

0:00  
for truth ministries and wanted to share  
0:02  
and something that happened to me this  
0:04  
last week  
0:06  
the title of this uh particular  
0:08  
broadcast here as you can see is  
0:10  
passover is cancelled  
0:13  
what on earth  
0:15  
what does this mean uh well when we were  
0:17  
at the branson freedom encounter theater  
0:20  
in branson missouri just a a short time  
0:22  
ago  
0:23  
we had secured the branson freedom  
0:26  
encounter theater for passover so we  
0:28  
were excited about doing that  
0:31  
in the process uh the freedom encounter  
0:34  
uh had had uh what's the best way to say  
0:36  
that we can no longer use that theater  
0:40  
they've got some plans of their own of  
0:42  
building it out and they need  
0:44  
that that every bit of that time to do  
0:46  
that and so uh i pray the father blesses  
0:48  
him on that so we went looking for  
0:50  
another venue for passover and it was

0:53  
extremely difficult to find a venue well  
0:55  
we ended up securing a venue at the  
0:57  
oasis hotel in springfield missouri and  
0:59  
we were super excited about this venue  
1:02  
it was everything that we needed to be  
1:04  
able to have  
1:05  
a seder for about 500 people on friday  
1:07  
in a thousand person conference on  
1:10  
saturday  
1:11  
all of our team has been working behind  
1:13  
the the scenes uh really hard from a  
1:16  
promo video to registration to website  
1:18  
to you name it uh to have an ex a  
1:21  
stellar incredible experience for those  
1:23  
of you that would love and can  
1:25  
fly in or drive in to be part of a  
1:27  
passion for truth a 2.0 seder so we were  
1:30  
preparing for that then right after the  
1:32  
conference uh me and my family went on  
1:34  
vacation much needed first time in six  
1:37  
years and as i was praying on last  
1:40  
shabbat early morning prayer  
1:43  
i was just praising the lord and

1:45  
worshiping him and just sitting there in  
1:46  
meditation just waking up and just  
1:49  
really just thanking the father for just  
1:51  
life and everything about it and just  
1:53  
glorifying his name wasn't thinking  
1:55  
about anything in particular wasn't  
1:57  
thinking about  
1:58  
passover or anything ministry-wise just  
2:01  
being in the presence of my king and i  
2:04  
heard the voice of god as clear as i'm  
2:07  
talking to you right now  
2:08  
and yahweh said  
2:10  
cancel passover  
2:12  
it woke me up out of my my praise out of  
2:15  
my worship out of my meditation and i  
2:18  
thought i did not just hear what i just  
2:20  
heard there's no way that that is the  
2:22  
lord  
2:23  
even though it was as clear as when he  
2:26  
uh was speaking to me that word from the  
2:28  
lord on january 12th which you if you  
2:30  
haven't seen that word from the lord on  
2:31  
january 12th you need to find it on our

2:33  
youtube channel go over to passion for  
2:35  
truth ministries find that word from the  
2:37  
lord from january 12th  
2:39  
it is it's very powerful and impacting  
2:41  
and i've been reading it even as we  
2:43  
speak um anyway back to the point of  
2:46  
this is that the father said  
2:48  
cancel passover now i knew that's a big  
2:50  
deal because my team had been working so  
2:52  
hard we've got uh um  
2:55  
all these things happening with this  
2:56  
large hotel and this is a big deal like  
2:59  
we've already announced that we're doing  
3:01  
a passover event how do i pull this back  
3:04  
lord and why on earth would you do this  
3:06  
and so all week i played uh  
3:10  
the big dummy uh as  
3:12  
i like to say it and say uh father give  
3:15  
me a gideon if gideon had the right to  
3:17  
ask for confirmations i'm going to ask  
3:19  
for confirmation so  
3:21  
immediately when i asked for  
3:22  
confirmation

3:24  
i saw in my spirit the holy spirit grin  
3:27  
and say  
3:28  
really jim you need a confirmation for  
3:30  
what you know you heard you know my  
3:32  
voice why would you ask for confirmation  
3:35  
when you know exactly that it's me you  
3:37  
just don't want to admit it have you  
3:39  
ever been a position in your life where  
3:41  
you know it's god but you don't want it  
3:43  
to be him  
3:45  
you that's not what you wanted to hear  
3:47  
and so you're gonna challenge him and  
3:49  
get that  
3:50  
second third fourth confirmation in  
3:53  
jesus name i need a confirmation right  
3:55  
uh and if you don't get it you're gonna  
3:57  
do what you wanna do anyway well  
3:59  
what was happening and i i really  
4:00  
believe there's a message in here  
4:02  
because as much as this is about me  
4:04  
sharing with you what the father is  
4:05  
going to going to do at fashion for  
4:07  
truth this year for passover that we

