'm so glad you called brother i'm out i'm on it i'm on my knees right now praying for you

1:13:40

why is it we don't have that kind of love for one another why is it that we don't how is it that

1:13:45

we love our sleep while the enemy is awake

1:13:51

we are slumbering ladies and gentlemen and when we pray

1:13:56

we don't even know how to pray we don't even know what anguish is

1:14:03

matt find david wilkerson call to anguish on youtube right now please if you can

1:14:10

david wilkerson call to english we don't know what it means

1:14:15

to be baptized as david wilkerson says in anguish this is what the patriarchs did they

1:14:22

submerged themselves in tears when was the last time that you cried for your spot your spouse

1:14:28

then you set tears for your children that you skipped a meal just so that you could sense the holy

1:14:35

spirit deeper and thicker and wider have you ever sensed the holy spirit in your life

1:14:41

let me say something that might blow some of you away how do you know you're saved

1:14:47

my god says through his son that if you are saved you will walk with greater

1:14:53

things than i did you will walk you will pick up serpents and they won't bite you you will drink

1:14:59

poison and it won't hurt you you will lay your hands on people and they will be healed you will rise in the morning

1:15:04

you will not have sins that will beset you you will not lie in bondage are you sure that you have the living

1:15:10

rock hakadesh living inside of you jim you're going over the board yes i am someone's got to go overboard because

1:15:15

nineveh is dying someone's got to be willing to cross the

1:15:21

line and maybe i'll go too far but some of you are already over the

1:15:26

line some of you need yeshua again

1:15:33

some of you need to fall on your faces and you need to repent of your sin

1:15:38

i know i sound like a southern baptist preacher but ladies and gentlemen we need this we need this

1:15:45

some of you say you know i i just want a small bible study i just want a home group

1:15:51

i i i don't wanna i don't want this big big stuff i i don't want that what you're really saying is you don't want the prophets to come true

1:15:58

because yahweh says to the prophets he wants the whole world to come to know this stuff and all while you just take

1:16:04

his word and you want to succumb to it and you want all the you want all the knowledge you want to learn all the mysticism and you want to know who the

1:16:10

antichrist is i'm tired of answering questions about the end of time when the end of time comes i'll let you know

1:16:20

ladies we need to get prepared for the end of time and the only way that you're going to survive the great tribulation

1:16:25

is not going to be through a long black coat with shotguns and grenades

1:16:31

and buckets of grain you will survive on your knees

1:16:39

[Music] our knees need to have callousness

1:16:44

we need to be numb your stomachs need to hurt from praying so hard

1:16:50

i've never prayed so hard in my life and i've prayed in the last week i've never cried so hard my stomach has

1:16:56

never hurt this much from being so passionate in prayer you know why because abba's starting to give

1:17:01

me his heart and i'm starting to see that this world is falling apart and his people are dead

1:17:08

they proclaim with their lips that yeshua is lord but their hearts are so far from them they don't even know the

1:17:15

holy spirit if it knocked them upside their head they probably say and deny it and think it's a demon if they believed

1:17:20

in demons we don't walk in the supernatural because we don't pray in the

1:17:26

supernatural we pray like it's some santa claus genie

1:17:32

ladies and gentlemen we need to get the religion out of us and get on our knees before our god

1:17:39

nothing will change he says that he doesn't do anything or two until he gives the words to his prophets what do you think the prophets

1:17:46

are doing all the time have you ever wondered why nothing happens except for the word through the prophets

1:17:52

the prophets spend most of their time on their knees how do you think they hear from the lord

1:17:58

turn your televisions off ladies and gentlemen why do you spend an average of 20 hours

1:18:04

a week listening to someone speak to you

1:18:09

that's not the lord god give it a try sit in sackcloth and ashes had a friend

1:18:16

this week spend three full days in the word eight hours a day in the word

1:18:23

eight hours a day in the word

1:18:28

one day you'll hear the testimony of how it revolutionized and changed his life

1:18:33

like there's no tomorrow when was the last time that you spent five minutes

1:18:42

and some of you are like man my bottom hurts for sitting here for two hours

1:18:47

shame on you shame on you that you can't sit here for two hours

1:18:54

shame on you that we can't get on our knees for ten minutes

1:19:00

why our children are on their way to hell

1:19:06

who will stand in the gap who will repair the walls

1:19:13

if one person doesn't do it it's a door to the enemy to the entire

1:19:19

congregation and i pray and i do i may be the only pastor on the

1:19:26

planet earth that will ever pray this prayer because there may be three people left when i'm done

1:19:34

but i declare like nehemiah did i'm not in this to play church i'm in this for war

1:19:40

and i say father if there's a family in this house that doesn't want to repair the wall

1:19:47
remove them from the city and replace them with someone who's willing to work

1:19:54
this is not about sitting it's about being engaged

1:19:59
with a sword in one hand and the word of god another a shovel in one hand

1:20:05
and the word in the other did you find that clip

1:20:12
ladies and gentlemen do you know what this is this is not just any sort

1:20:20
this is a replica that i purchased in scotland this is a william wallace braveheart

1:20:26
sword and trust me

1:20:33
you'll know it when you touch it because this thing

1:20:39
i would not want to look into the eyes of the person that could swing this because it is

