

0:05
okay so we're out here sakota met a guy
0:08
named Troy Troy say hi
0:11
it's my wife and Sierra and Malia in the
0:14
back here and uh this is what the
0:17
Israelites should have had when they
0:19
were traversing the wilderness
0:21
let's go see what this thing can do
0:23
shall we
0:26
go
0:42
life everybody
1:10
foreign
1:21
Spirit right
1:22
it takes every single Rock every single
1:25
room
1:29
and to hit is just not nearly
1:32
what it would be
1:34
without the suspension of the spirit
1:46
thank you
1:54
and that's how you do it my friends
1:57
make sure you're driving in the holy
1:59
spirit with the spirit and the
2:01
suspension will smooth out your entire
2:03
life's journey

2:06
we'll watch through the record
2:11
man that was a lot of fun going on that
2:13
you know it does remind me seriously of
2:16
life and in my own life I have had a
2:19
crazy journey of going through the
2:20
Wilderness for five straight years where
2:22
rocks and roots and every kind of crazy
2:25
Gully was in my way and it's it honestly
2:29
scared me to death but when I went
2:30
through it I realized man that was not
2:33
as difficult as I thought and it's
2:35
because of the suspension of the spirit
2:36
so I just want to encourage you out
2:37
there that when you're riding with the
2:39
Holy Spirit when you're trusting him
2:41
with all your heart mind soul and
2:42
strength
2:43
you can go as fast as you can in the
2:45
woods and when you're done you realize
2:47
that it wasn't nearly as bad as you
2:49
thought so anyway have a great day have
2:51
a great suit coat we're gonna be doing
2:52
videos like this all throughout Sukkot

2:54

hope that you guys will be able to

2:55

travel along with me and seeing how our

2:57

sukkot is going I pray that yours is

2:59

going well too!
