

0:00
and what if it's not two languages like
0:02
everybody says
0:03
what if it's not the language you know
0:05
actual physical languages and a heavenly
0:08
prayer language i submitted that what if
0:10
it's all one language it doesn't say
0:12
that they spoke other languages in other
0:15
languages in acts chapter 2 the
0:17
disciples when the holy spirit fell upon
0:18
them on pentecost you know what happened
0:20
they spoke in other tongues and it said
0:24
that they heard them in other languages
0:27
and i'm telling you right now that and i
0:28
don't care where you're at on the planet
0:30
if i started speaking in french you
0:32
would know it if i started speaking in
0:33
spanish you would hear the dialect when
0:35
someone speaking in an australian or
0:37
english english
0:39
and england you know it because you're
0:41
alive today you know the different
0:43
dialects you're telling me that someone
0:45
is standing in that crowd and they think

0:48
that these apostles are drunk
0:50
my friends if they were speaking other
0:52
languages they would never have said
0:54
they were drunk they would say what the
0:56
heck is going on they're speaking
0:57
galilean they're speaking this they're
0:59
speaking greek they're speaking latin or
1:01
what aramaic or whatever the language of
1:03
the day was that they were speaking but
1:05
they didn't recognize any dialect any
1:08
language any jargon was that was coming
1:10
out of their mouth was unrecognizable it
1:12
was only those that were ready to hear
1:14
by faith that heard it in another
1:16
language they heard it in another
1:18
language and it was that moment i'm
1:21
telling you this was not another
1:22
language that they were speaking it was
1:24
the prayer language of god and then he
1:27
turned on their prayer ears the hearing
1:31
aids of heaven of spirit and they heard
1:34
it in other languages
1:36
and so when someone prays when someone

1:38
prays in the spirit by themselves it's
1:40
the same thing that happens in acts
1:42
chapter two if someone is there they
1:45
might hear it in another language they
1:47
might not hear it at all maybe it's
1:48
between you and god it's uttering deep
1:50
cries to deep
1:52
and until i'm i'm about ready to close
1:54
because i can feel the the spirit uh
1:56
moving down but i want to just encourage
1:59
every single person in the sound of my
2:00
voice to recognize
2:02
he has something deeper
2:04
for you
2:05
he wants to take you farther but you're
2:08
in the way
2:09
your thoughts are in the way your pride
2:11
is in the way your theology is in the
2:13
way get out of the way says the lord god
2:16
and just open up your eyes your hands
2:19
your arms and your mouth and i will
2:22
breathe into you like adam because god
2:24
says to someone online right now you're

2:26
dead and lying on the ground like adam
2:28
before i breathe life in him and you
2:30
don't even know it you think that you
2:32
are religious you think that you are
2:34
spiritual you think that that god has
2:36
that i have given you all of these
2:38
things and god says this i have yet to
2:41
breathe my life into you because when i
2:43
breathe life into you everything around
2:45
you gives life
2:46
everything begins to sprout everything
2:49
you touch begins to bring life because
2:51
when the holy spirit shows up for real
2:53
for real
2:55
you'll know it by the fruits
2:57
because everything that it's around
2:59
begins to be given a new life
3:01
and so father i just pray right now as
3:02
we close
3:04
god i pray in yeshua's name that you
3:06
would not only baptize all of these
3:08
people
3:10
in your spirit and god they would begin

3:12
to just vocalize
3:14
noise that you will transform into
3:16
another language not so that they could
3:18
just say i speak in tongues no
3:21
those days are over says the lord my
3:23
people will not speak in tongues so they
3:25
can brag that they speak in tongues my
3:26
people will speak in the spirit because
3:28
they desire to hear me in a deeper
3:30
a deeper way in a more clear way and
3:33
they so desire by faith to be connected
3:35
to me that they want more of me whether
3:38
it be prophecy and by the way
3:41
paul says man i wish every one of you
3:43
spoke in tongues but i wish you spoke in
3:44
prophecy better so god i ask that you
3:46
baptize people in the gift of prophecy
3:48
right now because it ain't about tongues
3:50
only it's about you it's about the
3:53
deeper things that you offer your people
3:56
and your people have been not desiring
3:58
them not seeking after them you say in
4:00
your word that at the level that we seek