4:09  
want to invite you to be a part of so  
4:10  
hold on till the end and i'll share you  
4:12  
with you exactly what we're going to do  
4:14  
lord willing but i also believe that  
4:16  
there's a message for each one of us  
4:18  
here  
4:19  
on this shabbat  
4:21  
about what happened to me and how it  
4:23  
relates to you and how it relates to how  
4:25  
we relate to him how do we hear his  
4:28  
voice how do we know it's him and so i  
4:30  
want to share with you a little bit of  
4:32  
my if you want to call it tricks of the  
4:34  
trade if you will or my experience might  
4:36  
be a better more appropriate term for  
4:38  
how i hear from the father and how do i  
4:40  
know it's him and how do i just submit  
4:44  
to that voice  
4:46  
and i'll tell you one of the biggest  
4:47  
ways that i know that it was him it made  
4:50  
no sense at all there was no logic there  
4:52  
was no reason in that at all cancel  
4:55  
passover god this is a commandment

4:57  
you're telling me to cancel passover it  
4:59  
was against what jim staley would do i  
5:02  
wanted to on the heels of this  
5:04  
unbelievably um  
5:07  
magnificent a conference that we had  
5:09  
with almost 1500 people live in in house  
5:13  
and tens of thousands online  
5:16  
i wanted to experience that again and  
5:18  
the father said no and that's not what  
5:20  
jim staley wanted to do so right there  
5:23  
it gave it credibility so when you're in  
5:24  
a position where you feel like you hear  
5:26  
the voice of god  
5:27  
if it's in a direction that seems to be  
5:29  
against what you would want to do  
5:31  
automatically give it some bricks on the  
5:33  
scale because there's probably some  
5:35  
major credibility uh that it is the  
5:38  
voice of the holy spirit so that was one  
5:40  
thing  
5:41  
second i wasn't thinking about passover  
5:44  
at all it was a rogue  
5:46  
voice and so that's another way that jim

5:49  
staley can determine whether it's the  
5:50  
voice of god is is a lot of times if  
5:53  
you're thinking if i'm thinking about  
5:55  
something that's happening in my life um  
5:57  
and  
5:58  
a thought comes in of something that i  
5:59  
like to do or or something i feel like  
6:02  
might be god if it has to do with  
6:04  
something that i want to do and i'm  
6:05  
thinking about it it's suspicious  
6:08  
because many times throughout scripture  
6:10  
and you can you know this if you know  
6:12  
the word  
6:13  
the holy spirit aka burning bush aka  
6:17  
angel of the lord aka  
6:19  
all the  
6:20  
fire in the the burning cloud and the in  
6:23  
the cloud during the day and fire by  
6:24  
night all of those things happen right  
6:26  
the holy spirit sends to just show up  
6:28  
the three visitors to abraham right in  
6:30  
genesis 18 i believe it is out of  
6:32  
nowhere they're not being looked for so

6:35  
one of the best ways to know that the  
6:37  
voice of god is the voice of god and not  
6:39  
the voice of the enemy or the voice of  
6:40  
you is it seems to come out of nowhere  
6:44  
the holy spirit visits you and that's  
6:46  
what happened to me it was out of  
6:48  
nowhere i wasn't thinking about anything  
6:50  
it just literally came out of nowhere so  
6:52  
number one it came out of nowhere number  
6:53  
two it was not logical in my world and  
6:56  
it made me question his own logic  
6:59  
uh and then i began the process of  
7:01  
challenging him through okay father i'm  
7:03  
going to do the spiritual thing and i'm  
7:04  
going to throw a fleece down because  
7:06  
i've got bible verses for throwing  
7:07  
fleeces down and the father was just  
7:09  
like oh they bible verses i knew i  
7:11  
should have never recorded that a whole  
7:13  
fleece story  
7:14  
but it was because it was a lack of  
7:16  
faith uh story but at the end of the day  
7:18  
the father humored me and let me go

