0:16

all right let's begin uh this week is the power of prayer this is the

0:21

second part in a series that i'm doing that i did not intend to do

0:26

and it's called i see the cloud and you can cue actually that song up by jesus

0:31

culture for the end here how many want to see the cloud

0:39

let me tell you where this message came from this thursday there's been so much

0:46

dark clouds in my life lately which i've learned to love the rain

0:51

let me say that again i have learned to love the rain you see what happens when we start off when we're kids

0:58

kids love the rain they'll go out and play in the rain

1:03

and they don't care if it's 33 degrees they just want to play in the rain

1:09

and what does parents say no you catch pneumonia

1:15

see we exaggerate everything we try to scare them from doing

1:21

something that's incredibly natural because how what do i what is it what do i say all the time what happens in the physical

1:26

is a picture of the spiritual what happens in the spiritual realm is a picture of the physical yahweh teaches us things in the natural realm and what

1:33

does he say that we are we are children what does he say let the children come to me so the natural inclination of a

1:39

child is to go play in the rain that should tell us something ladies and gentlemen we should not be afraid of the storms in our lives

1:47

they don't even begin to think that lightning bolt could come down and hit them on the head

1:52

like that's ever happened in human history that a child gets struck by lightning out of the middle of the rain

1:59

all they want to do is stomp on the

2:06

enemy you see that's all they want to do they don't know they're doing that but

2:12

they're teaching us something what do we adults do when it rains we lock the door

2:19

run and hide just like a little puppy dog

2:24

i want to suggest to you that when you see rain clouds coming you run into the

2:30

cloud because you have nothing to fear says the lord god

2:38

but you need to recognize which is his cloud and which is the enemy's cloud and we're going to talk about that

2:43

tonight and that's why i really wanted to title this message i

2:48

see the cloud because for far too long jim staley in his world he can't see very well

2:58

i'm blind in so many areas i can only see in this direction until something gets my attention and

3:03

then i can only see in this direction and when i'm driving that is not a good thing

3:08

this is why i always bring one of my children with me

3:14

dad okay here we go i knew that i saw that side of that

3:23

i swear they put those little speed bumps on the side of the road just for me because i would have been dead 10

3:28

times a year if they didn't have those things unbelievable how loud those are praise

3:34

the lord

3:41

but let's continue what you think i'm just making a side joke and a trap rabbit trail

3:46

every single one of those bumps is a commandment every one of them it's a picture of the physical is a

3:53

spiritual take away the speed bumps jim staley runs into the next rail and i damage my car

4:00

the guardrails of torah or the instruction manual of the scriptures is what keeps us in line so that we can go

4:06

down the highway so let's begin it just so happens that the torah

4:12

portion for this week if you don't know what torah portions are torah portions are basically kind of like to read the bible in a year it's read the torah the

4:18

first five books of the bible in a year so they split up the first five books into

4:23

excuse me portions each and every week so that it can be on bite size and this one's called beshalach everybody say

4:30

beshallah you're like an american hebrews yeah you gotta go

4:35

okay the romanians can do it perfectly all right let's try it again bishop

4:42

there you go now you're feeling it all right now swallow all right okay and it's when he sent now this is

4:49

incredible thursday back to my story i said father i have no clue what you want me to talk about this weekend what do

4:54

you want to say i don't have an agenda what do you want to say and i was praying and five minutes into it he said i want you to talk about clouds

5:02

and i said father what do you want to say are you serious you want me to talk

5:07

about clouds what are you talking about you want me to talk about clouds he said i want you to finish nehemiah and i want

5:12

you to i want you to go through the torah portion i said okay

5:18

so i started and i came to verse 21 in exodus and it said this and the lord went before them by a day and a pillar of cloud

5:26

to lead the way and by night and a pillar of fire to give them light so to go day and night

5:32

he did not take away the pillar of cloud by day or the pillar of fire by night before the people

5:37

and i said oh that's why you want me to talk about clouds the fathers i was thinking clouds you

5:43

see i don't have a college education i mean clouds or clouds in my opinion you say clouds

5:49

there's only two things that i know of either on on in the heavens or my head is in one because most of the time that

5:55

one is what happens in my life my head is somehow in a cloud but the father said no i want you to

6:02

talk about my cloud i want you to talk about my cloud so tonight we're going to do a study on his cloud

6:09

and i think you're going you're going to be amazed as i was at the connection and the message and the voice that yahweh

6:15

has for you personally on how to get your head out of a cloud

6:20

and into his nothing happens until his cloud shows up

6:27

let's continue

6:35

so many of you have seen pictures like this this is the ancient israel just a rendition an artist rendition of the

6:40

cloud the pillar of cloud the smoke cloud that went before them

6:49

this is going to be very interesting can i ask you what color the cloud was anybody know

6:57

white gray blue purple

7:04

i will not reveal who said purple

7:10

pillar of fire how many know that it was not a pillar of fire

7:16

how many know that when you do a study on the pillar of fire it does say pillar of fire but it's actually a pillar that

7:23

is like fire and it's also a cloud it's actually the same cloud

7:32

by day its appearance because the how many when you when you take a flashlight and put

7:37

it on fire can you see the fire no what happens it looks gray

7:42

look at the fire in the daytime and you will see that the majority of the color of the fire is actually like gray but at

7:48

night what happens it turns brilliant orange and so when you study the pillar of fire

7:54

what you discover is the pillar of fire is actually called a cloud it is a cloud

7:59

and i'm going to submit that it's the same cloud because the same context of what happens from that cloud

8:06

is the same person on the inside so what i want to ask a question is why

8:13

is it fire and why is it a cloud why not just pick one

8:19

why not be a cloud on both ends as if we can't see a cloud at night

8:25

huh maybe that's why let's discover as we move through here

8:34

exodus 14 19 and the angel the malek of elohim

8:40

and by the way the melech is where uh is where you get the word king from it's the same word did you know that

8:47

the same word in hebrew so the king of god the angel of god i wonder who that is

8:55

who went before the camp of israel moved and went behind them and the pillar of cloud went from before them and stood

9:02

behind them see i'm backing up what i just said it's the same cloud it says right here that the pillar of cloud

9:08

went from before them and it went and stood behind them

9:17

something in the cloud exodus 16 10. now it came to pass as

9:22

aaron spoke to the whole congregation of the children of israel that they looked toward the wilderness and behold the

9:28

glory of the lord appeared in the cloud

9:33

let's talk about glory for a second the word glory in hebrew is kavod everybody say kavod

9:40

not commode kavod very important as we're learning new languages

9:48

don't ask for his commode you want to ask for his kavod it's important

9:54

it means to be heavy splendor riches glorious or abundance

10:01

that's what glory means his glory is is heavy it's to be heavy

10:08

one of the messages that yahweh wants you to know tonight is that he's tired of his people complaining about the burdens on their back

10:17

because any burden that you have on your back if you are righteous walking before him he put it there

10:24

and what happens if you have something heavy on your back

10:29

you're about to see his glory

10:34

some of us when you have the glory of yahweh when you have burden in your life we want to get rid of it so fast

10:40

that abba says not so fast i put the burden on you because i want to show my glory

10:50

splendor riches glorious the abundance of yahweh this is a word that is

10:55

connected to kings

11:01

the word anon strong number 6051 it is the word for cloud in hebrew

11:08

one of them to cover cumulonimbus thundercloud

11:13

see when i think of yahweh and someone says a cloud i'm thinking like you know the cirrus clouds little wispy you know clouds

11:21

that are just nice and happy the sunshine clouds nobody in their right mind would look at

11:28

a a cumulonimbus cloud those big huge dark clouds that come on the horizon and

11:33

say that's yahweh cloud

11:38

that's a god cloud no nobody would think that because we're we are in bread in us

