

0:00
ladies and gentlemen i'm telling you
0:01
right now that until this movement this
0:04
movement is going to be split this
0:06
movement's going to be split into two
0:08
houses you're going to see this happen
0:10
so you can share this video because
0:12
what is about the happening is happening
0:14
now in ava missouri which has been
0:16
prophesied even by cory ten boom years
0:18
and years ago decades ago what's about
0:20
to happen is the same thing that
0:22
happened in israel
0:24
that the word of god brought forth in
0:26
january 12 that i gave and if you
0:28
haven't seen it you need to go back and
0:29
watch it on youtube but in that word it
0:32
talked about uh there would be a group
0:34
of people joshua and jaleb a generation
0:36
that were going to cross over the jordan
0:39
into the gilgal and be re-circumcised
0:42
gonna be circumcised and then there are
0:44
going to be an a massive connection to
0:47
the spirit of god that's going to bring

0:48
down jericho that's going to be the
0:51
first battle to take back the land is to
0:53
take back jericho but it can't happen in
0:55
their own strength and right now for the
0:58
past 40 50 years the messianic movement
1:01
has been trying to do things in their
1:02
own strength and their own understanding
1:04
that we parse out scriptures we talk
1:06
about hebrew and hebrew roots but we
1:08
parse out the scriptures like greeks you
1:10
know we gotta have theology that
1:12
operates in this scripture and i can't
1:13
find it in scripture and blah blah blah
1:15
but let me tell you something there's a
1:16
lot of god that you can't find in
1:18
scripture
1:19
there's a lot because god will not fit
1:22
inside of a book and he can't fit inside
1:24
of a box and so just like ancient israel
1:27
when they came out of egypt and 40 years
1:29
later they were split into two different
1:32
camps
1:33
one camp that stayed out in the

1:35
wilderness
1:36
and and camped out there and they died
1:38
in the wilderness and another camp that
1:40
believed that god could overcome the
1:43
giants by faith see to be connected with
1:45
god is to be connected by faith is to go
1:48
beyond the natural into the supernatural
1:50
it's to go beyond the letters on the
1:52
page and go into what the father says is
1:55
this is my face
1:57
is built by faith i want you can't see
1:59
my faith but my face but by faith if you
2:02
believe
2:03
i will tear down these giants and
2:05
they'll fall before you and you'll never
2:07
even have to throw a stone
2:09
or bring an arrow back on your
2:11
on your bow
2:12
and so what happened in in the first uh
2:15
a parting
2:17
is that they two groups one stayed in
2:19
the desert one got to go and experience
2:21
the power of jericho and see the

2:23
supernatural move with the divine
2:24
assistance of god in their life and it
2:27
happened ladies and gentlemen not
2:28
because they understood every word of
2:29
the torah not because they they
2:31
perfectly understood theology
2:34
and every subject matter that they could
2:36
they could discuss and argue over or
2:38
whatever calendar they were on they
2:40
absolutely got to experience the power
2:42
of god and get their inheritance because
2:44
they simply believed
2:47
until we get back to a place where we
2:48
understand that this is about belief
2:52
it's about shema to hear and obey and
2:55
i'm telling you right now that this
2:57
movement is beginning the process of
2:59
understanding there's a group of joshua
3:02
caleb generation inside of this movement
3:04
that is beginning to understand that
3:06
shema means far more than the black and
3:08
white
3:09
that we have to obey the voice of the

3:11
spirit which pre-dates the black and
3:14
white of the torah and of the brita shah
3:16
and of all of the prophets
3:19
i'm telling you in the millennium the
3:20
torah is not even going to be in
3:22
applicable for the most part
3:25
most of the
3:26
the paul says that that the torah the
3:28
law was given because of transgression
3:31
so what happens when we get rid of
3:32
transgression we're gonna the much of
3:34
the torah won't even be in existence
3:36
because it's designed for what for the
3:39
flesh so we need it now
3:41
we absolutely need the torah now it is
3:43
so relevant for today more now than ever
3:46
but i'm telling you what's more relevant
3:48
than anything is the spirit of the
3:49
living god it's the spirit it's the
3:52
ruach that wants to move it's when you
3:54
feel that internal pull that says you
3:57
need to go left you need to go right you
3:59
need to talk you need to shut up you