1:20:44
heavy it is solid it is sharp

1:20:51
just to be able to swing this the amount of strength i'm telling you right now let me just show you
how weak

1:20:57
i am i'm gonna do this okay guys coming at me first i have to pull it back

1:21:04
without it making me fall on my bottom

1:21:13
i don't know how they did it you know why i can't do this because i'm not in shape and not

1:21:19
qualified to hold this sword so what does someone do

1:21:28
not qualified to hold a sword

1:21:38
i hide behind my shield and that's what we've been doing for 2000 years

1:21:47
if we want to win this war and i'm telling you it's already won

1:21:54
we need to go outside of time and we need to prepare to be able to pick up the sword

1:22:01
and the only way that you can be prepared is to be on your knees

1:22:08
so i'm going to make a challenge to every single one of you in the in the sound of my voice

1:22:13
i'm going to challenge you this is going to be far outside of your comfort zone

1:22:21

i'm going to challenge you to pray on your knees this is pathetic challenge actually
1:22:28
on your knees for seven days 30 minutes a day
1:22:34
i'm embarrassed before my god that it's only 30 minutes
1:22:39
some of you do not understand what's happening in this ministry some of you do not understand
the battle
1:22:47
that is before us there are only two ministries worldwide
1:22:53
that are media driven that are reaching the multitudes for the nations for torah
1:23:00
and that doesn't come from me that is just a fact and we are one of them
1:23:05
we are in a nahemia moment if it's not us
1:23:11
it's down to one and if it's not him it's not happening
1:23:21
before every great move of yahweh there was one man that stood in the gap and said
1:23:29
there's holes in the wall who's with me who's with me
1:23:35
and they got on their faces sackcloth and ashes fasted and prayed until yahweh gave them a word
and gave
1:23:42
them victory and when he said go it didn't matter if there was only three people behind them
1:23:47
they went to war and so i'm saying this right now
1:23:52
not figuratively not spiritually or emotionally
1:23:58
i'm asking and i'm begging this war is real there's no time to mess around there's
1:24:04
no time for sin there's no time for tv i need to know
1:24:10
who's with him because this war will only be one
1:24:17
when we stand up and we get in the game
1:24:23
father i just pray for your people right now i'm exhausted
1:24:30
don't know if i spoke your words tonight father i had no idea what you really want to say
1:24:36
but father i know if you just had one person just one
1:24:42

one person in the sound of my voice that would go all in
1:24:48
they wouldn't care about their house home retirement cars money vacations
1:24:56
what would it be like just one
1:25:01
would be willing to give it all [Music] to study day and night
1:25:07
do the best that they can pray be on their knees set their alarm for two o'clock in the
1:25:12
morning three o'clock in the morning spend 30 minutes be uncomfortable
1:25:19
i'm taking that challenge father i will do that
1:25:25
at 2 22 every morning i will wake up for the next seven days and i will pray for 30 minutes i give
you my word
1:25:33
i want to see your hand move i want to see your people humbled
1:25:39
and grown and matured and healed
1:25:47
father i love your people i love them
1:25:53
it hurts me that i can't touch every single one and pray with everyone would you send more
shepherds
1:26:02
father stir the hearts of those that have ears to hear and eyes to see this is not an eloquent
message
1:26:08
it's a simple message that if my people
1:26:13
will humble themselves and pray and turn from their wicked ways
1:26:20
then i will heal the land humility
1:26:26
prayer repentance it's a simple formula
1:26:34
while the enemy tries to seek whom he may devour
1:26:39
most of us have no clue that he's even there
1:26:44
because we do not walk in the spirit realm
1:26:50
father forgive us for our apathy our laziness
1:26:57
for not really caring forgive us for letting the enemy in our lives and we don't even know it

1:27:05
in our homes [Music] father forgive our men
1:27:10
for being drunkards in every way
1:27:16
slumbering and slothful so we don't know how to lead
1:27:22
first step is lead father we fall on our knees before you
1:27:30
and we commit that if there's nobody else to go
1:27:36
we'll go and if there's others that have gone before us
1:27:42
we will still go and when you have enough we will go again
1:27:53
forgive us and our fathers and all the generations past for the traditions and doctrines of men that
we've held so dear
1:28:00
that we actually love them more than we do do you forgive us that when you your truth is
1:28:07
set before us we despise it we don't want to do it
1:28:14
father would you pour out your spirit among your people humble us again
1:28:19
i want to see acts 2 squared i do lord i'm not satisfied with acts 2.
1:28:26
we're 2 000 years removed and a lot more people need to be healed than three
1:28:31

1:28:36
know where to go from here i don't know what to say i'm not eloquent enough to display your
heart to your people
1:28:44
so i will just say [Music] move on your hearts
1:28:51
move on their hearts let it be different from here on out
1:28:56
let them see that sin is nothing but a trap to paralyze us from building the wall
1:29:07
there's kenyans that need to hear this message why is it that we do not care about
1:29:13
those that are in villages that travel are weak just to get online
1:29:23

1:29:30

1:29:36

where should i go what should i do what part of the wall what's my gift what's my talent

1:29:42

may you raise up warriors again lord and father

1:29:48

1:30:17

[Music]

1:30:22