11:44

to fear the thunderstorm did he show up on mount sinai with

11:50

serious clouds a little bit of fog a little smoke machine a little disco ball

12:03

not at all he showed up in a cumulonimbus cloud i've seen the cloud in a vision

12:11

i've seen it it was a

12:18

and someone else had this same exact vision believe it or not that i never knew eight years apart

12:24

at least one part of the vision was i was identical it was a hurricane

12:29

over the top of this of the of the of the temple and in in the hurricane as a hurricane

12:35

like there's no like nothing you've ever seen because this giant hurricane that was going over the top of the temple it

12:42

was every color that you've ever seen and then some it was like a rainbow swirled

12:50

with the finger of god and inside of the temple

12:56

it was glowing from the inside out

13:01

it is the cumulonimbus clouds now the reason why i totally believe that vision is from the lord and what they saw on

13:06

mount sinai is because there is no greater storm there is no greater cloud would you

13:12

agree there is no more powerful cloud on this planet

13:17

than a hurricane there's nothing that brings more damage and more rain all the same time

13:25

i believe yahweh appears sometimes in storms

13:30

instead of embracing the storm and considering it pure joy we cower and we miss the voice of god

13:38

we miss his glory it's from 60 49 it's root word it means

13:43

to cover or act covertly watch this because this is going to blow your mind

13:48

like it did mime it is to cover or act covertly this is the word cloud

13:57

so he's in a cloud it means to make appear to conjure up soothe sane spiritism to make a cloud or

14:07

hold on to your seatbelts to observe times

14:14

let me say that again because there's a picture that yahweh is trying to give us of where this cloud coming is coming

14:19

from why did he choose a cloud he could have chose a tree

14:26

he could have chose anything that he wanted to it could have been a giant butterfly

14:31

but it shows a cloud because he understands his language and the word cloud comes from the concept of

14:38

creating conjuring up making a cloud by observing times

14:45

it is covertly what is the number one thing that destroys the enemy what kills the enemy faster than

14:51

anything what prevents you from sinning

14:58

prayer you see prayer the concept of prayer i

15:03

want the reason why this has conjure up in susan and spiritism is because this is what how many know anything about

15:09

occultism or witchcraft eastern witchcraft or african witchcraft this is

15:14

what they do they will smoke

15:21

pipes and different things and create a cloud

15:27

and in the cloud they will cast a spell

15:35

they will do this on certain cultic days

15:41

not just any day for the wiccans hold on to your hats those are brand new

15:49

it's easter sunday the wiccans today will tell you we don't

15:55

understand why christians celebrate our holiday this is the goddess ishtar

16:03

so where i'm going with this is this is that on our side of the fence whatever is wicked has only been twisted from

16:08

good would you agree and so on our side of the fence to conjure up the lord god we do so in

16:15

prayer this is what happens this is when the priests they were giving their praise

16:20

and what happened the glory clouds showed up so thick they had to stop because they couldn't even see

16:28

when we observe the times on yahweh's calendar the feast days of the lord and his holy

16:34

days every seventh day on the shabbat when we observe those times and we get into our closet and when we

16:41

begin to petition our god and cry out with travail there is something conjured in the

16:47

spiritual realm the bible says that every single time that that you pray angels are dispatched

16:54

and at the level of your travail is is is the strength of the angel that one's not in the bible but i believe that it's

17:00

from the lord we talked about the one armed angel last week

17:06

praying deeply and travail brings about the strong angels yahweh hears the squeaky wheel

17:13

i'm gonna prove it to you a little bit later but do you see this that the cloud that yahweh had it wasn't this little white

17:19

little wispy cloud it was a cumulonimbus dark black thunder cloud

17:26

don't believe me i'm going to show you in just a minute it's the same cloud that showed up on

17:32

sinai levticus 16 13 says and he shall put the incense on the fire before the

17:38

lord that the cloud of incense may cover the mercy seat

17:43

the khed that is on the testimony lest he die so what happens just let me give you a

17:48

little history lesson of ancient israel in the sacrificial system they had the the brazen altar that's in the courtyard

17:56

they would take the coals from the brazen altar so they would take some of the coals from underneath the altar and

18:02

they would bring that into the altar of incense that was inside the tent of meeting

18:08

okay inside the mishkan they would take the coals put it in the

18:14

in the altar of incense and it would create obviously fire it's burning the incense which creates a smoke

18:21

now the smoke doesn't have a place to go it's on the inside of a building so the smoke builds up and it surrounds

18:29

the throne of god the bible says that no man can see the

18:35

face of yahweh so he hides himself he disguises himself

18:43

he puts a barrier between us and him a fog if you will

18:48

so the smoke of the incense fills the temple it fills the holy of holies and

18:54

encapsulate encapsulates the the herbim the cherubim and the mercy seat

19:01

and then he shows up where in the cloud

19:07

so what is this incense how many would like to buy some incense this is some cool incense

19:15

any incense that brings about the glory of yahweh i want it psalm 141 1 says lord i cry out to you

19:23

make haste to me give ear to my voice when i cry out to you let my prayer be

19:28

set before you as incense the lifting up of my hands as the

19:34

evening sacrifice how many know that i don't care what denomination did you know there's

19:39

denominations that condemn people for raising their hands

19:44

are you kidding me how many times in the scriptures does it talk about even in revelation the angel

19:51

that raises his hands and bows his head before the king where do you think the concept of the

19:57

raising of the hands came from right here it's the evening sacrifice

20:05

what did they do they took the sacrifice and what did they do raised it up

20:11

before the king before they

20:16

laid it down so when you what are you you are the

20:22

sacrifice of praise this is why when you raise your hands

20:27

it's not a denominational thing this is an ancient priesthood action

20:33

the ancient priests raised their hands when they took the barley sheaves in in the month of nisan

20:40

for passover for first fruits they would do what with them step on them

20:45

they would raise it up and what do they do with them wave it before the lord what do you think we use flags for

20:54

it is ancient symbolism ladies and gentlemen you're waving the banner the sacrifice you are making statements to

21:00

the most high god with every action and word and thought that you have

21:07

it is the prayers of incense that david says that is connected to the altar of incense this is why we have to

21:13

know the front of the book you can't just read this stuff and not know what it is oh the prayers are incense doesn't that

21:19

sound good because we're all thinking of the little instance that you put in your bathroom

21:25

or you put a little candle somewhere the instance he's talking about is from the altar of instance which comes from the

21:30

sacrifice why didn't it have its own altar calls why do you have to take the coals from

21:36

the altar because he's connecting sacrifice with prayer

21:44

it's not independent of one another they're connected the fires are connected

21:50

exodus 24 16 let's find out a little bit more about this glory cloud now the glory of yahweh the glory of

21:57

adonai rest on mount sinai and the cloud covered it for six days do you think that's a coincidence

22:04

on the seventh day the shabua he called to moses out of the midst of the cloud on

22:11

which day do you think that was on shabbat he's calling out from the cloud on shabbat

22:21

the site of the glory of the lord was like a consuming fire on top of the mountain in the eyes of the children of

22:27

israel so there's a fire cloud on top of the mountain and they watch moses go in

22:35

and we wonder why they set up a golden calf moses is history

22:45

verse 18 so moses went into the midst of the cloud and went up to the mountain and moses was on the mountain for 40

22:50

days and 40 nights now i don't know about you but i can't i can't imagine not being the israelites

22:56

and thinking that moses is dead they see fire on top of the mountain they watch moses walk right in and he's gone for 40

23:02

days who would not come to the conclusion that moses is toast

23:10

moshe toast exodus 19 verse 9 and the lord said to

23:18

moses behold i come to you in a thick cloud that the people may hear when i

23:23

speak with you and believe you forever now let me ask you from a science perspective a thick cloud means what