4:00
need to stand up you need to sit down
4:02
you need to go to this word the father
4:04
gave me yesterday by the spirit i was
4:06
praying in the spirit and i saw isaiah 6
4:10
7
4:12
and i i didn't know what it said so i
4:13
went and i read it and as i read it i'm
4:16
like okay that's cool wow this is here
4:18
for someone but the spirit said don't
4:19
say anything yet
4:21
it was about 45 minutes later that
4:22
nathan harmon got up and he quoted the
4:25
two verses before that in isaiah 6 where
4:28
it says i live in a land of unclean lips
4:31
and that was my cue that i knew that
4:34
this verse was for someone and that was
4:36
the time you see when you operate in the
4:38
spirit you can't get that by studying
4:39
torah you can't get that by by
4:42
understanding uh all of of of the bible
4:46
from from genesis to revelation you get
4:48
it only from one place and that's
4:50
straight from the umbilical cord of

4:52
heaven to earth it is through the ruach
4:54
hakadesh it is through the spirit it is
4:56
the spirit that gave me a vision of
4:58
isaiah 6 7 that connected to nathan's
5:00
message that connected to some people
5:03
that needed to be healed and forgiven
5:04
for the iniquity of their tongue
5:06
you see god wanted to give a word to
5:08
someone but they couldn't hear they
5:10
weren't filled with the spirit they
5:11
couldn't hear his voice but they were
5:14
they were in in their sin of their mouth
5:17
they were feeling the the depravity and
5:19
the and the transgression and the
5:21
condemnation and the guilt and the shame
5:23
and they just needed to know that that
5:24
god loved them and forgive them and god
5:27
through isaiah 6 7 said i forgive you
5:29
and purge you from the iniquity of your
5:31
tongue and it broke people
5:34
you see this is the this is the place
5:36
and this is the moment this is where
5:38
we're at in time this is the first time

5:40
in 2 000 years
5:43
since acts chapter 2
5:45
on any kind of scale where you have a
5:47
movement of people that believe in the
5:49
front of the book and the back of the
5:50
book and the holy spirit connection if
5:52
you haven't been to church today this is
5:54
your church service listen up
5:56
we need to believe in the back of the
5:59
book
6:01
and the front of the book
6:03
the holy spirit is wanting to pour
6:04
himself out on people that believe
6:09
if you don't believe that's fine you'll
6:11
never receive the holy spirit because
6:12
the holy spirit only goes to those who
6:14
believe
6:17
and the confines and the the the the
6:20
guard rails is the scriptures we're not
6:22
talking about something that's crazy
6:24
that's out of balance this stuff has
6:26
been misused and abused throughout
6:28
charismatic circles pentecostal circles

6:30
and christian circles for a
6:32
millennium but we're talking about a
6:35
balanced holy spirit fresh renewed touch
6:40
and breath
6:42
from heaven
6:43
and some of you that are listening to my
6:45
voice right now i don't even care if
6:47
it's in spanish or english or russian or
6:50
whatever language but i'm telling you
6:52
the holy spirit wants to touch you he
6:53
wants to heal you he wants to absolutely
6:57
let you hear his voice
6:59
and you need to be baptized in the holy
7:00
spirit and so i'm just going to ask you
7:03
right now if you this is not a
7:05
this is not a joke i'm not doing this
7:07
for for view counts i don't even care
7:10
but i i'm i'm i'm moving off the rails
7:13
right now what god is doing in my life
7:15
and i i'm being touched so much in the
7:18
last 14 days of going to two conferences
7:21
and experiencing prophetic messages and
7:24
the move of god i want all of you to

