

0:01
all right guys i just wanted to share
0:03
something amazing that's happening down
0:05
here in ava missouri
0:07
um
0:08
just
0:09
no structure to this meetings at all
0:11
like everything's planned out but god
0:14
has completely different plans and the
0:15
holy spirit just showed up uh this
0:18
morning i don't even know it's one
0:19
o'clock i was supposed to speak two
0:21
hours ago
0:22
and and we're still going from the first
0:24
service uh the holy spirit has really
0:27
dropped on this place and and we've been
0:30
talking about uh i've been talking about
0:32
for a long time that that until we get
0:35
the spirit and the truth together and we
0:36
know what that looks like we're never
0:38
going to see a powerful work by the
0:40
spirit
0:41
by god we're never going to see this
0:42
movement go anywhere well there's a lot

0:44
that i can say i will say afterwards but
0:46
i want to introduce you to a gentleman
0:48
that's standing right next to me here
0:50
and uh if you can just give your first
0:52
name yeah my name's henry so guys meet
0:55
henry down here and are you from this
0:56
area uh just moved down here in november
0:58
okay
0:59
just moved down here like half the world
1:01
is moving to ava missouri for some
1:03
reason it's crazy there's so many
1:04
messianics are taking over the town um
1:07
but in the tent behind me uh we were
1:10
praying and just ministering
1:12
and
1:13
people
1:14
felt like they wanted to hear from god
1:16
and so we just prayed that anybody that
1:19
wanted to be mikvah in the holy spirit
1:21
like acts chapter 2 type of baptism that
1:25
it would just calm down and people would
1:27
just just receive it and hear from the
1:30
lord and begin to speak another

1:32
i don't know there we are sorry about
1:34
that accidentally hit my thumb and uh
1:36
this gentleman
1:38
who has never been uh
1:40
heard the voice of god before audibly
1:42
i'm gonna let him tell his story because
1:44
i believe this is gonna be a blessing to
1:46
you there was over a dozen people that
1:49
almost simultaneously uh like acts
1:52
chapter two started uh speaking in
1:54
tongues and and i'm gonna let him tell
1:56
his story because this is pretty cool
1:58
all right so a couple years ago i
2:01
asked the father i've
2:02
i've been praying to be able to hear his
2:04
voice audibly
2:06
and it i pray that every single day and
2:09
it had not happened and uh today they
2:11
just asked if anyone had uh
2:14
just heard in this in the spirit is what
2:15
it was they're bringing people up and i
2:17
and
2:19
nathan harmony grabbed me and he kind of

2:21
just kind of coached me through he's
2:23
like hey just do this
2:24
as far as how to speak in tongues i
2:26
guess because it doesn't make any sense
2:28
to me whatsoever none
2:30
and uh as i was doing it
2:33
i heard the father man and he's he told
2:36
me i hear you and
2:38
and it took me it took me a minute to
2:40
register i kind of walked off and i
2:41
walked around and
2:43
i was talking to some friends and one of
2:45
one of the brothers comes up and he
2:46
looks at me so something happened didn't
2:48
it and i was like yes man i heard the
2:50
father audibly i heard him and i am so
2:52
excited and i broke down like you
2:54
wouldn't believe sobbing like a baby but
2:57
praise jehovah man praise the father for
2:59
what he's doing here and what he's doing
3:01
with everyone it it's incredible it
3:04
really is so what what he's saying is is
3:06
that he never

3:08
had this language before
3:10
and and wasn't sure about it as you can
3:12
tell this guy's a very hands-on real
3:14
dude
3:15
and uh and so nathan was just basically
3:17
saying that look if you want this gift
3:20
you have to open your mouth uh you just
3:23
have to open your mouth and begin to let
3:26
the voice come forward and it won't make
3:28
any sense but it will turn into a
3:31
language of heaven i know some of you
3:32
watching this may not even believe it
3:34
makes zero sense to me
3:36
still at this moment other than but it
3:38
happened and so you can't you can't deny
3:40
it no that none what so because it
3:42
happened yes and i i don't i don't know
3:44
what happened but i can tell you what
3:45
happened because i've helped people a
3:47
lot of people like this that that you
3:49
began to like make a noise
3:51
and then it just turned into a language
3:52
yes and you don't even know what the