23:30

what's in it water hallelujah we have a science major in here

23:38

a thin cloud means little water a thick cloud means a lot of

23:44

water so listen okay for those of you that don't

23:49

know this i've said this multiple times but this hebrew lesson is so important the word for water in hebrew is what

23:57

the word for heaven in hebrew is what shemin made up of two words shem imayim

24:03

shem is the name or hashem is the name

24:09

and maim is water so the word heaven itself means name of water

24:16

so do you think it's coincidence that yahweh shows up in a thick cloud full of water

24:22

he is the sustenance of the earth ladies and gentlemen it can't be a tree it must

24:27

be a cloud because it is the only thing that supplies this earth with what it needs

24:32

to survive is water so therefore he's making it's a statement with the physicality of this earth realm to say i

24:40

am the water i am your sustenance i am what this desert needs i am follow

24:47

the cloud follow the water and you will live

24:55

and it came to pass in exodus 33 9 when moises entered the tabernacle that the pillar of cloud

25:01

descended and stood at the door of the tabernacle

25:06

and the lord talked with moshe and the people saw the pillar of clouds standing at the tabernacle door and all

25:13

the people rose and worshipped and each man in his

25:18

sukkah threshold his tent door

25:24

his ol i think is what it is in hebrew there so let me let's discover what the word

25:31

worship is because there's multiple words for worship but this one is very incredible

25:37

because it says that they saw the anand they saw the cloud descending at the

25:42

mishkan door to meet nobody could go in that's why it's at the threshold no one is going to go in

25:48

it's just a private meeting and the people rose and they worshipped

25:54

that word is java that's the word for eve

26:00

adam and eve okay it is also the word for worshipped

26:06

it means to give life to worship to declare

26:13

show or make known so when we worship what are we doing

26:19

we're declaring life and we are making known who is the lord god

26:26

yahweh oat the one in the shemayim that makes himself known in mahut the kingdom

26:37

so numbers 10 11 says now it came to pass on the 20th day of the second month

26:43

passover's over unleavened bread is over first fruits is over in the second year that the cloud was

26:49

taken up from above the mishkan of the testimony the tabernacle of the tent

26:55

and the children of israel set out from the wilderness of sinai on their journeys then the clouds settled down in the wilderness of puran

27:03

what i want to point out to you in this particular scripture is this is that it was taken up from the tabernacle the

27:08

testimony and the children of israel picked up their tents and they followed it until it settled

27:15

there's one thing in american culture that has absolutely destroyed our american culture

27:21

the family today is that we put our tent pegs in concrete

27:28

we build our little kingdoms we we get a job and we create a career

27:34

nothing wrong with any of those things but when you put those in the in the concrete to say this is what i'm doing

27:41

and this is where i live and father thank you for not calling me to africa

27:46

that's for someone that lives that's a bedouin that's for someone a young person in college that doesn't have a wife and a family

27:52

no that's for warriors of god those are people that follow the lord and they don't care about their own

27:58

lives they don't care where they live or how they live they're just happy to live

28:03

with him encourage you loosen

28:10

your stakes and then listen because you won't hear until you loosen

28:16

your stakes until he knows you're for real only put your stakes back down
28:22
when he settles the cloud follow the cloud follow the glory
28:28
first kings 8 verse 10 is connected to james by the way it says and it came to pass when the priest
came out of the
28:34
holy place that the cloud filled the house of adonai
28:39
so that the priest could not continue ministering because of the cloud the lord got in the way can
you believe
28:44
that lord seriously we're trying to minister
28:50
to you for the glory of the lord filled the house of the lord
28:55
so solomon spoke of course the king they're waiting what's he going to say the lord said he
would dwell in the dark
29:02
cloud ladies and gentlemen we've got to
29:08
embrace the clouds that come our way we've got to embrace the darkness in our lives
29:13
that doesn't mean condone the darkness it means quit running from it
29:19
because did you know that when you run from the cloud it's following you
29:27
you can't run any other direction so you're prone to run away from it but you don't know that it
will catch you
29:34
some of you because you have not embraced the lord god in the moments of chaos to look at
your sin and deal with
29:41
your sin you will be going we say going around the mountain you will be in the dark cloud all
the days of your life
29:48
thunder and lightning you will get struck the purpose of the dark cloud is to
29:53
reveal his glory in your life to humble you there's a reason why he spoke at the top of his lungs
on mount sinai
30:01
it's the reason why he didn't text all of the priests he didn't want them to read into
30:06
anything he wanted them to know his authority he wanted them to know who is the elohim of all
elohims
30:14

he wanted them to fear him he wanted them to fall on his face on their faces
30:20
because his glory is revealed in our weakness and our humility when we hit the deck
30:28
isaiah 56 7 says their burnt offerings and their sacrifices will be accepted on my altar
30:35
for my house shall be called a house of prayer for all the nations
30:40
there is a a category in our lives as believers that is so
30:45
untapped into and it when it is tapped into we tap into it with the wrong formula so we
30:52
don't get almost any results if you want heaven and earth to move
30:59
there's two things required your faith and your face
31:04
in the dirt unfortunately there are people that will that will pray 24 hours a day there's
31:11
whole organizations praying 24 hours a day and that's great but the father says that if you do if
you turn your ear away
31:17
from listening to my holy torah even your prayer is an abomination i will not hear from heaven
just because
31:24
you pray the buddhists pray the muslims pray far more than we'll ever pray
31:30
i hear the voice of my humble servant that is following my instructions not
31:36
just a sincere heart everyone is sincere my friends
31:42
there's not a religious person on this planet that doesn't call out to their god that's not sincere
31:47
what separates a christian from a buddhist they're both sincere they're both
31:53
praying to their god what separates us
32:05
we're calling upon not only the name of the lord god of all gods but we're doing it his way
32:13
how many know you know just waltz into the court of a king here i is o king
32:19
off with his head he doesn't even know the rules of the court that no one's head goes above the
32:24
king's head we need to know the rules before we come into the court of our
32:30
king and his rules is do not turn your ear away from listening to my instructions
32:37

or i will not listen to your prayers you can pray all day long all night long you can cry all night long

32:43

your abomination to me he says he wants his people's hearts to be

32:48

purified by the blood of jesus yeshua but he wants us to walk in his ways

32:54

improve our righteousness it really is in the blood of yeshua

33:00

psalms 105 39 says he spread a cloud for a covering and a fire to give light in the night

33:09

he is both a thunder cloud and the fire don't you find that interesting that he

33:15

chooses opposites to reveal himself the opposite of water is fire opposite

33:21

of fire is water what puts out a water fire what puts out a fire

33:27

so therefore yahweh is in control of everything in this lifetime

33:32

it doesn't matter if you have fire in your life the cloud will put it out when it's ready it doesn't matter if you have a drowning

33:39

in in thunderstorms it doesn't matter the fire will dry it up so whether you are in fire or whether

33:46

you are in water whether you on the mountaintops closer to the thunder or you were in the valley

33:52

below filled with fire you are to raise your hands like a priest of praise and you are to take

33:58

your sacrifice and you are to praise him in the midst of that storm and either by fire or by water he will quench it

34:08

but first you must understand these principles or we will run every day

34:15

while he was still speaking matthew 17 now we're moving into the new testament the brit had

asha verse 5 it says behold

34:21

a bright cloud overshadowed them and suddenly a voice came out of the clouds saying this is my beloved son in whom i

34:29

am well pleased hear him and when the disciples heard it they fell on their faces and were greatly afraid yahweh

34:36

shows himself in a cloud the cloud is everything

34:42

you know we've made church services into we've made it into a bunch of entertainment

34:50

we've not made it into a house of prayer we've not made it into a place where we only desire his cloud