7:26
experience it so if you've never heard
7:28
the voice of god like this gentleman who
7:30
just who just absolutely humbled himself
7:33
before you said man i i i've never heard
7:35
god's voice and you want to hear his
7:37
voice we can do this virtually i just
7:39
pray i'm going to ask you to raise your
7:41
hands right now where you're at put your
7:43
phone down and raise your hands before
7:46
god
7:47
and i want you to just ask the holy
7:49
spirit to fall on you right now
7:52
and if you want to receive whether you
7:54
believe or not it doesn't matter if you
7:55
believe in the gift of tongues and it's
7:57
not about the gift of tongues itself i
7:59
want you to understand that it's not
8:02
it's about wanting and desiring to go
8:05
further and deeper and farther into the
8:07
spirit that your conscious and your
8:10
subconscious cannot understand
8:13
you see how many of us we absolutely we
8:16
we inhibit the power of god in our life

8:18
you know why we inhibit the power of god
8:20
in our life because our conscience and
8:23
our disbelief and our doubt in our the
8:26
firewalls of our past the traumas our
8:29
past experiences everything if we think
8:32
about god prevents us from experiencing
8:34
him did you hear what i just said
8:37
we we experience god in so many
8:39
different ways
8:40
and then because other people just use
8:43
something wrong or they abuse it or
8:45
misuse it we discount it and we don't
8:47
even look in that direction anymore and
8:49
we never even considered
8:51
that maybe it is so powerful
8:54
that the enemy purposely twists things
8:57
so that we would never look in that
8:58
direction again
9:00
we know that the torah is so beautiful
9:03
and it's been set aside and holy for us
9:06
today and we know that the enemy's been
9:08
manipulating it and twisting us and and
9:10
trying to teach us that it wasn't a

9:12
valid and it's not applicable so that we
9:14
wouldn't even look at it because the
9:16
moment that you look at it you start
9:17
climbing the fell to the to the stairs
9:19
of heaven to jerusalem to the temple
9:21
itself you start to climb spiritually
9:24
when you go back to the front of the
9:25
book and you connect it to the back of
9:27
the book so he kept us from that he
9:29
wants to keep us from that and i'm
9:31
telling you right now that satan himself
9:33
and all of his minions they know that
9:35
god has a language of the angels he
9:38
knows it he knows that we we spoke that
9:40
language before the sin he knows that we
9:42
connected into the spirit realm he knows
9:45
that sin is the firewall and doubt and
9:48
anxiety and stress and trauma
9:50
is the firewall that prevents us
9:53
from going deeper into letting us hear
9:56
his voice and i'm telling you that this
9:58
gift
10:00
probably 60 to 70 percent of my prayer

10:03
life is praying in the spirit this is
10:05
how i'm hearing from the lord this is
10:07
how god speaks to me this is how he
10:09
tells me to go left do it right do i get
10:10
it all right all the time no
10:12
i'm a growing learning man that's trying
10:15
to be humble and just stand before my
10:17
god or lay on the at his feet
10:20
but one thing i can tell you for sure in
10:21
two things for certain with all the hell
10:23
that i've gone through from five years
10:25
of prison everything being stripped from
10:27
me from my closest friends abandoning me
10:29
and stealing from me and all the things
10:31
that happened in the trauma of my family
10:33
and my children and almost losing one of
10:34
my daughters because of it
10:36
of everything i've gone through i can
10:38
tell you right now the one thing that
10:41
was true and that never changed that
10:43
wouldn't it always remained was hearing
10:46
that still small voice through praying
10:48
in the spirit

10:50
it was that that caused me to come
10:52
through and so if you want to hear the
10:54
spirit of god i'm going to ask you and
10:55
i'm going to teach you right now that
10:57
all you have to do is believe and just
11:00
like the only way to hear from god in
11:03
the word is to open up the bible you
11:04
don't need to to be told where to go
11:07
have you ever just said god i need a
11:08
word so bad and you just said i'm just
11:10
going to open this up please speak to me
11:12
and you open it up and it just so
11:13
happened to be a verse that just blew
11:15
your mind and it was exactly what you
11:17
needed
11:18
you know that now do you think that
11:20
that's coincidence that that happened
11:22
almost everybody probably in the sound
11:23
of my voice you've had that happen to
11:25
you do you know why it was because your
11:27
faith and your belief was so great and
11:30
then you acted upon that in such a way
11:32
that god met you halfway and caused your

