

0:00
there is a movement of the spirit in
0:02
this earth realm right now that is being
0:05
birthed that is acts chapter 2. it is
0:07
torah it is spirit it is not funky it's
0:09
not out of control it is perfect balance
0:12
you know what makes things out of
0:13
control
0:14
you know what makes things out of
0:15
control when you don't have the the
0:17
torah foundation when you don't have the
0:19
front of the book and you just got the
0:21
back of the book you don't have the
0:22
whole book
0:23
it's like it's like having a it's like
0:25
starting in the 13th chapter of a 26
0:27
chapter book you have no idea what's
0:29
going on but you are fully enveloped in
0:31
all the characters and all the plot and
0:33
all the things that are happening but
0:34
you don't know where it came from so
0:36
therefore you can't contextually truly
0:39
understand what's going on and at the
0:41
end you might even cry but you don't

0:43
even know the depth of what this
0:45
characters went through because you
0:46
never read the first 12 chapters
0:48
i'm here to tell you my friends what god
0:50
is about to do is founded on truth it's
0:53
founded on power it's founded on the
0:56
reality that is beyond the reality that
0:58
you see in the black and white
1:00
scriptures because i'm here to proclaim
1:02
to you and you may call me a false
1:03
prophet and that's fine i don't care but
1:05
i'm here to tell you that god is bigger
1:07
than his own word he's bigger than what
1:09
he gave us it says in the gospels that
1:11
if they wrote down every single thing
1:13
that yeshua said it would fill valiums a
1:15
book don't tell me that all your
1:16
theology is only built on what you find
1:19
in the new testament or what you find in
1:20
the old testament because my god is
1:22
bigger than that what he gave us is the
1:24
principles he gave us the chapter
1:26
headings he gave us the the bullet

1:28
points and it is the spirit of the
1:30
living god that's supposed to unpack
1:32
that supposed to help us understand it
1:34
and apply it in 2020 too you try to uh
1:37
to apply torah today without the spirit
1:40
and you'll be putting spears through
1:42
people's hearts you will literally be
1:44
throwing bombs into people's families
1:46
you will throw grenades into
1:48
congregations you will destroy because
1:50
the torah can only do three three things
1:53
it defines sin it brings death to those
1:56
who sin against it and it brings life to
1:58
those who keep it but you don't know how
2:00
to determine what keep it means without
2:03
the ruach it is the spirit of the living
2:05
god that teaches us all things it is not
2:09
rabbi joseph it is not pastor jim it is
2:12
not this person or that person or this
2:14
favorite bible teacher or this great
2:16
youtuber or influencer online that's
2:18
telling you how to keep the torah i'm
2:20
telling you right now the bible says the

2:23
bible says the holy spirit will teach
2:25
you all things all what calculus how to
2:28
make your favorite chili recipe no he's
2:31
going to teach you everything that the
2:33
father said to do how to do it why do
2:36
you think the spirit didn't tell us god
2:38
didn't tell us all the details of how to
2:40
keep shabbat or all the details of this
2:42
and that because he won a relationship
2:45
ladies and gentlemen stop i
2:46
prophetically proclaim right now stop in
2:49
this realm every bible teacher that
2:51
claims the front of the book stop
2:53
teaching the front of the book as it is
2:55
a as if it is a textbook of learning it
2:59
is not
3:00
it is a springboard and a foundation and
3:04
a toolbox for the holy spirit to use to
3:07
do radical transformation in people's
3:09
lives that is what the torah is designed
3:11
to do until these bible teachers online
3:14
and these youtubers understand the bible
3:17
is not meant to be parsed out by

3:18
theology it's not meant to be
3:20
subjugated and categorized so that we
3:23
can understand every part of it it is
3:25
meant to be a prophetic principle
3:27
overshadowing context hardcover for a
3:30
book that's supposed to be written by
3:31
the holy spirit that is what the torah
3:34
is designed to do it is to be guard
3:36
rails for us to be able to drive but the
3:39
only fuel that god says that he wants to
3:41
be
3:42
in this car is the holy spirit and until
3:45
we get this until we get it families
3:47
will be destroyed i met a family just
3:50
yesterday a torah-based family where the
3:52
father was molesting the children and he
3:54
just went to jail for 25 years
3:57
guys this is what's happening in our
3:58
communities this is what the torah does
4:01
if you don't infuse the spirit it will
4:03
bring death to you it's not designed to
4:06
bring life without the other side of it
4:09
it is a two-sided quarter if you will

4:12
you can have heads all you want but i'm
4:14
telling you the moment you see tales
4:16
everything changes it's full it's worth
4:18
value a quarter with no tails is no
4:22
value at all a dollar bill that doesn't
4:25
have
4:25
one side has no value the currency
4:28
doesn't work you might even go to jail
4:30
for having a currency that has no second
4:33
side and god says the same thing today
4:36
until you take the currency of heaven
4:39
and you let the other side be printed on
4:41
your heart you will be indicted as
4:44
bringing fraudulent currency into the
4:46
earth realm and this is what is
4:48
happening my friends is that we have we
4:50
have so many bible teachers and there's
4:52
no fathers like paul said there's 10 000
4:54
bible teachers you don't need any more
4:56
bible teachers y'all are on every sub
4:58
subscribe to every youtube channel every
5:00
facebook page you're learning you're
5:02
learning you're learning but you learn

5:03
nothing
5:04
you know nothing of my heart says the
5:07
lord god you don't know me you know
5:10
everything about me you've learned the
5:12
feast days you've learned the festivals
5:14
you know hebrew backwards and forwards
5:16
but you know not my heart and you even
5:19
are estranged from my own language
5:22
says the holy spirit what if
5:25
speaking in tongues is real
5:27
do you realize i i talked to a brother
5:29
and a teacher yesterday and i said
5:30
brother
5:32
can you even imagine that i know you
5:34
disagree with speaking in tongues i know
5:36
you don't agree with it and i know you
5:38
feel like that you can prove it through
5:40
scripture but the reality is is can i
5:42
just kind of just
5:44
submit to you that what if you're wrong
5:47
what if it's real
5:49
if it's real do you know what's
5:50
happening

5:52
you're objecting to the language of god
5:54
himself
5:55
that he's using to speak to tens if not
5:58
hundreds of millions of people around
6:00
the world that if you're wrong you're
6:02
standing against the god of abraham
6:06
isaac isaac and jacob himself are you
6:09
willing to take your intellectual
6:11
ability to parse out scripture and say
6:13
that you can prove it wrong are you
6:15
willing at that level to take that risk
6:18
because wisdom says even if you don't
6:20
agree
6:20
that you stand at a distance and you
6:23
take a neutral position because you do
6:26
not know all things and what if it's not
6:28
two languages like everybody says