34:57

we don't even know how to get the cloud how do we get his presence we don't even have a clue

35:03

so what do we do we beg like fools when it's written in his word

35:11

genesis 9 13 i thought this was interesting i set my rainbow in the cloud

35:18

do you think see when we say we put the rainbow in the cloud we think of the rainbow that we see

35:24

today but like i said i've seen the rainbow in

35:29

the cloud it's a hurricane rainbow

35:34

today that rainbow is in a cloud do you think that was just for no reason he's giving us a clue in the

35:42

midst of the power of the enemy in our lives or the midst of the trial and tribulation that he sends

35:49

his color is there do you know what color is connected to his character

35:56

we even say that today that person's color they're mad what color are they red that

36:02

person's a soothing that person has a soothing color blue right

36:09

so we all have a color of our personality the color of yahweh's personality is every single color

36:16

it's brilliant white it's every color in the rainbow it's seen in the cloud

36:22

you can't see the character of god in any other place ladies and gentlemen you

36:27

have to be in the cloud to see the rainbow it must rain

36:35

elijah went up to the top of mount carmel in first kings 18 42 i love this elijah

36:41

pretty powerful prophet right says this he bowed down on the ground

36:48

put his face between his knees anybody been to that place said to his servant go up now

36:55

look toward the sea so he went up and looked and said there's nothing this is the drought remember the drought

37:01

elijah brought a drop now he's about to bring the rain back pretty powerful uh prophet if he can

37:06

stop rain for three and a half years i believe it was then it came to pass in the seventh time
37:12

that he said there is a cloud small as a man's hand rising out of the sea

37:18

now before we pass by that we say wow elijah is such a powerful prophet how many times did elijah have to go

37:24

before the throne seven times

37:29

this is what blows my mind you want to know what the difference between a minor prophet quote unquote and a major prophet the major prophet never doubts

37:39

he knows the power of his king he knows whom he serves and when he prays over

37:45

someone and they don't get healed there is no doubt that crosses his mind

37:51

he goes back and prays again and the third time he goes back again the sixth time the servant's got to be

37:57

going master i understand i'm your servant but i think you're beginning to be delirious it's not gonna happen it

38:02

hasn't rained in three and a half years it's not going to rain now obviously yahweh is not listening to you must be

38:08

in sin master but there's two things that stick out to

38:14

me elijah's power and not lack of doubt his faith is off the charts

38:20

and the servant simply did his job

38:26

he did what the master said to do do you do what the master says to do or

38:32

do you only do what he says to do when you get your way i ain't praying that prayer again

38:38

obviously the lord doesn't want me to be rich you might be right

38:46

i'm not praying that prayer for that person anymore that's the 18th time i've prayed for them and they're still not here healed clearly the lord wants to

38:53

raise them from the dead maybe so but it's your responsibility to

39:00

not doubt do not waver or you'd be like a wave of the sea blown and tossed by the wind

39:07

and that guess what that cloud started out as a man's hand smalls a man's hand and filled the entire sky within minutes

39:14
brought such a thunder and lightning and rain as if israel had never seen
39:21
before isaiah 18 1 the burden against egypt
39:27
behold the lord rides on a swift cloud and will come into egypt on a cloud
39:34
luke 21 27 then they will see the son of man coming in a cloud with power and great glory
39:41
how many know what the cloud is this is pretty amazing it's two things
39:48
it's the prayers of his saints and it is his angels
39:54
the bible says it is a great cloud of witnesses it is his angels
40:00
whispering a million miles an hour
40:05
like a tornado he is coming with all of the host of
40:11
heaven is what it's saying do you see the connections if not let me
40:16
give them to you prayer brings about a cloud
40:23
what is a cloud the angels
40:30
daniel chapter 9 just so you don't think i'm making this up daniel's praying and what happens
40:35
gabriel is released the cloud the rain the answer the water
40:42
from heaven is brought through the melchim the angels the messengers
40:49
it is the messengers that mask and protect their king
40:56
they usher in the glory a king's glory is what
41:01
his entourage it's the great parade of the king it's
41:07
his glory they're showing off his glory the army of god
41:12
the armies are dispatched when you pray
41:17
you bringing the cloud do you understand it's not just the angels that are that you are bringing
forth that are creating
41:22
the cloud the more you pray the harder you pray the longer you pray the more that you are in
travail when you pray

41:28

according to the bible the more angels and more armies are released and the more angels the larger the cloud the

41:33

more water that comes it destroys the parched ground

41:38

and the face of yahweh shows up his panim his presence his face shows up in

41:45

the cloud it doesn't show up any other way he doesn't put a little smiley face in

41:52

the blue sky it is the dark thunder clouds that your

41:57

prayers bring up and so you might even pray father this

42:02

most dangerous prayer that i've prayed half a dozen times in my life alone father take me where i need to be this

42:08

is just practice by the way

42:15

no more clouds brother i can't take much more i need at least a beach for a week okay

42:24

lord take me where i need to be see don't count if you don't close your eyes

42:32

lord take me where i need to be i don't care what it costs me when you pray that prayer

42:39

and then giant storms come don't think they're from the enemy

42:44

the lord uses the enemy the enemy is a pawn

42:51

turn with your bibles in nehemiah chapter 6 as we end

43:05

and we're going to read all of chapter six because we know nahimia

43:11

in hebrew nehemiah is coming back he's going to build the walls he's

43:17

commissioned to build the walls he's not been living there in jerusalem he has no authority to go in there he's

43:23

the cup bearer for the king

43:29

but the lord gives him a word and a vision and a heart to go back to jerusalem and rebuild the walls and the

43:34

enemy this guy named sambalet tobiah geshem the arab keep bothering him they're finally

43:40

building the walls in chapter six it says now it happened when sambalet tobiya

43:46

geshem the arab and the rest of our enemies heard that i rebuilt the wall that there were no breaks left in it

43:53

even though i hadn't hung the doors in the gates that sambalette geshem sent to me saying come let us meet together among the villages in the plane of ono

44:02

but they thought to do me harm so i sent messengers to them

44:08

my friends the same word for messengers is the same word for angels

44:18

i sent the angels to them i sent messengers to them i am doing a great work so that i cannot come down why

44:24

should the work cease while i leave it and go down to you

44:30

but they sent this message four times and i answered them all in the same manner what's happening the enemy is

44:35

bothering them trying to distract them get them away from the work of the wall

44:45

and what is his answer this is a pattern of how you speak to the enemy

44:54

it in it it is written

45:00

so the enemy says it's reported among the nations that geshem says that you and the jews plan to rebel

45:06

therefore according to these rumors you are rebuilding the wall that you may be their king he falsely accuses them this

45:12

is what the enemy does this is what the character of hasatan does the character of hasitan falsely accuses the brethren

45:21

always it is the number one trick that you always know that satan is behind

45:27

something or someone is when accusations are made because brethren from yahweh do not make

45:34

accusations against brethren ever

45:40

even if a man is called an adultery there is never an accusation

45:45

there is a private meeting and there is a covering trying to bring him to repentance in love

45:51

never is an accusation made accusations are meant

45:58

for hasitan even yeshua doesn't accuse he simply judges

46:06

you have appointed prophets to proclaim concerning you at jerusalem saying there is a king in judah now these matters

46:12

will be reported to the king they're threatening them now so come therefore and let us consult together

46:17

he's trying to blackmail them then i sent to him saying no such thing

46:22

you say are being done but you invent them in your own heart for they were all trying to make us

46:28

afraid saying their hands will be weakened in the work and it will not be done now therefore o yahweh

46:35

strengthen my hands afterward i came to the house of shemi yah the son of delia

46:41

the son of mahetta bell who was a secret informer and he said let us meet together in the