11:35
fingers to open the bible to such a
11:37
place that would minister to you at that
11:39
moment that's exactly what i'm talking
11:41
about right now with the gift of tongues
11:44
and speaking in the in the tongues of
11:45
angels you can mock it you can put it
11:48
aside but i'm telling you it's real i've
11:50
seen prophecy i've seen words of
11:52
knowledge i've seen the power of god i
11:54
watched it in one of my daughters
11:56
immediately just out of nowhere just bam
11:58
just started speaking in a heavenly
12:00
language and it changed her countenance
12:02
her whole spiritual countenance changed
12:05
instantaneously this man heard the words
12:08
of god and i think it's unbelievable
12:11
that the word that he heard was i
12:14
hear you
12:15
oh my gosh that will change your life if
12:18
you heard the creator speak to you
12:20
directly and say to you
12:23
i hear you
12:24
and so i just want to give you just a

12:26
quick instruction on what this looks
12:27
like and how it works while they're in
12:29
there they are still going from 8 30
12:32
this morning it's 1 30 there's not even
12:35
been a break for lunch it's just that
12:37
out of control i had to walk out of here
12:39
because it's just so loud and god's
12:41
moving but just raise your hands before
12:43
him
12:44
and and father i just pray in yeshua's
12:46
name that you would baptize and mikv
12:49
everyone in the sound of my voice that
12:51
wants to hear from you that they believe
12:54
by faith that they can receive this gift
12:56
of this deeper understanding of being
12:58
able to connect to you and through you
13:01
outside of the conscious realm outside
13:03
of understanding where we're we're
13:06
stress and anxiety and doubt doesn't
13:08
exist where our interpretations of our
13:11
mind can't can't judge it father that it
13:13
only is deep calling to deep the spirit
13:15
calling his spirit father i pray that

13:17
your spirit would fall on these people
13:19
and everybody that wants to receive you
13:22
will begin to have this gift that you
13:24
would bestow upon your people right now
13:26
around the world whether they even
13:29
understand what i'm saying in english or
13:31
not that your ruach would fall and that
13:33
you would cause these people to be
13:35
baptized in your spirit and bring back
13:37
the messianic acts chapter 2 faith of
13:40
torah and spirit and truth god together
13:43
father we praise you and we thank you
13:44
right now i encourage you to just start
13:47
speaking
13:48
anything just let a noise come out of
13:51
your mouth and what will happen is he
13:53
will start to change it into a language
13:56
father i pray as they open their mouth
13:59
and they start to make vocal noise that
14:01
air travels through their vocal cords
14:04
and they start to make a noise that
14:06
father in yeshua's name that that noise
14:09
would be turned into your words your

14:12
language father that you would connect
14:13
to them that the people that will be
14:15
writing us telling us that they were
14:17
they felt the spirit of god they started
14:18
speaking in this language they heard the
14:20
voice father transform them give them
14:23
the ability to know you feel you
14:24
experience you lord let them go farther
14:27
and faster and deeper and wider than
14:29
ever before
14:31
lord let this movement around the world
14:33
be birthed right now i declare it in the
14:36
earth realm that the spirit of the
14:38
living god will be be birthed again that
14:41
acts chapter
14:42
to have its way
14:44
and your people will begin to play in
14:46
the spirit in the confines and the fence
14:50
of the holy torah but father your holy
14:53
spirit would match the holy torah and
14:56
when you would show your people that you
14:58
came long before the torah ever decided
15:01
to show up that you existed and you

15:03
hovered over the face of the waters and
15:05
as you hovered you began to smile lord
15:08
as as the earth began to quake and
15:11
oceans began to roar and volcanoes began
15:13
to erupt and father land became uh
15:17
available and it rose up out of the
15:19
ocean father i pray that out of the sea
15:22
of people you would raise up mountains
15:25
of men
15:26
mountains of women for you god i pray
15:28
that you would bring forth a terrible
15:31
and and and and amazing and awesomeness
15:36
of your spirit god that you would
15:38
manifest yourself with signs and wonders
15:41
and healings and father i pray that
15:43
prophetic words you would raise up the
15:46
prophets of old would come back to life
15:48
and the spirits of daniel and jeremiah
15:51
and ezekiel and hosea and joel father
15:54
and amos all of them got every one of
15:56
them their spirits would rise and begin
15:59
to prophesy to men again that the days
16:02
of yeshua are coming and the second