4:03
we will find
4:04
and lord most people have no quiet time
4:06
they don't even get away with you but to
4:08
to hear your voice father we all could
4:10
get away more
4:11
at the moment and the level and the
4:14
length that we spend with you lord i
4:15
pray that you would unpack yourself for
4:18
us
4:19
and in us and through us
4:21
what we put aside
4:22
the filth of our flesh and the carnality
4:24
of our mind and that we would take on
4:27
your spirit lord and the things of the
4:29
spirit which means love joy peace
4:33
patience kindness goodness faithfulness
4:35
gentleness and self-control lord i pray
4:37
that you give us patience with one
4:39
another lord
4:40
give us patience god give us give us
4:43
patience or we we judge people when they
4:45
when we because we control freaks by
4:47
nature lord if we things don't go our

4:49
way if our sons and daughters don't make
4:51
the decisions that we want lord we make
4:54
a controlling emotional moments of of a
4:57
lack of patience and we judge them
4:59
we want to fix everybody right now
5:01
forgive us for that god there's people
5:04
right now you need to say god forgive me
5:05
for trying to control my family forgive
5:08
me for trying to control my situation
5:10
forgive me for for wanting to fix
5:12
everybody and everything
5:14
because that makes the world revolve
5:16
around us and god says the world doesn't
5:18
revolve around you revolves around me
5:19
and i'm a patient god
5:21
i'm a loving god i'm compassionate god i
5:23
give you time to repent it is my
5:25
kindness that leads you to repentance so
5:28
be kind to one another be kind to your
5:31
daughter and your son that's not doing
5:34
everything right be kind be gentle speak
5:36
life because that's what i do
5:39
god says that if i treated you like you

5:41
treat your children you'd be dead
5:42
already
5:44
from a spanking from on high but god
5:46
says i don't
5:47
he says that my kindness is going to
5:49
lead you to repentance i'm going to have
5:51
patience with you so father i just ask
5:53
that you would cause your people to
5:55
repent
5:56
of the lack of patience
5:57
that you cause them to repent for
6:00
disbelief
6:01
lord even their anxiety before the
6:03
disbelief i pray they repent for and
6:05
lord i pray that you every person that
6:07
desires to go farther and deeper and
6:09
wider and recognize that they don't know
6:12
hardly anything of you
6:14
that their small five foot four to six
6:16
foot five whatever it is frame cannot
6:19
contain a healthy one-tenth of one
6:22
percent of even a second of your power
6:26
much less one-tenth of one percent of

6:27
all of it
6:29
so father we just humbly admit that we
6:31
know nothing we are a people that live
6:34
in a land of unclean lips and we are
6:36
unclean we pray god that by faith that
6:38
you would take the coal from the
6:40
heavenly altar that you would touch our
6:42
lips
6:43
and heal us father we repent for our
6:47
theology and our in our in our in our
6:50
wrong theology god because our theology
6:52
that theology means study of god we're
6:54
not studying you we're studying so we
6:56
can be right
6:58
against somebody else
6:59
forgive us of our pride lord and help us
7:02
to study you
7:04
lord thank you for birthing your spirit
7:05
in this movement and birthing your
7:07
spirit in the earth realm and letting
7:08
acts chapter 2 live itself all over
7:11
again lord raise up
7:13
a generation that believes with all

7:16

their heart

7:17

mind

7:18

soul

7:19

and strength and they prove it

7:22

by loving their neighbor as herself

7:25

everyone said amen and amen

7:28

love you guys shabbat shalom we'll talk

7:31

to you later

7:41

[Music]