46:47

house of god so a spy he's talking to a spy he doesn't know it

46:55

the enemy has infiltrated at the highest level

47:01

sound familiar

47:07

let us meet together in the house of god within the temple let us close the doors of the temple for they are coming to kill you

47:13

indeed at night they will come to kill you so they pretend to protect him

47:18

they pretend to be their friends

47:24

and i said should such a man as i flee and who is there such as i who would go

47:29

into the temple to save his life i will not go in he's not qualified to go in he cannot go

47:35

in he knows that if he goes into the temple and he's not a priest he will be killed or he will be defiled and the

47:40

entire work of yahweh will be as null he knows the word

47:46

what does the enemy try to do trick you at your lack of knowledge of the word

47:52

that's where he tries to get you this is why we must know the word my

47:59

friends because the average person would say that's the great place to go he'll never find me in there

48:07

then i perceived that god had not sent him at all but that he pronounced this prophecy

48:14

against me because tobias and sabbath had hired him

48:21

he doesn't know that for sure this is a word of knowledge he's living in the spirit he did not

48:27

gain this information because he got a text or an email he gained this because he realized that this man the enemy

48:35

asked him to do something that was against the law of god therefore he must be an enemy and he

48:42

must have been hired for this reason he was hired that i

48:48

should be afraid and act that way and sin so that they might have cause for an

48:54

evil report and they might reproach me the enemy only has one power over you

49:00

to accuse you when you break the torah when you sin when you sin he has legal right to go

49:08

before yahweh and say by commandment 403.2b you must stop the blessings now

49:16

and yahweh can do nothing until that sin is repented for

49:22

do you realize what i just said don't buy the garbage that all your sins are just forgiven

49:28

your past sins are forgiven but when you sin not that it's going to keep you out of

49:34

heaven ladies and gentlemen that's not what i'm saying but your sin separates you from your god

49:40

your sin at mount sinai says blessings and cursings when you sin you are holding back the

49:47

hand of blessing from your life oh yeah you'll scoot your way into the shemaim into the kingdom of heaven

49:55

but you'll be least and you won't even know the blessings that you've missed because you are under the influence of the enemy in so many areas that you

50:01

don't know because you don't know the word and you don't submit to it so samuel and his guys get in your back

50:07

door live in your house and they torture you and you don't know it

50:14

they prevent you from the work of god in your life to repair the wall they prevent you from your destiny

50:22

you not only have to know who your enemies are you have to know the word better than they when when yeshua this

50:29

reminds me of the 40 days yeshua is in the desert what happens the

50:34

enemy does the same stinking thing tries to get him to do something

50:40

that's against the word and what does yeshua say it is written

50:46

and he quotes the word putting the enemy back in its place

50:52

you see the trick of the enemy was for for yeshua was this

50:57

if yeshua would bow down or if he would turn this rock into bread and i would

51:02

give you the cities that sounds like a lofty goal i'll give

51:07

you the cities what he doesn't know is that the moment you break the word of god i own

51:13

the land i may give you king over the cities but i own the earth therefore you are under

51:20

my authority don't take the trick of the enemy

51:31

and he ends and he says my god remember sobia and sambalet according to these works and the prophetess no idea and the

51:38

rest of the prophets who would have made me afraid remember them on judgment day

51:47

you catch this prophet and the other prophets

51:52

how did they get a spy on the inside because there's tears among this ladies

51:59

and gentlemen will you be a terror used by the enemy

52:05

do you think that that spy did not think he was doing the right thing how do you think the spies are so

52:12

powerful they're convinced and deceived by the enemy that what they're doing is

52:17

righteous they're exposing nahimia nehemiah he's not supposed to be doing this they

52:24

probably came in and told the spy hey man you can't do this if he rebuilds this and sets himself up as king he's

52:29

probably doing that only because he wants to be king and if he sets himself up as king he'll be going against the other king and if he goes against the

52:36

other king the jerusalem is going to fall again and the old thing's going to fall apart you have to save nehemiah go in there and convince him he's going to

52:42

get killed that's how it works

52:52

nehemiah's only motive was what rebuild the walls

52:58

so the wall was finished on the 25th day of elul in 52 days

53:05

that is a miracle ladies and gentlemen so much so this is why and it happened when all our enemies heard of it

53:10

and all the nations around us saw these things they were very disheartened in their own eyes why were they

53:16

disheartened because they realized and perceived that this

53:21

must have been the hand of yahweh because this could not have been done any other

53:26

way and we learned last week that they did this in prayer and in fasting is where it all started

53:33

the work of god is not done with your hands my friends it's done with your knees and your hands

53:43

in chapter seven and verse four it says now the city was large and spacious but the people in it were few and the

53:49

houses were not rebuilt this blows my mind you know why because it shows me

53:54

that their their their priorities were straight see in american culture our houses come

54:01

first our lives come first if you will

54:07

we put ourselves first we're not going to give to the work of god in our time talent and treasure

54:13

because we've got a 401k we have to build i got a down payment in new mexico on my

54:19

condo are you kidding me i can't give this or i can't do that i don't have enough time i gotta work

54:25

overtime i can't come help out at the fellowship i can't help somebody with their house

54:32

i know they need a plumber and i'm a plumber but do you realize i i gotta put food i gotta prepare i got to prepare i

54:38

got to prepare the end days are coming

54:45

ladies and gentlemen the pattern found in nehemiah the book of nehemiah is this they put the work of yahweh first

54:52

and you know what happened because they put the work of yahweh first they were allowed to stay in their

54:58

houses those that did not put this is in the

55:04

book those that did not put the work of god first were removed from their houses

55:12

and someone else took their place that was willing to do the work

55:22

move forward to end of chapter seven the very last verse says when the seventh month came

55:27

the children of israel were in their cities

55:33

in the seventh month now you got to know israel calendar you got to know bible calendar you got to

55:38

know god calendar to know how unbelievable this is when was the work started

55:46

anybody know anybody remember go back to the beginning someone tell me

55:53

when the work was started

56:00

got 10 seconds [Music]

56:07

i'm not giving you the answer we're going to be here a long time

56:13

hey huh month of elul no

56:20

when did it start i would recommend going to the front of the book nissan nissan nissan

56:28

very good the month of nissan what month is the month of nisan

56:33

hello it's the first month of the year it's pesach

56:39

how long did it take them before the children were able to live in

56:44

the city seven months seven months

56:55

how long did it take and i believe in the book of revelation actually not it's in the prophets but it's about the end

57:01

of time how long did it take them for them to burn all of the guns at the end of time

57:06

all of the weapons of the enemy huh seven years

57:14

there is a concept of cleansing it takes seven to cleanse this is why

57:20

everything is a seven sicular cyclical order every seven days it starts over it's

57:27

cleansed the earth was created in six days on the seventh day arrested then it started

57:32

over there are seven thousand years seven millenniums and then the earth is made

57:38

new it's cleansed everything happens on sevens everything

57:46

in seven months the work was completed and the children of israel were in their cities 52 days

57:53

but they weren't totally cleansed and safe until the month of tishrei teastre

57:59

is so incredible the reason why i'm so excited about this is because this is when the fall feast days start this is

58:04

connected to the second coming of the messiah tishrei one is the feast of trumpets

58:10

it is the fall festivals this is the time of celebration this is when the kings were inaugurated

58:19

so check this out in chapter eight the number of new beginnings now all the people gathered together as one man

58:26

one man hello prophet people bible students wake up

58:32

what's ephesians 2 all about the one new man

58:37

when does it happen when the walls of jerusalem are rebuilt and we're brought back into the cities

58:47

and the torah is red it's the first thing yeshua does when he hits the mount of olives splits

58:52

it reads the torah sends it out to the nations here's the rule book

58:57

now all the people gathered together as one man in the open square that was in front of the watergate and what gate