16:05
coming of our messiah the lamb of the
16:06
living god will come with the host of
16:09
heaven and he will retrieve his bride
16:11
father we praise you we thank you we
16:14
lift up our voices and our hands before
16:16
you wherever you are lift up your voices
16:19
and lift up your hands before god we are
16:21
having church service right now from ava
16:23
to africa and father we thank you lord
16:26
that you are with us in the earth realm
16:28
and you will not just stir this place
16:30
you will stir every heart and every
16:32
place and father we pray that the holy
16:34
spirit with light on fire and whole
16:36
families would be resurrected and
16:38
restored we call out young women right
16:41
now that are in promiscuity and
16:43
fornication
16:44
against their parents wishes that they
16:46
would come back they would repent father
16:48
and give their lives to you we pray for
16:50
young men lord that are out of alignment
16:52
and don't know you and walk away from

16:54
your faith
16:55
because they've seen hypocrisy in the
16:57
church or what have you lord we call out
16:59
their names you know every one of them
17:01
lord of the angels i ask that you every
17:03
angel will call out the name of every
17:05
son or daughter that's wayward right now
17:08
in yeshua's name we call them out that
17:09
they will return and they will return
17:11
immediately that you will touch them you
17:13
will you will they will feel you they
17:15
will recognize you they would know you
17:16
lord i pray god that you would do
17:18
miraculous things in the earth realm
17:20
right now father i pray father in
17:22
yeshua's name that you would you would
17:24
call upon family leaders to be family
17:26
leaders lord that wives lord would be be
17:28
gentle and kind and husbands would be
17:30
the same lord we pray for a restoration
17:33
lord beyond restoration lord you prayed
17:35
and you said lord in your word and the
17:37
prophets that in the end days lord the

17:39
prophet would come and and father he
17:41
would restore lord the sons to their
17:44
fathers and daughters to their mothers
17:46
lord we just pray for toil family
17:48
restoration in the earth realm and it
17:50
would begin with your people call who
17:52
are called by your name would fall on
17:54
their face from heaven and they would
17:56
return they would repent from their
17:58
wicked ways and pray father and that you
18:00
would return uh the lord
18:02
and heal our land we pray for a healing
18:05
of our landlord and i pray right now
18:06
that as people are being filled with
18:08
your spirit around the world that you
18:10
would gift them the gift of this
18:12
heavenly language of speaking in tongues
18:14
lord not for the purpose of any kind of
18:16
of a fraudulentity lord or any kind of
18:20
of just uh whatever the word i'm
18:22
thinking of lord of just something that
18:24
is just neat to do but father because
18:26
they desire to hear your voice

18:29
so just speak right now just speak right
18:32
now just let your voice be heard if
18:34
you're listening to this and you desire
18:36
to be filled with the spirit just begin
18:39
to just pray and speak uh just let a let
18:42
a noise come out of your throat
18:45
let a noise come out and and just begin
18:48
to pray in another language as god gives
18:51
you divine assistance and changes you
18:53
it changes the language the the vowels
18:57
and the syllables will begin to form and
18:59
you will begin to speak in his language
19:01
father i i thank you and i praise you
19:03
lord and by faith lord like the apostles
19:06
that before me and the word itself did
19:09
for the people lord i by faith extend
19:11
your anointing into the homes of every
19:15
person watching
19:16
now both live and in the future
19:19
and we pray god for a supernatural
19:22
miraculous revival in the earth
19:26
my friends
19:27
god is doing great things

19:29
and i believe with all of my heart mind
19:31
soul and strength that he wants to put
19:33
you into a whole new place and a whole
19:35
new level and until you totally plug in
19:40
to the spirit and get your face on the
19:43
ground before him and you desire him the
19:46
lord says that he will give you in
19:48
proportion to your desire
19:50
he said that he will he will baptize you
19:53
in proportion
19:55
to the amount of water that you put in
19:56
the tank
19:58
he says that at the mount at the amount
19:59
that you hold back is the amount that he
20:02
will hold back from you