7:21  
through my process  
7:22  
of uh a flesh having to deal with the  
7:25  
fact that i don't want to have to tell  
7:27  
my team that we're going to have to  
7:28  
cancel passover i knew right away it was  
7:30  
the voice of lord but i was hoping that  
7:31  
he would change his mind quite frankly  
7:33  
so anyway  
7:35  
when all is said and done  
7:37  
one of the best ways that you know it's  
7:40  
the voice of the father  
7:41  
whether you're supposed to do something  
7:43  
or not do something is this little small  
7:46  
word called shalom  
7:48  
when you have shalom  
7:50  
you have the presence the the the panim  
7:53  
the face  
7:54  
of god is with you when you do not have  
7:57  
peace  
7:58  
that means the presence the pillar of  
8:01  
fire  
8:02  
that is over  
8:03  
your temple the holy of holies of your

8:06  
life is not with you  
8:08  
and this is a major major major major  
8:11  
major major category that in a different  
8:14  
world marriage  
8:16  
okay when you are not in alignment with  
8:19  
your spouse and there's no peace  
8:21  
then the presence of god is not there  
8:22  
there needs to be peace in decisions  
8:25  
that are made whole another story but  
8:27  
back to your your your personal walk  
8:29  
with the father  
8:30  
one of the number one ways that that i  
8:33  
know that i'm in the will of god is i  
8:34  
will have peace about a particular  
8:36  
situation in my life and so if i stay in  
8:40  
community and in union with the father  
8:42  
through relationships specifically  
8:44  
through prayer because remember january  
8:46  
12th of 2022 a word from god came that  
8:49  
was a warning that was very clear that  
8:52  
the scales of prayer are before us and  
8:55  
they are at the river's edge no one is  
8:57  
going to cross that river into the

8:59  
gilgal into the first step of the  
9:01  
promised land which we're going to be  
9:02  
talking a lot more about  
9:04  
later as we unpack that again  
9:07  
no one's crossing that river until  
9:08  
they're put on that scale of prayer how  
9:11  
is your prayer life  
9:13  
because i can tell you this that in jim  
9:15  
staley's world the decisions that i have  
9:18  
to make are so critical and they impact  
9:20  
so many people outside of my own family  
9:23  
that if i don't spend time with the  
9:25  
father to get instructions and  
9:27  
directions from him and sit in his  
9:29  
presence  
9:30  
i will simply do what i want to do i  
9:33  
will simply worship god how he what i  
9:35  
believe he wants to be worshipped i will  
9:37  
do ministry the way that i want to do  
9:40  
ministry and i will and i will begin to  
9:42  
build the house instead of letting the  
9:44  
father build the house and let him  
9:46  
decide what he wants to do and what is

9:48  
the fastest best most  
9:50  
efficient way to grow his kingdom and so  
9:54  
in your own personal life i will tell  
9:55  
you this well before i say that if i  
9:58  
would not have gotten up early that day  
10:00  
and spent time with the lord i would  
10:03  
have never heard cancel passover which  
10:05  
means i likely would have continued down  
10:07  
the path all in the name of yeshua and  
10:10  
growing the kingdom and celebrating the  
10:12  
feast days of the lord and doing bible  
10:14  
things in bible ways and it probably  
10:15  
would have been a great conference and  
10:17  
everybody would have been blessed but it  
10:18  
would not have hit the full potential  
10:21  
that abba wanted to do at that moment  
10:24  
so let me ask a question to you  
10:26  
are you hitting your full potential are  
10:29  
you hitting your full potential in  
10:32  
messiah and the next question is this  
10:35  
how do you know  
10:36  
how can you know that you're hitting  
10:38  
your full potential you know one of the

10:40  
things that  
10:41  
that the father told me one week into my  
10:44  
prison experience so when i went to my  
10:45  
higher learning facility one week into  
10:48  
it i was sitting on a on a bench  
10:51  
right by the the  
10:53  
the uh  
10:54  
tennis courts  
10:56  
and i was having a sobbing session uh  
10:58  
and i uh you know crybaby session and i  
11:01  
was and i was father  
11:03  
why like i i truly broke down and asked  
11:05  
the question why why are you allowing  
11:07  
this happen we were doing so much  
11:09  
for you in in in your name and our  
11:11  
ministry was growing and we were making  
11:13  
an impact and so on and so forth  
11:16  
and i felt this presence over my my left  
11:19  
shoulder so over my left shoulder i felt  
11:22  
this incredible presence  
11:24  
and i literally turned because i thought  
11:25  
i was going to see an angel and i didn't  
11:27  
see anything but the presence the