59:03

the watergate coincidence i'm sure and they told ezra

59:09

the scribe to bring the book of torah the book of the law of moses which yahweh had commanded israel so ezra the

59:15

priests brought the law before the assembly of men and women and all who could hear with understanding on the first day of the seventh month this is

59:22

the feast of yom teruah the feast of trumpets they're reading

59:27

the torah for the first time on the feast of trumpets

59:32

the day that the messiah is prophesied to come back the very day that he says i'm going to read the torah do you think

59:38

that's coincidence he's cleansing the temple he's cleansing the earth

59:45

the rain is coming

59:51

and jeff in verse five it says ezra opened the book in the sight of all the people for he was standing above all the people and when he opened it all the

59:57

people stood up ezra blessed yahweh the great god then all the people said said amen amen

1:00:06

i agree that's the truth while lifting up their hands denominations listen to me the bible

1:00:13

says it's okay

1:00:19

amen and about and they bowed their heads and

1:00:25

worshiped the lord with their faces to the ground

1:00:32

in verse 17 it says this so the whole assembly of those who had returned from the captivity made booths why would they

1:00:38

make booths because it's a marketplace it's a conference right

1:00:44

no because 15 days later after the first day is the feast of sukkot

1:00:52

the feast of sukkahs the feast of booths

1:00:57

this is the time yeshua was born

1:01:03

500 years later so they made booths and they sat under

1:01:08

the booths for since the days of joshua the son of noon until that day the

1:01:14

children of israel had not done so and there was very gladness ladies and gentlemen there's so much prophecy here

1:01:20

i don't have time to go into it but let me tell you this since the days of joshua of noon do you know what that word is in hebrew since the days of

1:01:26

yeshua the son of life until now his people have not celebrated the feast

1:01:34

of sukkot but there is much greatness in the earth

1:01:41

realm today because god's people are starting to humble themselves and pray and turn from their wicked ways and turn

1:01:46

back to bible things in bible ways they're starting to learn what the feasts of the lord are they're starting to humble themselves before their god on

1:01:52

the holy shabbat they're starting to bring their their their their candles if you will the incense of prayers that

1:01:59

create the smoke of the lord and we're beginning to see the storm clouds come and we're not afraid this time because

1:02:05

we live in a land that is parched and dry we live in a drought of the word of god and we need the storm cloud to come

1:02:12

to water the land again [Applause]

1:02:22

day by day from the first day until the last day he read from the book of the law of god and they kept the feast seven

1:02:30

days and on the eighth day there was a sacred assembly

1:02:36

according to the prescribed manner

1:02:46

my friends we have come to a place where we have loathed

1:02:52

the cloud of god we don't know how to get in it we run from it we don't embrace it we

1:02:59

don't know how to look for it we don't even know what it looks like we can't tell the difference between a cloud from

1:03:04

yahweh and a cloud from hasitan it's all confusing in our minds we've been taught wrong

1:03:10

looked at wrong we've been wrong wrong wrong

1:03:16

yet we still want yahweh to god the work in our life we still and he does out of phenomenal

1:03:22

grace and mercy hopefully after this message you understand the grace is far more than you ever thought and the

1:03:29

theologians are right we are living in an age of grace they don't know how much grace we are

1:03:34

being given but the age of grace is almost over yahweh requires his priests to wash

1:03:42

themselves and put on robes of righteousness the robe of righteousness of salvation

1:03:48

is only for salvation yahweh is requiring holiness from his people because he's not coming back to a bride

1:03:55

that is full of spot and wrinkle

1:04:01

so i will end with this

1:04:07

last week i gave you a challenge defined 30 minutes a day

1:04:13

30 minutes 30 measly minutes and 24 hours that you could spend with the lord god

1:04:19

and pray with him to sit in his presence and soak in him

1:04:28

how many of you in doing so found yourself praying for more than 30 minutes

1:04:39

yesterday i got up at 2 22 i made the mistake of saying i was going to get up at 2 22.

1:04:46

not knowing last week that i had to get up at 22 22 to keep my oath to the father and then get up at seven o'clock

1:04:51

and drive four hours to southern missouri of which the first night since my daughter's been born that she did not

1:04:57

sleep at all i was up all night and had to drive four hours right back and then get get home

1:05:03

be in bed by midnight get up at 2 22 again so you know what i found out i found out that this week was all about

1:05:08

my king because it certainly wasn't about my sleep i woke up at 2 22 yesterday

1:05:17

my wife came out said jim you need to go to bed it's after 3.

1:05:22

i didn't realize it had been over an hour i opened the door got in bed looked at

1:05:28

the clock it was 3 33

1:05:33

this morning i got up at 2 22 in my hearth room finished praying looked at my clock
1:05:39
it's 3 33 holy spirit reminded me that he he was
1:05:45
there with me how many have ever done a clip
1:05:51
let me just say this a temple cleanse in the physical realm some of us have
1:05:57
done three week cleanses right i've done a juice fast for three weeks thought it was going to kill
me the first day
1:06:05
by the end of the three weeks the glass of juice that took 25 minutes the first time
1:06:10
took less than 10 seconds because my body did exactly what the doctor said it was going to do
your body gets addicted
1:06:16
to what you give it and i became addicted to the good things of this earth
1:06:22
and in the spiritual realm it's time that we give our temples a real cleanse
1:06:28
it's time that we start getting them addicted to the things of god addicted to the things that our
forefathers used
1:06:33
and my forefathers knew that brought about the glory cloud into the earth realm you see most of
religion wants the glory cloud
1:06:40
to show up so their bodies can be healed hogwash i don't care about my body being
1:06:45
healed i want my soul to be healed and i want to be in the favor of the most high
1:06:50
just for that
1:06:56
so i'm going to the lord has made it very clear to me that we are to continue this challenge
1:07:01
i'm naming it the nehemiah challenge and this is phase two this is a cleanse
1:07:07
this is for your temple don't do this unless you're serious
1:07:12
and i'm going to warn you that if you engage in this it's going to get worse
1:07:24
because challenges are designed to strengthen you i will give you my word because my god gave
me his word that if you complete
1:07:31
this challenge all the way through your life will never be the same you
1:07:38
will not be able to not get up and worship your king through prayer

1:07:43

you will wake up without an alarm clock because and you will look forward to it because your body gets addicted to

1:07:49

whatever you get it give it you will be addicted to the presence of the most high

1:07:56

so in the nehemiah challenge for those of you that are online it's under the pastor notes you can download it and

1:08:02

print it off for those of you that are not prayer warriors by the time you're done with these two sheets of paper you'll have

1:08:08

two hours a day under your belt of prayer [Music] this is what the lord gave me

1:08:15

we were praying for 30 minutes a day we are upping it if this is you're watching this today and this is your first time and it's on

1:08:22

a wednesday or thursday today today start

1:08:27

the challenge is not just for for this group of people this has got to be an ongoing

1:08:34

challenge because yahweh's people need to be cleansed the bible says that

1:08:39

if my people will humble themselves and feed the poor

1:08:44

if my people will humble themselves and worship with instruments if my people will humble themselves and give

1:08:50

more money if my people will humble themselves it says that my people will humble themselves and pray

1:08:56

that's the first thing it's the formula it's the midas touch

1:09:01

it's it people say jim how is your life so blessed i'll tell you the formula i

1:09:07

don't make decisions i never have

1:09:12

every decision i have ever made has been disastrous so i sit and i wait for him to make the

1:09:19

decision and i simply agree i'm a really good agreeer

1:09:27

so number one we're gonna pray for an hour a day an hour holy smokes jim an hour i can't

1:09:33

find an hour really wake up at 2 22 you'll find an hour

1:09:44

you can't find an hour because you filled it with everything but the presence of your king