3:54
heck you were saying none but in the
3:55
process just to recap so you guys caught
3:57
this in the process of him praying in
4:00
this other language he had never heard
4:02
the voice of god before and he literally
4:05
audibly heard the holy spirit say i hear
4:08
you yes how cool is that like out of all
4:11
the things praise the father out of all
4:13
the things that he could have said yes
4:15
like he could give you like lottery
4:16
ticket numbers you know
4:18
he could have like unpacked for you some
4:20
crazy verse that everybody's trying to
4:22
figure out right but he just simply said
4:25
i hear you it's all i needed i hear you
4:28
and he knew it i hear you yes and so
4:30
what a beautiful thing is you guys and
4:33
over a dozen people two of them were my
4:35
daughters uh that got baptized in the
4:37
holy spirit and and which is just crazy
4:39
as a dad it's just the most beautiful
4:41
thing ever because and now the holy
4:43
spirit goes from something that you

4:44
observe
4:46
to something that is like an internal
4:48
light something that is so powerfully on
4:50
the inside that that this won't be the
4:52
first time that you hear his voice like
4:54
you will now hear him
4:55
everywhere you go i sure hope it's just
4:58
a whole nother level at this moment i am
5:00
so filled over the top with emotion
5:03
and joy and happiness that i can't even
5:05
describe it i'm going around i'm hugging
5:07
everyone i'm loving on everyone i'm
5:09
crying
5:10
it's incredible this is great oh cool
5:12
you got this guy too man listen man
5:14
god's so good
5:15
and uh you know i just want to i just
5:17
want to share one quick story for all of
5:19
you doubters out there and i shared this
5:20
with uh the the group on the inside that
5:24
uh i was praying with my daughters um
5:27
not too long ago actually i guess it was
5:29
a little long ago now it was about seven

5:31
months ago
5:32
right before the word from the lord that
5:33
came in january 12 and i started praying
5:36
in tongues for the first time around my
5:38
my family
5:40
and my daughter one of my daughters at
5:43
the end said dad
5:44
um
5:45
i heard you in english i heard what you
5:48
said god told me what you said she had
5:51
somehow knew that i prayed in tongues
5:53
but she heard me in in like almost like
5:56
two languages at one time and she began
5:58
to dictate what i said uh that i didn't
6:01
know what i was saying and so uh this
6:03
stuff is real i had another friend of
6:05
mine who mentored me actually uh was on
6:08
a plane and there was a guy in africa uh
6:11
south africa or not south africa he was
6:13
an african gentleman that was sitting
6:15
next to him and uh and god told my
6:18
friend to start speaking in tongues
6:20
and uh he's like man are you crazy

6:22
they're going to throw me out of this
6:23
airplane uh 30 000 feet that won't be
6:25
any fun i'm not doing that but after
6:28
about 20-25 minutes he just he just gave
6:30
in and he couldn't he couldn't resist
6:32
the spirit anymore so he started praying
6:34
and the gentleman next to him started
6:36
sobbing started crying
6:38
and as as my friend began to talk to him
6:41
and this gentleman began to speak in
6:42
broken english he began to explain to
6:45
him that he was hearing the gospel in
6:47
his native african tongue
6:50
while my friend was praying in the
6:52
spirit this man was hearing the gospel
6:55
in his african tongue and he got saved
6:57
right on the airplane never met each
6:59
other in their life and it was all
7:01
because this gentleman my friend my
7:03
mentor from when i was younger he gave
7:06
uh he he
7:07
he spoke in the spirit and prayed in the
7:10
Spirit.