11:28  
feeling it was like a thick  
11:30  
that's the best word to extract it was  
11:31  
like a thick  
11:33  
presence like a light was there  
11:36  
and um  
11:38  
and i got my answer  
11:39  
the answer was was very simple it was  
11:42  
jim  
11:43  
you think  
11:45  
that you are growing my kingdom and that  
11:47  
you are pleasing me but you are only  
11:50  
giving me 10 return on my investment in  
11:53  
you you're leaving 90 on the table  
11:56  
i need a 100 return on investment for  
11:59  
what i've put inside of you  
12:01  
you're comparing yourself  
12:03  
to on on a curve to everyone else  
12:07  
in this in this movement and it broke me  
12:10  
to real i never looked at things that  
12:11  
perspective i never looked at things  
12:13  
from the perspective of  
12:15  
well  
12:17  
what kind of return am i giving god on

12:19  
the investment that he gave me i mean he  
12:20  
gave me not only yeshua and his blood  
12:22  
not only gave me the comforter the  
12:24  
teacher the ruach hakadesh the holy  
12:26  
spirit but he gave me the ability  
12:30  
to  
12:31  
to increase his kingdom through teaching  
12:35  
through exhortation right through  
12:37  
preaching through the unveiling and  
12:40  
exposition of his word  
12:43  
and the bible says in james 3 1 that he  
12:45  
who is a teacher let him not be a  
12:46  
teacher because he'll be judged more  
12:48  
strictly you know and whatever a man has  
12:51  
he'll be he'll be required of him uh far  
12:53  
more and so at the end of the day god  
12:55  
was basically saying look you think too  
12:57  
highly of yourself you you think that  
12:59  
you're 10 is something uh when you're  
13:01  
leaving 90 on the table do you want to  
13:03  
stand before uh like a a an old friend  
13:06  
said once i don't want to meet the jim  
13:08  
staley that i could have been uh in in

13:11  
heaven i want to meet the jim staley  
13:14  
that  
13:15  
hits his potential  
13:16  
and so do you and so how do you know  
13:19  
that you're hitting your full potential  
13:21  
i believe my friends it's through prayer  
13:23  
i believe that the you can never hit  
13:25  
your full potential in messiah you can't  
13:28  
do it you can't do it on your own you  
13:31  
cannot decide to be holy enough to  
13:33  
follow enough commandments to follow  
13:35  
enough of the of the love book you can't  
13:37  
figure out enough of the golden uh  
13:39  
nuggets you can't learn enough of the  
13:41  
original languages you can't know enough  
13:43  
hebrew idiomatic expressions there's  
13:45  
nothing that you can do on your own to  
13:48  
hit your full potential  
13:50  
i remember in passion for truth 1.0 we  
13:52  
were rocking along changing the world  
13:54  
and in our bubble we were making a major  
13:56  
impact into christianity with the  
13:59  
message that god had had us to carry and

14:01  
the father said that was 10  
14:04  
he didn't want me to tithe he wants me  
14:06  
to give a 100  
14:08  
return on investment of what he puts  
14:10  
inside of me and he wants to do that  
14:12  
inside of you and he's teaching me the  
14:14  
only way to do that is through prayer  
14:16  
it's to get in his lap  
14:18  
and here's where i'm going with that and  
14:19  
i had no intention of preaching  
14:21  
but this is just what it is i just  
14:23  
intended to have  
14:24  
an announcement that we're not going to  
14:26  
be doing passover the way we thought and  
14:28  
here the father wants to give you a  
14:29  
message of how to know when you're  
14:31  
hitting your full potential in him  
14:34  
is the peace of god that surpasses all  
14:37  
understanding when you're sitting in his  
14:39  
presence  
14:41  
when you are at the feet  
14:43  
of of of the throne of the living god  
14:46  
behind the veil in the holy of holies

14:48  
with the wings of the cherubim over your  
14:49  
left shoulder and your right and the  
14:52  
prayers of incense are filling that  
14:55  
place to where the literal tangible uh  
14:58  
presence of the most high the kavod in  
15:01  
hebrew the glory which literally means  
15:03  
honor or weight  
15:04  
of god begins to fall in your uh in your  
15:08  
area in your body and your mind and your  
15:11  
will and your emotions  
15:13  
you're gonna know  
15:14  
what you're supposed to do and you're  
15:16  
gonna hear his voice that gentle  
15:18  
beautiful unwavering very clear and most  
15:21  
of the time illogical and unreasonable  
15:24  
you know why because in our realm  
15:28  
in the reason realm  
15:29  
that's not where faith lives that's not  
15:31  
the kingdom of heaven the kingdom of  
15:33  
heaven lives above reason and lives  
15:36  
above reason and we call that in english  
15:39  
faith we call it immune in hebrew right  
15:41  
the faith that hey whatever it is that