1:09:50

and here's how we're going to do it this is just to help you i wrote this down because this is what i do

1:09:57

this isn't at all no but this helped you for the especially for those of you that are not used to this repent

1:10:03

repent for all known and unknown sin ask the father to reveal to you the areas of your life that are offending

1:10:09

him repent for the sins of your household and your father's household don't you

1:10:14

dare ever come before your lord god without repenting you can't come before the throne without proclaiming the blood

1:10:21

of yeshua on your life and confessing your sin it is the formula there's not a

1:10:26

prayer you will find in the bible in the bible that our patriarchs prayed that they did not start off with repentance

1:10:34

they understood the successful formula to come before their king number two rebuke the enemy

1:10:41

command and speak directly to the enemy and command him to stop blinding your eyes in the areas that you are deceived

1:10:46

in and you don't know it notice i did not say start praying for your spouse

1:10:54

it most likely is your eyes that are blind this is critical as you may be

1:11:00

influenced by the enemy and not even know it this is so critical i cannot express to you how critical

1:11:06

this is you must bind the enemy and pray that the father would open your eyes to

1:11:11

the deception in your own heart it is the it is the prayer that no one

1:11:16

prays because no one prays what they don't think to pray you only pray the things that you that

1:11:22

you see most of the time that are bothering your flesh

1:11:28

your first prayer out of your mouth after repenting is asking the father to show you where the enemy is

1:11:33

influencing you that you don't know it where is he

1:11:38

hiding bind all generational curses close all gates that are open through traumatic events in your life and repent

1:11:45

for your personal sins number three go through the areas of

1:11:51

struggle and one by one remind the enemy he has no authority and no power in your

1:11:56

life and that he has no right to steal one single blessing from your life

1:12:02

once you've repented once you've rebuked the enemy then you move into praise how dare you walk into the king's court

1:12:08

and start requesting and ordering him around he is your king you give him the respect and the

1:12:15

adoration that he deserves praise him for who he is and for all

1:12:20

he's done praise his holy name praise him for where you are at life no matter how victorious or defeated you feel

1:12:26

thank him for the opportunity to get to know him more thank him for all that he's shown you so far in your spiritual journey tell him what a privilege it is

1:12:32

to sacrifice and suffer for him and that there's no way to come close to the sacrifice of suffering that his own son did for us

1:12:40

be detailed and be passionate you know why because it matters to him

1:12:48

you want to blow your mind full of praise and you want to give your king what he deserves read 140. psalms 145

1:12:53

through 150 it's an excellent way for proclaiming praise to him

1:12:58

and you're quoting scripture at the same time section number four in this challenge

1:13:03

ask him what you should pray about another section that people just don't do

1:13:08

because we come to the father with a santa claus list a mile long we know exactly what we want to beseech him for

1:13:16

how do you know he wants you to pray for that you better be careful what you pray for

1:13:24

don't you be praying that that girl sit next to you becomes your wife

1:13:30

you may regret it you better pray his will and you better

1:13:37

pray that he speaks to you this is the calm the eye of the storm you are by this

1:13:42

time in your prayer you are in the middle of the hurricane and it's him sit in that eye

1:13:48

and wait for him to speak you won't believe what will come to your mind if you've never heard the voice of

1:13:54

yahweh typically in that moment of silence there will be a moment of silence and then he'll begin to bring

1:14:01

things to your mind and some of them will be things that were not on your list pray those first i recommend it

1:14:08

you may not get to your list pray what he brings to your mind to your spirit you're in the eye of the storm it's his

1:14:14

eye and it's all in the eye of the beholder

1:14:20

often we jump right into what we want to pray about even without consulting the one who knows our needs listen for his voice in the quiet moment

1:14:28

then petition his throne the things he begins to bring up in your spirit pray his will and his glory for its situation

1:14:36

if you haven't figured it out by now this is a protocol for a king you see

1:14:42

the respect and the honor that you are giving the king as you come into his courtroom the first thing that you're doing is

1:14:48

you're repenting and then as tobiah and sambala behind

1:14:55

you start start snickering at you as you're building the wall through prayer you turn around and you rebuke them and

1:15:01

tell them to get out of the court's house you have they have no power no authority

1:15:06

over you you will not listen to them then you praise the king then you ask him which what what do you

1:15:13

want oh my king what can i do for you

1:15:19

then you pray for your life some people will say to pray for others and you and you go last nope that's not

1:15:26

how it works you pray for your life because what i'm getting ready to share with you is so critical you can't

1:15:32

possibly pray for the needs of others until you pray these things the number one thing you should
1:15:39

pray for in your life is wisdom not money you want to be rich like solomon

1:15:46

you'll never be rich you want to be wealthy like solomon pray

1:15:51

for wisdom to lead his people because yahweh only cares about you feeding the sheep

1:15:58

so the number one thing you should pray for is wisdom without it nothing else matters it's what
solomon asked for and though he was able to lead an entire

1:16:04

kingdom through it finances relationships and all other aspects of life are dependent on having
the mind of

1:16:10

god beg and plead for it like water

1:16:17

proverbs 3 13 says happy is the man who finds wisdom and the man who gains understanding for
her proceeds are

1:16:22

better than the prophets of silver and her gain than fine gold she is more precious than rubies and
all the things

1:16:28

you may desire cannot be compared with wisdom

1:16:34

i have shed many a tear for this i have begged more than anything i have ever

1:16:39

begged for in my life is wisdom on my own i cannot make a good decision

1:16:46

number two pray for the fear of god proverbs 1 7 the fear of the lord is the beginning of
knowledge it's it you must

1:16:52

fear him you must understand what that means proverbs 8 13 watch this the fear of the lord

1:16:57

it's to hate evil pride and arrogance and the evil way and the perverse mouth i hate

1:17:05

in 15 16 a prophet says better is a little with the fear of the lord than great treasure with trouble
see how he's

1:17:10

connecting the characteristics of the most high with treasure

1:17:17

pray for understanding discernment and knowledge proverbs 2 3 says yes if you care if you

1:17:23

cry out for discernment and lift up your voice for understanding if you seek her as silver and
search for her as hidden

1:17:29

treasures then you will understand the fear of the lord and find the knowledge of god it's all connected you must

1:17:35

search out and cry for these things you can't be just putting your you

1:17:42

wonder why your prayers don't get answered you don't know the formula

1:17:47

read the prophets in their prayers they're crying out and they start off with repentance rebuking the enemy

1:17:53

praising their king and then they ask for their request and it typically starts with them

1:18:02

pray that he will reveal and grow your spiritual gifts pray that he will destroy any pride in

1:18:08

your life

1:18:14

we're at hour number two ask him to help you truly give your time

1:18:19

your talents and your treasure to him and his people for his glory and with a cheerful heart

1:18:25

we are selfish people

1:18:30

we want what we want ask him to remind you that you are not your own and you're bought with a price

1:18:39

first corinthians 6 19 and 20. pray that he will open your ears to what he is saying and what other people are

1:18:45

saying and that there'll be no confusion in what is being said

1:18:52

pray for him to help you hear others with your heart instead of your mind

1:18:57

i don't know why i put that in there but y'all abba told me to put that in there there must be a lot of confusion going

1:19:02

on we're almost done pray for him to help you hear others with your heart ask him to take away

1:19:09

any and all poison from your lips ask him to help you speak life over your spouse your children etc

1:19:17

pray that you will consider it pure joy to face trials and tribulations because you know that it's the only thing that truly will refine you

1:19:23

and bring make you more like him don't ask him to lighten your load stop asking for relief

1:19:31

ask him for patience and strength to endure pray for the fruits of the spirit to be