15:43  
happens it's illogical it has to be of  
15:46  
the creator because he lives above logic  
15:48  
he lives above reason  
15:50  
and if you want to find yourself in the  
15:52  
middle of the will of god you must  
15:54  
do what david did  
15:56  
you must rise before the sun  
15:59  
you must before you do anything you must  
16:02  
give him your first fruits of prayer you  
16:04  
must raise up the incense of smoke  
16:07  
before the holy one in that moment  
16:10  
and you must sit in his lap and say  
16:13  
father here's my plans for the day what  
16:15  
say you  
16:17  
what do you want to do is this okay with  
16:19  
you before i do this like a little child  
16:22  
once like my child came to me today say  
16:24  
hey can my friend come over today and  
16:27  
play and spend the night  
16:29  
she could have easily done that on her  
16:31  
own she's nine years old she could have  
16:33  
texted her friend and said hey can you  
16:34  
come over addie and play and spend the

16:36  
night without me knowing it make all of  
16:38  
her plans only for her father her abba  
16:41  
her daddy to cancel it because she  
16:44  
didn't know  
16:45  
what our plans were that we're going to  
16:47  
have a bible study and we're going to do  
16:48  
this and we're going to have a nice  
16:49  
dinner and and then maybe afterwards she  
16:52  
can come over  
16:53  
and spend the night how many of us take  
16:55  
that childlike faith that respect that  
16:58  
my nine-year-old knew the torah in our  
17:00  
house  
17:01  
that she can't operate on her will alone  
17:04  
she has to come before her mom and dad  
17:07  
and say hey this is what i'd like to do  
17:10  
i know i can do this  
17:12  
is it okay with you  
17:14  
what say you  
17:16  
how many times in our lives ladies and  
17:17  
gentlemen do we do what jim staley did  
17:20  
and plan an event no matter big or small  
17:23  
it doesn't matter and we don't consult

17:26  
the father and say father this is what  
17:28  
i'd like to do  
17:29  
what say you and the only way to do that  
17:33  
is to do that on his lap is to get in  
17:35  
his presence and quite frankly according  
17:37  
to the word on january 12th of this year  
17:40  
it's to get on the scales of prayer  
17:43  
and it's to ask the father  
17:45  
what is your will  
17:47  
and let your will be done  
17:49  
and not mine  
17:50  
my friends  
17:52  
i'm jim staley with passion for truth  
17:53  
ministries and i look forward to getting  
17:56  
up in the morning every single day that  
17:59  
i can  
18:00  
and asking the father  
18:02  
what do you want to do  
18:03  
how can i hit my full potential how can  
18:06  
i give you  
18:07  
the best of the best  
18:09  
not trying to figure out a way to tithe  
18:12  
or half tithe or consider this

18:14  
we're so petty ladies and gentlemen and  
18:16  
how we look at giving and generosity to  
18:18  
the kingdom we have no idea even what a  
18:21  
heave offering is and i'll share that  
18:22  
with you some other time of how that's  
18:24  
related to the new covenant giving of  
18:27  
our whole lives to the father  
18:30  
but at the end of the day the father is  
18:31  
not looking for 10  
18:33  
not looking for 15 or 20 not looking for  
18:36  
50  
18:37  
he wants a 100 return on his investment  
18:40  
from us to him  
18:43  
from us to him and my friends let us get  
18:46  
up and get on those scales of prayer sit  
18:48  
in his lap feel the peace or not feel  
18:51  
the peace and i promise you and i can  
18:54  
tell you with everything tell you with  
18:55  
everything in me take it to the bank  
18:58  
if you seek his face  
19:00  
with all of your heart mind soul and  
19:02  
strength and you do what's hard  
19:04  
you get up before that son comes up and

19:06  
you spend time with the father  
19:08  
you will hear his voice  
19:10  
you will feel his presence  
19:13  
he will guide you and he will direct you  
19:15  
in that moment to where your conscious  
19:18  
mind knows what's going on and more  
19:20  
importantly he will begin to orchestrate  
19:23  
your life  
19:24  
your circumstances and you will get what  
19:26  
i love to call divine assistance in ways  
19:29  
that you cannot imagine in other words  
19:32  
behind the scenes in the kingdom realm  
19:35  
he will do things for you and around you  
19:37  
that you won't even know that will  
19:39  
assist you and bless you and make your  
19:42  
way straight  
19:44