1:19:37

growing and evident in your life but the fruit of the spirit is love joy peace patience kindness goodness

1:19:43

faithfulness gentleness and self-control galatians chapter five and when you're done with yourself here

1:19:49

are some miscellaneous things to pray for as he brings up prayers that are personal in your own walk and whatever it is

1:19:55

pray for the restoration of both houses of israel and all his people coming back into covenant both in your local area and

1:20:01

worldwide pray for the peace of jerusalem and that the secular government will call upon

1:20:06

the name of yahweh pray for your local state and national governments

1:20:12

pray for your spouse and your children pray for your spiritual leaders don't forget about them

1:20:18

wives pray for your husbands pray for your enemies oh yeah you got to do that too

1:20:24

but listen this is careful on how you pray for your enemies pray that they would come to repentance

1:20:29

and that the enemy would stop blinding their eyes at the same time we pray that the

1:20:35

enemy's plans would be foiled and that their mouths would be shut from the power of yahweh and their only

1:20:41

choice would be to surrender in repentance before him

1:20:46

do you see it it's easier to pray for your enemies that way because when the bible says pray for

1:20:52

your enemies you know we think oh lord just we just pray that they'll come to know jesus and we just love them no we

1:20:57

really don't love them we are humans and when your enemies are

1:21:03

your enemies it's hard to love your enemies so you do pray for your enemies but the bible speaks in in psalms 3 4

1:21:10

and 5 and other places that when you pray for your enemies pray that their mouths mouths will be shut

1:21:18

in the process it's okay to do that we're not praying for them to go to hell there's a difference

1:21:28

pray that he would restore the character the power and the authority of his name back in the earth realm through the

1:21:33

spirit of yeshua and the truth of his torah and lastly the father let me put this on here is pray for revival

1:21:42

his people have not prayed for this we're missing it we don't know how to come before our king

1:21:48

and we don't even know what to pray for when we pray for revival so here's the outline that he gave me pray that he will pour out his spirit on

1:21:54

us and show his glory for the sole purpose of being fully equipped to be a light to the nations and that the

1:21:59

nations will know that he is lord now that we'll know because we're giving

1:22:05

them a bunch of knowledge and a hebraic perspective i want them to have the glory

1:22:10

perspective they see a cloud and they can't deny the power because everybody that comes out

1:22:16

of there is healed in one way or another pray that the love listen this is huge

1:22:22

pray this pray that the love will be infused into his people and for his people and then

1:22:30

pray that they have a desire to keep his commandments stop praying for god's people to start

1:22:36

keeping the commandments of god start praying that love

1:22:41

we will get love first then they will follow you and ask you how are you doing this

1:22:49

what a great god you see the prayers he tells his people keep my commandments and love one another and then you will

1:22:54

grow such a degree that the bowels of joseph will go over the walls of jerusalem and you will drop the fruit

1:23:00

and the nations will come because they're starving and they will pick up the fruit they will eat the fruit they will say what god is this

1:23:06

what commandments do you keep to bring forth this kind of fruit we're doing it backwards

1:23:14

pray that the millions of people will surrender their lives to messiah yeshua and there'll be not a place on earth that they will not hear the glorious

1:23:21

message of coming back to him and his perfect law of liberty people still need jesus ladies and

1:23:26

gentlemen they need yeshua the messiah we have a gospel that is phenomenal it's
1:23:32
full gospel pray that the gifts and the fruit of his
1:23:38
spirit would be evident and in abundance as we return to him this all brings about revival
1:23:47
how many want that old-time revival i want to go back 2000 years
1:23:52
that's the old-time revival i want i definitely don't want that old-time religion i can tell you that
much right
1:23:58
now we got enough of that [Music]
1:24:04
pray that he raises up this is my heart so i infused my heart on here pray that he raises up i
believe it's his heart
1:24:10
new pastors shepherds and leaders all over the world that are after his heart to lead his people in
congregations as
1:24:17
they come back to the torah we need life life happens on the local level
1:24:25
we need people that will pray with his people feed the people counsel his people love his people
1:24:32
pray that he would connect and raise up leaders around the world that are humble have the heart
of the father and desire
1:24:37
to see the nations come to yeshua and follow his ways and have the talent and calling to lead a
global revival
1:24:46
while jim that's a pretty big vision no it's not it's his heart he wants to see every continent
1:24:53
come back to him we need leaders and shepherds and prophets to do so
1:25:00
lastly pray that the father gives us more time to get this message out
1:25:05
give us more time it just took me 15 minutes to read this
1:25:10
if you can't pray for an hour you're sleeping wake up
1:25:27
i will end the way that i ended last week
1:25:35
except last week i ended like this if you don't recall week we are ending like this
1:25:41
[Music] [Applause] you need to recognize the power that you
1:25:47
have i'm asking every single person that is listening to my voice thousands of you

1:25:53

right now all over the world you are representing cities nations states countries entire continents
you might be

1:26:00

the only one i'm asking you to take the nahimia challenge

1:26:05

i'm asking you to get on your knees for one hour a day for seven days straight and i'm asking you
whether it's the middle of the night or the middle of the

1:26:11

day that you find a quiet place and you pray these prayers and at the same time as we are all
praying these we're not

1:26:16

going to set a time this time because abba said no i want my people praying 24 hours a day

1:26:21

all around the world thousands of people that will be doing this if you take this challenge and
you get on your knees

1:26:27

before your king we will see a revival start because we will see a glory cloud begin to come
angels will be dispatched

1:26:34

a thunder cloud will begin to come it will start as the size of a fist but by the time that it hits your
land it will

1:26:40

be it will cover the land the rain will come from the shemaim and we will heal this land but it
starts

1:26:47

when yahweh's people humble themselves and pray [Applause]

1:26:53

[Music] father i come before you please stand before your king tonight yahweh we come

1:26:58

before you no longer father are we going to just hold our shields of faith

1:27:04

warriors don't have just faith we have the sword of the spirit which is the very word of god

1:27:11

and you tell us father that if we are to yield our sword we are to bow the knee first

1:27:18

so with a shield in our left hand and a sword in our right father yahweh you told me that what

1:27:24

happens in the heavens is displayed on earth and so symbolically i hold up this sword

1:27:30

for all the people in every land and every country and in every tribe and in

1:27:36

every tongue you scattered your people to the four corners of the earth i'm calling them back
with your name

1:27:42

abba with your shofar that if it pleases you before you today that you would call out to your people
1:27:48
and they would truly humble themselves and pray and that we would see and look back that now is the time today was the
1:27:55
day that the revival began today is the day that the angels were
1:28:00
dispatched and the cloud would be not just one cloud but it would cover the earth
1:28:08
like elijah did in kings he prayed seven times
1:28:15
for the cloud to come and the drought to stop i declare
1:28:21
in the name of yeshua the messiah that the drought of the word of god be vanished
1:28:28
it is gone in the abba you would bring your cloud of glory and you would reign on your people the
1:28:34
word you would reign on your people the power found in your holy word
1:28:41
your people to prayer get us out of our comfort zones father make us cry out to you
1:28:47
make us cry if you have to bring this country to our knees and we have to lose every job that
1:28:53
we have so be it father if that's what it takes do it we better cry out now or
1:28:58
he'll make us cry out bring us out of egypt father before we
1:29:03
are put into slavery free your people
1:29:09
free your people free your people
1:29:14
father bring up warriors and those that do not have an ear to hear open their ears yahweh
1:29:21
give them the passion to be a warrior for you
1:29:28
you're not asking for anything less than what your son did
1:29:35
let us die to ourself and our dumb money
1:29:41
and the kingdoms that we're building our plans
1:29:46
and our ways and let us die to you let us
1:29:52
drop our nets and follow you twelve men change this world

1:30:00

here are my father use me
